WEEK 11

**CAROLINA (4-5) at GREEN BAY (8-1)**  
Sunday, Nov. 18 • Lambeau Field • 12 p.m. CST

## CAROLINA COMES TO LAMBEAU FOR WEEK 11 CLASH

The Packers host their second consecutive home game one week after improving to 8-1 for the first time since 2002.

- ▶ Green Bay comes into the contest winners of 12 of its last 13 games and tied for the NFC's best record.
- ▶ Sunday marks the 251st consecutive regular-season sellout (264 including playoffs) at Lambeau Field, the league's longest-tenured stadium.
- ▶ With a win, the Packers would earn the best start in team history since 1962, when Vince Lombardi led Green Bay to a 10-0 start en route to their eighth world title.
- ▶ A familiar non-divisional foe, the Panthers come to Lambeau Field for the first time since 2002.
- ▶ The two clubs first met in 1996 in the NFC Championship game. Antonio Freeman's go-ahead TD catch gave the Packers their first lead of the day, as Green Bay earned its first Super Bowl berth in 29 years.
- ▶ Sunday is the 10th meeting in 12 years between the teams. Just three games have been played in Green Bay, with the Packers holding a 2-1 advantage over the Panthers.
- ▶ Establishing a true home-field advantage is something the club has begun to do, winning six of its last seven games in Green Bay.

## OFFENSE, DEFENSE CLICKING ON ALL CYLINDERS

Sunday's effort against the Vikings, in which Green Bay nearly doubled the offensive output of Minnesota, 488 yards to 247, was undoubtedly the most complete effort of the **Mike McCarthy** era.

- ▶ "We anticipated a very physical game with Minnesota today, especially after the game at the Metrodome," McCarthy said following the win. "I thought our guys really prepared well, starting with the defense with the shutout and stopping the run. That was the emphasis going into the game. Offensively, we wanted to establish our run game. It was a completion-oriented mindset as far as game plan against their defense. For the most part, I was very pleased with the performance in all three phases. That's clearly our best performance this year."
- ▶ Facing the league's second-ranked rush defense looked like a tall task for the Green and Gold, but they responded with their highest output of the season behind **Ryan Grant's** 119 yards rushing, the first 100-yard rusher against the Vikings this season.
- ▶ Simply put, the defense was outstanding. It did not allow the Vikings to convert on third down (0-for-8) or fourth down (0-for-3), and held the NFL's leading rusher, Adrian Peterson, to 45 yards, his lowest output of the season.
- ▶ "We feel that we are a very good football team," McCarthy continued. "We're focused on winning and improving. It's as simple as that. There's a lot of football left to be played."
- ▶ Statistically, both the offense (No. 4 overall) and defense (No. 10 overall) rank in the league's top 10. Green Bay's passing offense ranks first

among all 32 teams.

- ▶ The top 5 NFL teams by record all are ranked in the top 10 in both total offense and defense. Other than Green Bay (8-1), the list includes New England (9-0), Dallas (8-1), Indianapolis (7-2) and Pittsburgh (7-2).

## WITH THE CALL

# THIS WEEK AT LAMBEAU

## TOP 10 DEFENSE ROUNDING INTO FORM

Defensive coordinator **Bob Sanders** and his unit have steadily climbed the league rankings this season, finally playing the dominant football it showed signs of in 2006.

- ▶ During the team's four-game win streak to close the 2006 season, the unit climbed from 29th to 12th.
- ▶ Sunday the defense posted the first shutout since Dec. 10, 2002, a 10-0 victory over Buffalo. It did so against the Vikings, which owned the league's longest active scoring streak at 260 games. Minnesota's 260-game streak without a shutout is the third-longest in NFL history.
- ▶ The defense has allowed 142 points thus far, third-lowest in the NFL.
- ▶ Its 26 sacks are tied for third best in the league, paced by the NFL's top sack duo. Defensive end **Aaron Kampman**, the NFC Defensive Player of the Month for October, has posted nine sacks, second in the league. Fellow defensive end **Kabeer Gbaja-Biamila** has tallied eight-and-a-half sacks.
- ▶ 24½ of those sacks have come courtesy of the defensive line, which forms one of the deepest rotations in all of football. Their ability to pressure the quarterback rushing just four frees up linebackers **Nick Barnett** and **A.J. Hawk**, two of the team's leading tacklers, to make plays.
- ▶ Not to be forgotten is perhaps the top cornerback duo in the NFL – **Charles Woodson** and **Al Harris**. No cornerback duo is as physical at the line of scrimmage, while Woodson continues to display his knack for the big play with three interceptions and two defensive touchdowns on the season.
- ▶ Backed by a stout run defense ranked seventh in the NFL, the defense tends to make its big plays defending the pass. In a streak that dates back to last season, Green Bay has picked off at least one pass in 14 of the last 15 games. During the streak, the unit has 24 interceptions. Woodson has nine of the interceptions during the streak.

**Note of the Week**

**ANOTHER SHINING PERFORMANCE FOR FAVRE**

Sunday against Minnesota, quarterback **Brett Favre** threw for 351 yards and three touchdowns. Favre was not sacked or intercepted.

- ▶ He became the first NFL quarterback with 350+ pass yards, 3+ TD passes, no interceptions and no sacks in one game since Peyton Manning did it in Week 3 of the 2004 season, against Green Bay.

## ANOTHER WEEK, ANOTHER INTERCEPTION

Woodson, who has seen a resurgence to his Pro Bowl level since arriving in Green Bay, picked off his third pass of the season Sunday. The 10-year pro also has two defensive touchdowns on the season and three since coming to Green Bay.

- ▶ When he signed as a free agent prior to the 2006 season, many around the league thought Woodson's days as an elite corner were over. Already, his three defensive touchdowns in Green and Gold surpass his total (two) in eight seasons as a Raider. What's more, the former Heisman Trophy winner has 11 interceptions in 25 games with Green Bay. He had 17 interceptions in 106 games with Oakland.
- ▶ Despite the fact he is a four-time Pro Bowler, Woodson won just the first Defensive Player of the Week honor of his career for his performance in Week 6 against Washington. He picked off a Jason Campbell pass and also returned a fumble 57 yards for the go-ahead touchdown.

- ▶ Historically speaking, Woodson is only the fourth Packers player since 1940 with a fumble recovery for a touchdown and an interception in the same game. The other three Green Bay Packers to do that were Charley Brock (10/4/1942, at CHI), Tom Brown (11/17/1968, vs. NO) and Ahmad Carroll (11/29/2004, vs. STL).

## NOBODY'S BETTER AFTER THE CATCH

The league's No. 1-ranked passing offense has been bolstered by its receivers' ability to run after the catch.

- ▶ Big plays have served as a catalyst to the success of the Packers offense. Despite having the league's 32nd-ranked rushing attack, the unit still ranks fourth overall thanks in large part to its dominance through the air.
- ▶ Wins over San Diego, Denver and Kansas City have all been highlighted by long touchdowns passes by Favre. Not to be overlooked is who he is throwing to, and what they are able to do once the ball is in their hands.
- ▶ Led by wide receivers **Donald Driver**, **Greg Jennings**, **James Jones** and tight end **Donald Lee**, Green Bay has amassed 1,300 yards after the catch, tops in the NFL.
- ▶ Behind the Packers at No. 2 is a team with a much more publicized group of receivers – the New England Patriots at 1,157 yards after the catch. The NFL average is 820 yards.
- ▶ The big-play ability of the Packers offense shouldn't come as a total surprise. Green Bay finished second in yards after the catch, behind New Orleans, in 2006.

## MCCARTHY TOPS THROUGH 25

Notching his 16th victory in his 25th game since taking over head coaching duties at the offices on Lombardi Avenue, McCarthy has now won more games through his first 25 than any coach in franchise history.

- ▶ Vince Lombardi and Mike Sherman had previously topped the list, as both went 15-10 to open their coaching careers in Green Bay. Mike Holmgren went 14-11 through his first 25.
- ▶ According to Elias, McCarthy ties Joe Gibbs for the best career start of any active head coach over 25 games.
- ▶ "My focus is on winning the world's championship," McCarthy said when asked about the accomplishment. "That will always be the focus regardless of how many games it takes to get there through the regular season and so forth. Because when you win championships, everything else takes care of itself."

## LONG TOUCHDOWNS CONTINUE FOR FAVRE, OFFENSE

Favre continues to lead a big-play offense which has already seen five touchdown passes of 40 yards or longer through only nine games.

- ▶ On the receiving end of four of the five long touchdowns has been the second-year pro Jennings, who connected on two such scoring plays as a rookie last season.
- ▶ "I think Brett and the receiver group have done an excellent job in the three- and five-step drops," McCarthy said. "With that we've been given some opportunities to go vertical, go deep, whether it's inside or outside. We have been productive in the last three or four weeks."
- ▶ Favre's game-winning 60-yard touchdown pass to Jennings in Kansas City, the duo's second such play in as many weeks, was the quarterback's 56th career touchdown pass of 40 yards or more. A look at Favre's most productive seasons with the big play:

## THE PANTHERS-PACKERS SERIES

Non-divisional opponents, the Packers and Panthers have met nine times over the past 11 seasons.

- ▶ The first meeting between the two clubs came in the 1996 NFC Championship game at Lambeau Field. The Packers overcame two early deficits to defeat the Panthers, 30-13, and earn a berth in their first Super Bowl in 29 years.
- ▶ Two of Carolina's wins in the series carried strong implications. The Panthers registered a 33-31 win at Lambeau Field, Dec. 12, 1999. The Packers were 7-5 entering the game, which launched a three-game losing streak that dropped them out of postseason contention; they finished 8-8. Then, on Nov. 27, 2000, Carolina's 31-14 Monday night win marked the Packers' last loss of the 2000 season, but their four-game winning streak wasn't enough to overcome the Panthers setback. Green Bay (9-7) missed the playoffs.
- ▶ In 2004, the Packers registered an emotional prime-time win, 24-14, over the Panthers, then the defending NFC champion, in the season opener on *Monday Night Football*.

## NOTABLE CONNECTIONS

Packers DE Cullen Jenkins and Panthers DT Kris Jenkins are brothers; Kris is 17 months older than Cullen, and both wear No. 77...Packers CB Jarrett Bush signed as a non-drafted free agent with Carolina in 2006 but

was released following the team's final roster reduction; he has appeared in all 24 games as a Packer...Several Panthers have spent time in Green Bay, including Patrick Dendy (2005-06), Na'il Diggs (2000-05), Marquand Manuel (2006) and Mike Wahle (1998-2004)...Panthers secondary coach Tim Lewis played cornerback in Green Bay for four seasons (1983-86) and still holds the team record for longest interception return, a 99-yard score against the L.A. Rams on Nov. 18, 1984...Add Panthers quarterbacks coach Mike McCoy to the long list of Brett Favre backups; McCoy spent the 1995 season on the Packers' practice squad...Packers wide receivers coach Jimmy Robinson and Panthers head coach John Fox spent four seasons on staff together (1998-2001) with the New York Giants; also spending time on that staff was Panthers assistant head coach/running backs coach Jim Skipper and Panthers secondary/safeties coach Mike Gillhamer (1998-2000)...Panthers defensive coordinator Mike Trgovac coached the Packers defensive line in 1999, when he was on staff with Mike McCarthy...McCarthy also worked with Panthers defensive line coach Sal Sunseri at the University of Pittsburgh (1989-92)...Panthers linebackers coach Ken Flajole began his NFL coaching career in Green Bay in 1998 as a quality control/defensive assistant...A number of Packers are North Carolina natives and attended college in the state: WR Koren Robinson (Belmont, N.C., North Carolina State), G Junius Coston (Raleigh, N.C., North Carolina A&T) and DE Jason Hunter (Fayetteville, N.C., Appalachian State).

## LAST MEETING, REGULAR SEASON

Oct. 3, 2005, at Bank of America Stadium; Panthers won 32-29.

- ▶ Favre threw for four touchdowns, but the Packers were unable to overcome two early turnovers as the Panthers held on for the victory on *Monday Night Football*.
- ▶ Rallying from a 19-point second-half deficit, Favre threw two TD passes and two 2-point conversions in the fourth quarter and had Green Bay in position to win on a final drive before the offense was stopped on fourth down.
- ▶ Jake Delhomme threw for two touchdowns and Stephen Davis ran for two scores as the Panthers left the Packers (0-4) with their worst start in 17 years.

## LAST MEETING, AT LAMBEAU FIELD

Sept. 29, 2002; Packers won 17-14.

- ▶ Favre threw a 22-yard touchdown pass to Driver for the go-ahead score late in the fourth quarter as Green Bay defeated previously unbeaten Carolina.
- ▶ Panthers kicker Shayne Graham, signed by Carolina two days earlier, missed a 24-yard field goal with 13 seconds left that would have tied the contest.
- ▶ Driver had the first two-touchdown game of his career, though he caught his first score from tight end Bubba Franks on a trick play.
- ▶ Officials originally ruled the play had two forward passes, as Favre took the snap from center and fired the ball to Franks. Officials overturned the call on the field after a replay challenge.

# PACKERS TEAM NOTES

## MORE MCCARTHY - EXCERPTS FROM MONDAY

- ▶ "Ryan Grant was someone our personnel department had been watching. I really liked his running style when he was presented to the offensive staff, and he really fits what we're doing. He runs downhill, he's a one-cut mentality. I've been impressed, I didn't really know that he was as effective as he's been on the second level. It's nice when you get young players, when you give them opportunities, because Ryan is only going to improve. I've been impressed with what he's done with his opportunities, and I look forward to moving forward with him."
- ▶ "Dorsey was a little bigger, and Ryan is still young enough with the strength and conditioning program here, I think he could probably put on some size. But as far as their frame, their history, their background, as far as where he played college, there are a lot of similarities. Brett said it the first week he was here, that's the closest body type he's seen compared to Dorsey Levens."
- ▶ "What I told the offense at halftime, the productivity was excellent, we just didn't have enough points on the board. We had two throws in that first quarter that if we hit either one of them, it's potentially a 21-0 game. And that's what you're looking for. I thought they played at a very high level in the passing game. When you're able to control the clock for 40 minutes and you're throwing the ball that much, I think it's a tribute to the offense, not only the perimeter but the protection."
- ▶ "Frankly, I can go right back to the first speech that I had given this football team and go right to the first page of the powerpoint, and just throw that up there on occasion. The first thing I told the football team that spring was the biggest challenge that we'll have here is handling success. That's something I talk about a lot. Just be honest with them. I'm going to tell them Wednesday they played a hell of a game. We played very well in that football game. There are some things we're going to clean up, but then we'll move on to Carolina. And we've already moved on to Carolina in my view. I think it's important just to be real. I'm not a psychology major, don't pretend to be one. You just have to keep your finger on the pulse of the football team."
- ▶ "I think it's important as you do build your program, whatever scheme you're in, what you're trying to accomplish, to stay with the mindset of stacking successes. You may get tired of hearing it, but when you have something positive happen, keep building on it. And it's something you can refer to all the time. I'm not asking these players to do anything they haven't accomplished yet. There's not a play they haven't run already that they have done successfully. There's not a technique or a position we've put them in they haven't been able to be successful. So when it doesn't go right, you refer back to that. It's positive reinforcement every chance you get."

## FAVRE BACK TO MVP FORM

Quarterback **Brett Favre** compiled a passer rating over 100.0 for the sixth time this season, all six of which have been in victory.

- ▶ Favre compiled a passer rating over 100.0 for the third consecutive week, something he also did in Weeks 2-4.
- ▶ This marks the sixth time in his career that Favre had recorded three straight games with a passer rating over 100.0. He did it twice in 1995 (Nov. 12 – Dec. 3, 4 games; Dec. 16 – Jan. 6, 4 games) and twice again in 1996 (Sept. 1 – Sept. 15, 3 games; Dec. 22 – Sept. 1, 1997, 5 games). Favre was voted the league's MVP in both seasons.
- ▶ The last time he accomplished the feat prior to this season, Favre had five straight games with a passer rating over 100.0 during the team's Super Bowl XXXI run. The streak began with the final regular-season game against Minnesota (Dec. 22, 1996) and culminated in the first regular-season game the following season (vs. Chicago, Sept. 1). It included three playoff victories, most notably a 35-21 victory over New England in the Super Bowl.

▶ Elias Sports Bureau never intended for the passer rating to reflect effi-

- ciency on a game-by-game basis, but rather to measure the effectiveness of a quarterback over an entire season, or an entire career.
- ▶ Nonetheless, in games when Favre compiles at least a 100.0 rating, the Packers are 79-7 (.919).
- ▶ The Packers are a perfect 42-0 (1.000) at Lambeau Field when Favre hits the century mark. The team is 37-7 (.841) on the road when Favre eclipses the mark.

## PACKERS AMONG NFL'S BEST AWAY FROM LAMBEAU

Green Bay has now won six straight games on the road, something the franchise has not accomplished since Vince Lombardi's final two seasons (1966-67) in Green and Gold.

- ▶ The six-game road winning streak, a feat accomplished twice before (1928-29 and 1935-36), matches the second-longest mark in franchise history. The Packers have won eight consecutive road games twice (1941-42 and 1966-67), the best mark in their history.
- ▶ One of the most impressive accomplishments of Head Coach **Mike McCarthy**'s first year as head coach was the way his club performed on the road. The Packers finished 5-3 away from home in 2006, recording the most road wins in franchise history for a coach in his first season.
- ▶ McCarthy and the Packers have picked up right where they left off, winning their first four road games of the season.
- ▶ A look at the top road teams in the NFL since 2006:

Team	Road Record	Pct.
New England	12-1	.923
Chicago	10-3	.769

## PACKERS VS. VIKINGS - W, 34-0

### PACKERS PUT ON BEST PERFORMANCE YET

The Packers thoroughly dominated NFC North rival Minnesota with an efficient, ball-control offense and stifling defense to blow out the Vikings 34-0 in front of 70,945, the largest regular-season crowd ever at Lambeau Field in what was the 250th consecutive regular-season sellout at the famed stadium.

- ▶ The defense recorded Green Bay's first shutout since Dec. 22, 2002, a 10-0 win over Buffalo, while **Mike McCarthy** also improved to 4-0 against Minnesota in the most thorough whipping the Packers have given any opponent in his two-year tenure.
- ▶ Green Bay's six scoring drives (four touchdowns, two field goals) averaged 77 yards in length and 5 minutes, 50 seconds of possession time, as the Packers piled up huge advantages in total yards (488-247), number of offensive plays (80-44) and time of possession (40:40 to 19:20).
- ▶ Quarterback **Brett Favre** was superb once again, completing 33-of-46 for 351 yards and three touchdowns with no interceptions for a rating of 115.4, his sixth 100-plus rating of the season and sixth game with at least 300-yards passing. He was complemented by the hard-charging runs of **Ryan Grant**, who became the first 100-yard rusher this season against Minnesota's second-ranked run defense with 25 carries for 119 yards and a score.
- ▶ Grant's 30-yard TD run on the game's opening drive began an onslaught during which the Packers scored five of the first six times they touched the ball to take a 27-0 lead late in the third quarter.
- ▶ "Our offense is consistent when we execute," said Grant, who had his second 100-yard game in the last three weeks. "It opens up our passing game, opens up our running game. I think we can be a very well-balanced offense. As long as Brett keeps throwing like he's throwing, good things are going to happen."
- ▶ Meanwhile the defense, happily enjoying a reduced workload thanks to the offense's ball-control, set the tone early by containing Minnesota's rookie running back sensation Adrian Peterson. Linebacker **Brady Poppinga** and safety **Atari Bigby** burst through the line to stuff Peterson for no gain on third-and-1 on the game's opening possession, and the defense went on to hold the Vikings to 0-for-8 on third downs and 0-for-3 on fourth downs. Peterson, who rushed for more than 500 yards combined against Chicago and San Diego within the past month, was limited to just 45 yards on 11 carries (4.1 avg.)
- ▶ Third-string quarterback Brooks Bollinger also struggled, completing just three passes for 7 yards in the first half. By the time Bollinger took the first of three sacks in the game on the first possession of the third quarter, a shutout looked like a distinct possibility and became a noteworthy goal for the defense.
- ▶ A fourth-down stop by linebacker **A.J. Hawk** and an interception near the goal line by cornerback **Charles Woodson** stopped the Vikings on their next two possessions.
- ▶ The defense still had to work to preserve the shutout, though. On Minnesota's final attempt, a 50-yard screen pass to Chester Taylor got the Vikings into scoring range again, but sacks by **Johnny Jolly** and **Kabeer Gbaja-Biamila** (his second on the day) helped stall the drive with under a minute to go, and the Packers blanked the Vikings for the first time in the 94 installments of the rivalry.
- ▶ "We talked as a team, it was time to shut somebody out," McCarthy said. "It's very important to our defense and it's the reflection of a football team focused on improving. We improved today."

### AGGRESSIVE EARLY

Twice in the first half, McCarthy took the aggressive approach and bypassed a 50-plus-yard field goal to go for it on fourth down.

- ▶ **Koren Robinson's** clutch diving catch and subsequent lunge for the first-down marker converted a fourth-and-3 from the Minnesota 34 on the game's opening possession, and two plays later Ryan Grant burst through a hole off the right side for a 30-yard touchdown.
- ▶ Then on the final drive of the first half, the Packers again were on the Minnesota 34, this time needing about a yard and a half on fourth down. An 8-yard pass to **Donald Driver** picked up the first down, though the drive eventually stalled inside the 10 and **Mason Crosby** kicked his second field goal on the final play of the first half for a 13-0 lead.

### MARTIN HAS FIRST TWO-TD DAY

With the emergence of rookie **James Jones** and the return of the reinstated Robinson, **Ruvell Martin** had slid into the background a bit in the Packers' receiving corps.

- ▶ But the second-year pro showed he's still a viable option for Favre, notching his first career two-touchdown game in Sunday's 34-0 win over Minnesota.
- ▶ Martin caught four passes for 57 yards in all, beginning with a 25-yarder out of a five-wide receiver set that helped set up a field goal midway through the second quarter.
- ▶ Both of Martin's touchdowns came in the second half out of more traditional formations. He caught an 8-yard slant for a TD late in the third quarter on essentially the same play Favre broke the all-time touchdown record with against Minnesota on Sept. 30, and he added a 17-yard TD catch in the fourth quarter for the game's final points.
- ▶ "Ruvell Martin has played very well for us when he's had his opportunities," McCarthy said. "So when I did not make him active in Kansas City, we had a conversation, and it really started a couple weeks before that. I just told him you need to do more on special teams if you're going to play, and he's really picked it up. He had a little back injury there a couple weeks ago. He's fought through that. He's done a really good job with his opportunities offensively dating back to last year. With that was one element. The other was five wide receivers was a big part of how we were going to go after the Minnesota Vikings defense, and we felt better about Ruvell."

### POSTGAME NOTES

Grant's 30-yard touchdown run in the first quarter was his first NFL touchdown and the longest run of his career.

- ▶ With a 3-yard pass to **Vernand Morency** in the second quarter, Favre became the second player in the history of the NFL to pass for over 60,000 yards.
- ▶ In his 246th consecutive start, Favre extended the single-stadium touchdown pass record with his 200th career TD pass at Lambeau Field on a 1-yard pass to **Donald Lee**. Favre now has 202 touchdown passes at Lambeau Field.
- ▶ With Sunday's three touchdown throws, Favre now has 61 games with at least three passes, one game behind Dan Marino's (62) NFL record. It was also his 54th career 300-yard passing game.
- ▶ Gbaja-Biamila recorded his fourth multi-sack effort of the season.
- ▶ The Packers swept the season series against the Vikings for the second consecutive year. The last time the Packers won four consecutive games against the Vikings was 1987-88.
- ▶ **Mark Tauscher** started his 100th career game, while **Ryan Pickett** played in his 100th career game.

## PACKERS TEAM NOTES

### McCARTHY NOW A HALL-OF-FAMER

Though the bye week is meant for rest for players and coaches alike, Head Coach **Mike McCarthy** did take a detour to Baldwin City, Kan.

- ▶ There on Oct. 20, McCarthy was inducted into Baker University's Athletic Hall of Fame, where he was an all-conference tight end and senior captain in 1986. That season, the team made a run all the way to the NAIA title game.
- ▶ McCarthy became the 103rd member of Baker's Hall of Fame, which was founded in 1977. Baker, the oldest university in Kansas, is celebrating its 150th anniversary in 2007-08.

### CLOSING IN ON MARINO...AGAIN

Quarterback **Brett Favre** threw for three touchdowns in Week 10, the 61st game of his career with at least three TD passes.

- ▶ Favre stands one game behind Dan Marino's (62) NFL record.
- ▶ He is also chasing Marino in 300-yard passing games. Favre has six already this season and could break his own record of seven 300-yard passing games established in 1995.
- ▶ A list of the quarterbacks with the most 300-yard passing games:

Quarterback	Years	300-yd. games
Dan Marino	1983-99	63
<b>Brett Favre</b>	<b>1991-2007</b>	<b>54</b>
Dan Fouts	1973-87	51
Warren Moon	1984-2000	49

### TOUGHEST ROAD VENUES? NO PROBLEM

In the span of six days, the Packers went into two of the NFL's most hostile stadiums – Denver's INVESCO Field and Kansas City's Arrowhead Stadium – and came away with victories.

- ▶ Kansas City (104-37-0, .737) and Denver (103-38-0, .730) own the best home records in the NFL since 1990. Green Bay (99-42-0, .702) has the fourth-best home record in the league since the '90 season.
- ▶ What's more, Green Bay faced a rested Kansas City club coming off a bye week, while the Packers had an abbreviated week thanks to the Monday night showdown in Denver. Facing a Chiefs defense that had yet to yield 20 points to a single opponent in 2007, the Packers put up 33 points.
- ▶ "I think our players realize, young and old, that (K.C.) was a tough game going into and a tough place to play," McCarthy said following the victory over the Chiefs. "This group works hard, stays focused. I tell them every day: smart, tough, fundamentally sound. They're in tune with that. That's the way we grade them every day. You make smart decisions, you play tough and you're fundamentally sound. We try to keep it as simple as possible."
- ▶ The Packers have now won five straight against the AFC West and eight of their last 10 against the division, dating back to a 1996 victory over Denver. They wrap up their games against the AFC West this season when Oakland comes to Lambeau Field on Dec. 9.

### PACKERS SEEM TO MAKE HISTORY ON MONDAY NIGHT

Green Bay won its first overtime game on the road in Denver since Dec. 12, 1983, at Tampa Bay, also a game on *Monday Night Football*. Jan Stenerud's 23-yard field goal sealed the 12-9 Packers win in Howard Cosell's final broadcast.

- ▶ Also in the game, **James Jones** and **Greg Jennings** became the first Packers' duo to record 100 yards receiving each since Donald Driver and Javon Walker on Oct. 11, 2004 vs. Tennessee, also a game on *MNF*.
- ▶ Favre's 82-yard strike to Jennings tied for the second-longest TD pass to end an overtime in NFL history. The longest was the 99-yard play from Philadelphia's Ron Jaworski to Mike Quick on Nov. 10, 1985, vs. Atlanta. New England's Tom Brady connected with Troy Brown on an 82-yard

pass play to beat Miami on Oct. 19, 2003.

- ▶ Jones' 79-yard touchdown catch in the first quarter was the team's longest touchdown reception by a Packers rookie since Max McGee's 82-yard reception in the 1954 season.

### TURNOVERS THE NAME OF THE GAME

Though its turnover margin stands at plus-two, Green Bay has eight early wins thanks in large part to its ability to turn turnovers into points. On defense, the Packers have been able to clamp down after turnovers, not allowing opponents to capitalize on scoring opportunities.

- ▶ Green Bay is third in the NFL with 72 points scored off turnovers. On the other side of the ball, the defense has allowed only 23 points off turnovers, fourth best in the league.
- ▶ The Packers have won the turnover battle in six of their eight wins this season. They came out even in their wins at Minnesota and at Kansas City and finished minus-four in their only loss, against Chicago.
- ▶ Green Bay did not have a giveaway in the victory over Minnesota last week, a feat the club accomplished against Denver and San Diego this season. The team also was 3-0 last season in games without a giveaway.
- ▶ Over a longer stretch, the team has won 29 of 30 games playing turnover-free football, since a loss at Dallas, Nov. 18, 1996. Green Bay's only loss in such games during that stretch was a 23-20 defeat at Minnesota, Oct. 23, 2005.
- ▶ Including playoffs, the Packers have won 32 of their last 33 games without a giveaway.

### SIMPLY THE BEST

The Packers own more NFL championships (12) than any other franchise, but it's not all about past glory for the Green and Gold.

- ▶ Talk of unrestricted free agency in the early '90s led many to believe Green Bay would be the first to fold.
- ▶ Since the advent of free agency in 1993, the Packers own the best W-L record in the NFL.
- ▶ A look at the most successful teams in the free-agency era:

Team	W-L Record	Pct.
<b>Green Bay Packers</b>	<b>147-86-0</b>	<b>.630</b>
Pittsburgh Steelers	145-87-1	.624
New England Patriots	143-90-0	.614
Denver Broncos	143-90-0	.613
Kansas City Chiefs	135-98-0	.579
Indianapolis Colts	132-101-0	.567
Philadelphia Eagles	128-104-1	.551

### MORE McCARTHY - EXCERPTS FROM MONDAY

- ▶ "if you look at our situation, Jason Spitz, Daryn Colledge, Tony Moll and Junius Coston, you're looking at a number of players that are all from an experience standpoint at very similar points in their career. So the combination, ideally yes, you'd like to have five. But that's not a position we're in right now."
- ▶ "He (Jarrett Bush) had a good game. Once again, he's been very, very solid for us. Getting better as the season went on defensively. An excellent player on the special teams. I thought our coverage unit was excellent. Just had the one kickoff that they bounced out there for the one return that got away from us. But I think Jarrett has done a great job. I just love the way he plays. He's a tough, improving young corner. I think he has a very bright future ahead of him. He's just so competitive, and he fits what we're trying to do at the corner position."

## PACKERS TEAM NOTES

### THE IMPORTANCE OF A QUICK START

There's no secret that early success increases an NFL team's chance to earn a playoff berth.

- ▶ Maintaining the confidence and momentum built during the four-game win streak to close 2006 has been a major focus of the offseason program for Head Coach **Mike McCarthy** and his team.
- ▶ One of McCarthy's early goals this season – getting off to a quick start – was accomplished with the 4-0 and 8-1 start.
- ▶ Slow starts have plagued the Packers the past three seasons, only one of which resulted in a postseason appearance (2004). That season, the team started 1-4 but won nine of its last 11 games.
- ▶ In 2005, injuries contributed to a 1-7 start while a 1-4 start in 2006 proved too much to overcome.
- ▶ A look at how important fast starts have become to eventual playoff success in the NFL, compiled from 1990-2006:

Record through 4 games	% of teams in playoffs
0-4 .....	.1.8%
1-3 .....	.15.8%
2-2 .....	.35.6%
3-1 .....	.65.2%
4-0 .....	.83.7%

### “SPECIAL” TEAMS

Having always been a key ingredient to the success of the Packers, Green Bay's special teams unit has seen a remarkable improvement this season.

- ▶ In Rick Gosselin's annual *Dallas Morning News* rankings, which objectively grades teams by their rankings in 22 kicking-game categories, Green Bay finished seventh both in 1996 and 1997. The Packers reached the Super Bowl both seasons.
- ▶ More recently, the Packers ranked 8th in 2003 and 9th in 2004. Both years they made the playoffs.
- ▶ For the past two seasons, Green Bay has ranked last in the NFL in Gosselin's rankings.
- ▶ The coverage units have been excellent thus far. Through nine games, the Packers rank third in the league in opponent punt return average and third in opponent kickoff return average.
- ▶ An area of emphasis all offseason, the unit got things going early in Week 1 by accounting for all 16 points.
- ▶ Rookie kicker **Mason Crosby** has connected on 18-of-22 field goal attempts on the season and has displayed a powerful kickoff leg. He already has 10 touchbacks on the season.
- ▶ Though the team has been unable to put cornerback Will Blackmon on return duties, fellow defensive back **Tramon Williams** has filled in nicely, and the unit should see a boost with the return of **Koren Robinson**. Williams' 65-yard kickoff return in Week 5 against Chicago was the longest return by a Packer since Robert Ferguson's 71-yard kickoff return at Indianapolis (Sept. 26, 2004).

### FAVRE TURNING BACK THE CLOCK THIS SEASON

Quarterback **Brett Favre** has surpassed some of the NFL's greatest milestones so far this season, but not lost on the rest of the league is just how well he has been playing through the first nine games.

- ▶ For the first time in his career, Favre threw for 300 yards-or-more in three consecutive games (Weeks 3-5). What's more, he's now done it twice this season, completing his third straight 300-yard game against the Vikings.
- ▶ The 1,042 passing yards Favre has over the last three contests are the most passing yards over a three-game stretch in his 17-year career.
- ▶ On Wednesday, Oct. 10, Favre turned 38 years old.
- ▶ Much of the Packers' offensive success can be traced to Favre's precision passing. Between a second-quarter interception against the Giants

(Week 2) and a third-quarter interception against the Bears (Week 5), Favre had attempted 142 consecutive passes without an interception – the third-longest streak of his career. During the interception-free streak, he threw nine touchdown passes.

No. Attempts	Date Began - Ended
163 .....	12/10/1995 - 9/15/1996
148 .....	12/16/2001 - 9/15/2002
<b>142</b> .....	<b>9/16/2007 - 10/7/2007</b>
126 .....	12/14/1997 - 9/20/1998
125 .....	11/12/1995 - 12/3/1995

### UPON FURTHER REVIEW – A CLOSER LOOK AT THE STATS

Some things that jump out about the Packers after a second glance at the statistics:

- ▶ The Packers defense has yielded only three rushing touchdowns on the season, the third lowest in the NFL.
- ▶ The Packers remain 32nd in rushing offense despite their second 100-yard rusher in three games.
- ▶ Conversely, the Packers boast the league's top-ranked passing offense. Favre ranks first in the NFL in yards passing and second in completions.
- ▶ Three Packers wide receivers (Driver, Jones and Jennings) rank in the top 20 in the NFC in receiving yardage.
- ▶ A spectacular effort against Minnesota (0-for-8 on third down) helped Green Bay's defense rise in the third-down rankings. The Packers now rank first in the NFC and second in the NFL.
- ▶ Crosby's 10 touchbacks rank sixth in the NFL.

## PACKERS TEAM NOTES

### WITH THE GAME ON THE LINE, PACKERS DELIVER

A major catalyst in the Packers' quick start has been their ability to get out to an early lead, as evidenced by their plus-27 scoring differential in the opening frame. More importantly, however, has been their ability to deliver in crunch time. Seven of their eight wins have been decided in the final frame or overtime.

- ▶ In their seven close wins, Green Bay has entered the fourth quarter down four points (San Diego), tied (Philadelphia), up one (New York Giants), up four (Minnesota), up six (Kansas City) and up three twice (Washington and Denver). In their only loss on the season to Chicago, Green Bay also entered the fourth quarter up three points.
- ▶ Defense has been a major catalyst for the strong fourth-quarter play, allowing just 38 fourth-quarter points. In their only blemish thus far, Chicago outscored Green Bay, 10-0, in the fourth quarter.
- ▶ Green Bay's plus-37 mark in the final frame is the third best differential in the league.

Team	Own	Opp	Diff
New England	100	62	+38
Pittsburgh	76	38	+38
<b>Green Bay</b>	<b>75</b>	<b>38</b>	<b>+37</b>
Indianapolis	78	42	+36

### 430 TOUCHDOWN PASSES AND COUNTING...

After a moment now etched in NFL history, Brett Favre stands alone atop the all-time touchdown passes list.

- ▶ 43 different Packers have been on the receiving end of a Favre touchdown pass, beginning with **Sterling Sharpe's** grab in the fourth quarter against the Bengals on Sept. 20, 1992.
- ▶ Favre's two fourth-quarter touchdown throws in that game not only sealed the come-from-behind, 24-23 victory, but also earned him the start the following week, a job he hasn't relinquished since.
- ▶ In a three-touchdown performance at New England on Oct. 13, 2002, Favre became just the fourth NFL player to throw for 300 touchdowns. On his final TD pass of the day, a 2-yard toss to tight end **Bubba Franks**, Favre surpassed John Elway to move into third place on the all-time list.
- ▶ He moved into second place on the list in one of the most memorable performances of his career – and in the history of *Monday Night Football* – when he threw four touchdown passes in the first half against Oakland just one day after the sudden death of his father, Irvin. Favre's second touchdown pass of the night, a 23-yard strike to Javon Walker, pushed him past Fran Tarkenton on the league's all-time list with 343 career TD passes.
- ▶ A first-quarter strike to **Greg Jennings** made NFL history at Minnesota in Week 4. The game was stopped briefly, and a videotaped message from Dan Marino was played on the Metrodome's scoreboard.
- ▶ A closer look at the record:

Quarterback	Team	TD Passes
<b>Brett Favre</b>	<b>Atlanta, Green Bay</b>	<b>430</b>
Dan Marino	Miami	420
Fran Tarkenton	Minnesota, NY Giants	342
John Elway	Denver	300
Warren Moon	Hou., Minn., Sea., K.C.	291
Peyton Manning	Indianapolis	291

### A CHRONOLOGY OF THE RECORD

Eight players – all members of the Pro Football Hall of Fame – have held the NFL career touchdown pass record throughout the history of the league. Thanks to research provided by Elias Sports Bureau, the one-time record holders were:

- ▶ **Benny Friedman** had 66 career TD passes and held the record from 1930 until 1943.
- ▶ **Arnie Herber**, a former Green Bay signal caller, reached 66 touchdown passes in 1940 and shared the record with Friedman until 1943.
- ▶ **Sammy Baugh** passed Friedman and Herber in 1943 and threw 187 career touchdowns. He held the record until 1962.
- ▶ **Bobby Layne** tied Baugh in 1961 and passed him during the 1962 season. Layne finished with 196 touchdown passes and held the record until 1963.
- ▶ **Y.A. Tittle** passed Layne in 1963 and finished his career with 212 touchdown passes. Tittle held the record until 1966.
- ▶ **Johnny Unitas** passed Tittle in 1966 and ended his playing days with 290 TD passes. He held the record until 1975.
- ▶ **Fran Tarkenton** surpassed Unitas in 1975 and became the first NFL player with 300 career TD passes. He finished with 342 touchdown passes and held the record until 1995.
- ▶ **Dan Marino** passed Tarkenton on Nov. 26, 1995, at Indianapolis with a second-quarter touchdown pass and finished his career with 420 touchdown passes. He held the record until surpassed by Brett Favre in 2007.

### MORE THAN JUST A SACK

Defensive end **Kabeer Gbaja-Biamila**, who earlier this season surpassed Hall of Famer Reggie White on the franchise's all-time career sack list, has seen a return to form this season with 8½ sacks through nine games.

- ▶ This season, many more are cheering on 'KGB' with each sack for what it will mean towards the greater Green Bay community.
- ▶ More than \$10,000 goes to Freedom House, a Green Bay homeless shelter, with each KGB sack. The pledge for each sack comes from Gbaja-Biamila, teammates **Ryan Pickett** and **Bubba Franks**, and local donors.
- ▶ One of the decade's most-feared pass rushers, KGB recorded 10-plus sacks four consecutive seasons (2001-04). The eight-year pro, along with many others, are hoping he can once again reach that plateau this season.

### PACKERS ONCE AGAIN LEAGUE'S YOUNGEST TEAM

Green Bay has the distinction of being the NFL's youngest team for the second straight season.

- ▶ Since taking over general manager duties in 2005, Ted Thompson has vowed to build the team's foundation through the draft. Of the 53 active roster players, 19 have been drafted by Thompson.
- ▶ Each team's average age is based upon its opening-day roster. A look at the five youngest teams in 2007:

Team	Average Age
<b>Green Bay</b>	<b>26 years, 89 days</b>
Indianapolis	26 years, 91 days
N.Y. Giants	26 years, 190 days
Dallas	26 years, 197 days
Carolina	26 years, 252 days

## MILESTONES COME ON THE ROAD FOR FAVRE

**Brett Favre** had one of the league's most coveted milestones in his sights and again made history away from Lambeau. Taking a look back at some of Favre's milestone touchdown passes throughout his career, all have a common theme – they came in road victories.

- ▶ Only touchdown pass No. 100 came in front of the home crowd at Lambeau Field, though it still came in a winning effort.
- ▶ Touchdown pass No. 301 pushed Favre ahead of John Elway (300) to third on the league's all-time touchdown passes list.
- ▶ No. 343 – coming in one of the most memorable performances of his career and in the history of *Monday Night Football* – placed Favre No. 2 on the all-time list, surpassing Fran Tarkenton.

No.	Date	Reception	Opp.	Result

## NO ONE WINS MORE THAN NO. 4

In what has been a record-breaking year for Favre thus far, certainly one of the most meaningful accomplishments, both from a team and individual standpoint, came early. With his 149th win in Week 2, Favre surpassed John Elway on the all-time quarterback wins list. Heading into the contest at Denver, Favre now has 155 career wins.

- ▶ Simply put, Favre was spectacular in the record-breaking victory over the New York Giants. He completed 29-of-38 passes for 286 yards and three touchdowns and earned NFC Offensive Player of the Week honors.
- ▶ "We gave him the game ball after the game," McCarthy said after the

win. "The 'all-time' in anything in this league is such a monumental achievement. 149 victories - I think that speaks for itself. When you go out and win over that long of a period of time, I think that's the ultimate compliment a quarterback can have. To me, if you asked me what is the biggest record that he will achieve, I think he just accomplished it."

## TACKLE DUO AS STEADY AS THEY COME

Tackle **Chad Clifton** has made 104 career starts for the Packers, while fellow tackle **Mark Tauscher** has started 100 career games.

- ▶ A second-round pick in 2000, Clifton was inserted into the starting lineup in Week 7 as a rookie and has been a mainstay on the offensive line since then.
- ▶ Tauscher started 14 games as a rookie in 2000, earning his first start at right tackle in Week 3, a position he has yet to relinquish. Tauscher saw his own consecutive starts streak come to an end as well in 2006 (57 games) because of a groin injury.
- ▶ Favre's blind-side shield, Clifton has started 72 of 73 games since returning from a pelvic injury that ended his 2002 season after a blind-side hit from Warren Sapp. Only a bout with the flu last season in Miami (Oct. 22) could snap the streak.
- ▶ The duo has provided a steady influence to many of their younger teammates along the line. Already this season, five different players have started along the interior of the offensive line (**Daryn Colledge, Junius Coston, Tony Moll, Jason Spitz** and **Scott Wells**).
- ▶ Elite pass blockers that rarely receive the credit they deserve, Clifton and Tauscher have anchored an offensive line that has allowed the second fewest sacks in the NFL since they became fixtures in the starting lineup in 2000.

### Team Sacks Allowed Since Week 7, 2000

Indianapolis Colts	.146
<b>Green Bay Packers</b>	<b>.163</b>
San Diego Chargers	.204
Denver Broncos	.215
Tennessee Titans	.225
New England Patriots	.225

## ONLY MARSHALL REMAINS

Favre made his 241st consecutive start against Minnesota, surpassing former Vikings center Mick Tingelhoff (240) and now owns the second-longest recorded streak in NFL history at 246.

- ▶ Only Jim Marshall (270, 1961-79) has been documented to have started more in consecutive fashion.
- ▶ Favre has played in 248 straight games (268 including playoffs) and his 246 starts in a row (266 including playoffs) is the NFL's record among quarterbacks.
- ▶ Including a one-week stint earlier this season (finger), Favre has appeared on the injury report an amazing 49 times during the streak.

## OTHER PACKERS BREAKING RECORDS

Though Favre's assault on numerous records has garnered most of the attention this season, a number of other Packers are making history.

- ▶ **Donald Driver** became the seventh player in team history to surpass the 6,000-yard mark and also moved into fifth place in the franchise's all-time receptions list. Driver became Lambeau Field's all-time leader in receptions.
- ▶ **Bubba Franks** became the 11th player in Packers history to record 30 career touchdown receptions.
- ▶ Defensive end **Aaron Kampman** recorded his 30th career sack earlier this season, the eighth player in team history to do so.
- ▶ Defensive end **Kabeer Gbaja-Biamila** surpassed Reggie White's franchise record for sacks (68½).

## PACKERS TEAM NOTES

### GOLDEN ANNIVERSARY

The Packers will host a season-long celebration commemorating the 50th anniversary of Lambeau Field. The crown jewel of the National Football League remains the most historic stadium in football.

- ▶ Dedicated as City Stadium Sept. 29, 1957, with a 21-17 victory over the archrival Chicago Bears, the team renamed the facility Lambeau Field in 1965 following the death of E.L. 'Curly' Lambeau, the Packers' founder and first coach. It is the NFL's longest-tenured facility.
- ▶ To mark the occasion, an anniversary logo was created and is featured on the team's home uniforms, *Gameday* program, the media guide and the Packers Yearbook.
- ▶ Lambeau Field also features the special logo in the north end zone. Both end zones have been painted to reflect the way they were in Lambeau Field's first season in 1957.
- ▶ Renowned 3-D pop artist Charles Fazzino was commissioned by the Packers to create an art piece celebrating the 50th anniversary. Fazzino, the official artist of the Super Bowl and Major League Baseball's All-Star Game, spent nine months on the project. The piece is available in a limited edition 3-D format, as well as on T-shirts, helmets and assorted items in the Packers Pro Shop.
- ▶ Packers ticket holders will enjoy images of Lambeau Field through the years on their tickets as well.

### TRAVELING LIGHT IN 2007

NFL teams will cover 566,650 miles this season – about 75,000 more miles than a round trip flight from the earth to the moon.

- ▶ No team will cover more mileage than the St. Louis Rams (34,352), while the N.Y. Jets will travel the fewest (9,186).
- ▶ In the preseason and regular season, Green Bay will fly a total of 10,738 miles, over 6,000 miles less than the team traveled in 2006.
- ▶ Most of the miles will be covered following the bye week, as the team plays six of its ten remaining games on the road.
- ▶ A closer look at who is racking up those frequent flyer miles:

Team	Miles traveled
1) St. Louis	34,352
2) Seattle	33,586
3) Miami	29,724
4) San Diego	28,398
.....	
29) Green Bay	10,738
30) Philadelphia	10,119
31) Buffalo	9,972
32) N.Y. Jets	9,186

### SAME FACES, NEW PLACES

Four coaches have new titles this season, though all four were with the team during the 2006 season. Former offensive coordinator Jeff Jagodzinski left to become the head coach at Boston College in January, leaving a major opening on the staff.

- ▶ McCarthy tabbed **Joe Philbin** as offensive coordinator. Entering his fifth season with the Packers, Philbin most recently served as offensive line

coach in 2006 where he implemented a new zone-blocking scheme and successfully integrated three rookie starters.

- ▶ **Winston Moss** was promoted to assistant head coach/linebackers after serving as linebackers coach in 2006. As the assistant head coach, the 41-year-old Moss will be McCarthy's right-hand man with regard to administrative duties and team dynamics. Moss will continue to coach the linebackers as well.
- ▶ Promoted to offensive line coach, **James Campen** moves up from his position as assistant offensive line coach in McCarthy's first season at the helm. The center for Brett Favre's first career start in 1992, Campen begins his fourth season on the Packers staff.
- ▶ **Jerry Fontenot** will serve as assistant offensive line coach in 2007. A 16-year NFL veteran (1989-2004), Fontenot joined the Packers as a coaching intern last summer and remained with the team throughout the 2006 season as an offensive assistant.

### PUNT BLOCKS

Jon Ryan was 13 years old the last time the Packers had a punt blocked. It happened Sept. 10, 1995, at Chicago, when the Bears' Anthony Marshall got to Craig Hentrich.

- ▶ Only one other team has a longer active stretch of punts without a block than Green Bay:

Punts	Team	Streak began
922	Cleveland	.11/28/93
<b>915</b>	<b>Green Bay</b>	<b>.09/17/95</b>
435	Buffalo	.09/15/02
403	San Diego	.10/13/02
376	Dallas	.11/28/02

### QUITE THE DEBUT FOR CROSBY

According to Elias Sports Bureau, rookie kicker **Mason Crosby** on Sept. 9 became the first player in NFL history to kick a 50-plus yard field goal and a game-winning field goal in the final minute of his first NFL game.

- ▶ What a whirlwind couple of days it had been for Crosby. First, he found out on Sept. 1 that he had won the kicking job after what had been perhaps the most intense positional battle in training camp. Two days later, he celebrated his 23rd birthday, and just days after that the rookie was lining up for his first-ever professional game.
- ▶ Crosby was 3-for-3 on field goals against the Eagles. He hit a 53-yarder, one yard shy of the team record, in the first quarter, a 37-yarder in the third quarter, and a 42-yarder with 2 seconds left to break a 13-all tie and give the Packers the three-point win. He was later awarded NFC Special Teams Player of the Week honors for his efforts.

### ROOKIES IN THE BACKFIELD

Green Bay became the first NFL team to open the regular season with two rookie starters in the backfield since 1996. That season, both St. Louis (Derrick Harris and Lawrence Phillips) and Miami (Stanley Pritchett and Abdul-Karim al-Jabbar) used an all-rookie backfield on opening day.

- ▶ Rookie running back **Brandon Jackson**, a second-round pick from Nebraska, became the first rookie to start at running back on opening day for the Packers since John Brockington in 1971.
- ▶ Fullback **Korey Hall**, a linebacker at Boise State last season, was the first Packers rookie to start on opening day at fullback since the 1970 AFL-NFL merger.
