SECOND PRESEASON GAME

GREEN BAY (0-1) at SAN FRANCISCO (0-1)
Saturday, Aug. 16 • Candlestick Park • 8 p.m. CDT

PACKERS HEAD WEST TO TAKE ON NINERS

Green Bay makes its first road trip of 2008, traveling across the country to take on the San Francisco 49ers in the second preseason game.

- ▶ It will be a short week for the Green and Gold after opening up the pre-season slate on Monday night against the Bengals with a 20-17 loss. Players return to the practice field Wednesday and Thursday before departing west Friday afternoon.
- ▶ Like any preseason game, there were a number of things to highlight Monday night, and of course plenty to correct. The Packers' starting units on offense and defense got into a nice rhythm, mounting a 10-0 lead after the first quarter.
- ▶ Quarterback **Aaron Rodgers**, making his first preseason start in front of a national audience, led the first-unit offense on two scoring drives, including a highlight touchdown connection with wide receiver **James Jones**.
- ▶ Also, the first-unit defense seemed to gain some momentum. It forced three consecutive three-and-outs for Carson Palmer and company.
- ▶ The main goal this week in Green Bay will be to heal many of the Packers core players. Seven projected starters were held out of action Monday night, while a number of other key backups were held out.
- ▶ Head Coach **Mike McCarthy** would prefer to play his first units a bit longer Saturday night, but health will be the determining factor.
- ▶ San Francisco enters its first home game of the preseason with a bit more rest, having traveled across the Bay last Friday to take on the Oakland Raiders, where it suffered an 18-6 defeat.

HOMECOMING FOR RODGERS, MCCARTHY

Wherever Aaron Rodgers goes these days, the storyline follows. One week after making his first preseason start under center, on national television at Lambeau Field no less, he returns home to northern California.

- ▶ A native of Chico, Calif., and All-Pac-10 quarterback at Cal, Rodgers couldn't help but show his excitement for Saturday.
- ▶ "This is a big week for me," he said with a smile at his postgame press conference Monday night. "I'm looking forward to this one, definitely. I've got a lot of friends and family coming down from Chico. Growing up in northern California being a 49ers fan, and then going through (the 2005 NFL Draft) and all that that was, it's going to be exciting to go back there and play against the team I grew up watching."
- ▶ The inevitable Rodgers-Alex Smith comparisons will be made all week. Smith was chosen No. 1 overall by the 49ers in the 2005 NFL Draft, while Rodgers was the second quarterback drafted, arriving in Green Bay with the No. 24 selection.
- ▶ Though he's a Pittsburgh native, Mike McCarthy returns to the Bay Area, his last stop as an NFL assistant.
- ▶ McCarthy served as offensive coordinator under Mike Nolan in 2005, where he tutored Smith in his rookie season.
- ▶ A number of other players on the Green Bay roster will be coming home to play in front of friends and family. They include LB **Desmond Bishop** (Fairfield, Cal-Berkeley), CB **Jarrett Bush** (Vacaville), LB **Spencer Havner** (Grass Valley), WR **James Jones** (San Jose, San Jose State) and T **Tony Moll** (Sonoma).

WITH THE CALL

The **Green Bay Packers Broadcast Partners** will air the game over a nine-station network throughout the state of Wisconsin, Upper Michigan and Northeastern Minnesota, with CBS network production, personnel and the latest network-quality technology.

- ▶ The top-notch broadcast team includes CBS's **Kevin Harlan** (play-by-play) alongside fellow CBS broadcaster **Rich Gannon** (analyst).
- ▶ WTMJ's **Jessie Garcia** serves as the sideline reporter and WFRV's **Larry McCarren** joins the crew for pre-game segments. In addition to WFRV-TV (Green Bay) and WTMJ-TV (Milwaukee), the games are televised over WKOW/ABC, Madison, Wis.; WAOW/ABC, Wausau/Rhineland, Wis.; WXOW/ABC, La Crosse, Wis.; WQOW/ABC, Eau Claire; WYOW/ABC, Eagle River, Wis.; WJMN/CBS, Marquette, Mich.; and KQDS-TV/FOX, Duluth, Minn.
- ▶ Milwaukee's WTMJ (620 AM), airing Green Bay games since 1929, heads up the 56-station Packers Radio Network, with Wayne Larrivee (play-by-play) and two-time Packers Pro Bowler Larry McCarren (color) calling the action. The duo enter their 10th season of broadcasts together across the Packers Radio Network, which covers 47 markets in six states.

PACKERS NEWS OF THE WEEK

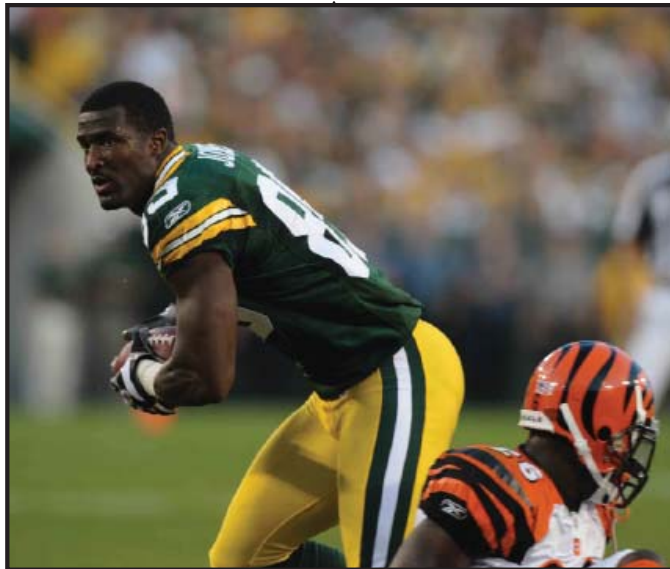

ABOUT THE OFFENSE

Many phases of the offensive unit seemed to be clicking Monday night, as the first unit gained eight first downs and put up 10 points in one quarter of play.

- ▶ The offense amassed 383 total net yards (271 passing, 112 rushing) in its first game action of 2008.
- ▶ Overall, Rodgers finished 9-of-15 for 117 yards with the one TD and one interception for a 79.0 rating. He wasn't flawless or flashy, but he gave himself and the offense a foundation to add to as the preseason continues.
- ▶ Comfortable under center, Rodgers found particular rhythm with wide receivers **Donald Driver**, **James Jones** and **Ruvell Martin**. Driver and Jones delivered big hits after the catch to the Bengals' secondary, the second of which Jones took 30 yards for a score. Rookie wideout **Jordy Nelson** displayed some nice ability after the catch as well.

Even without third-year pro **Greg Jennings**, the unit looked as though it will pose nightmare matchups for defenses all season long.

- ▶ **Ryan Grant** was a scratch against the Bengals, but second-year pro **Brandon Jackson** showed the progress McCarthy had been raving about all offseason. With a full year of weight training under his belt, Jackson broke a number of tackles en route to his six carry, 44-yard performance.
- ▶ "I thought his second reaction, just breaking tackles, that is the Brandon Jackson that we all know and have watched grow up in front of us, so I think you'll see more of that as we go forward," McCarthy said.
- ▶ Veteran back **Noah Herron** and rookie **Kregg Lumpkin** also showed some nice burst in limited action. Herron carried four times for 17 yards (4.3 avg), with Lumpkin gaining 36 yards on seven carries (5.1 avg).
- ▶ All three offensive units struggled in the passing game, as receivers and quarterbacks work on getting the timing down.
- ▶ Center **Scott Wells** missed the previous week of practice and was a scratch against Cincinnati, so there was some flux along the offensive line. **Jason Spitz**, normally at right guard, lined up at center and was flanked on the right by rookie **Josh Sitton**. **Daryn Colledge** got the start at left guard, but he and second-year guard **Allen Barbre** split reps with the first-team offense.

AND ON DEFENSE

Both sides of the line have been hit by injuries, as was evident Monday with the absence of starting tackles **Ryan Pickett** and **Johnny Jolly**. Pickett has missed all of camp with hamstring issues, while Jolly was sidelined by a more recent hip flexor injury.

- ▶ What's more, **Justin Harrell** has missed all of camp with back issues. A 2007 first-round pick, Harrell was expected to be a key contributor this season in the tackle rotation. Also missing in action Monday night was pass-rush specialist **Kabeer Gbaja-Biamila** (knee).
- ▶ No unit has been hit harder by injuries than the defensive line, but it did give McCarthy and his staff a chance to look at younger players. End **Cullen Jenkins** slid inside to tackle, while veteran **Colin Cole** started at the other tackle spot. That gave valuable back-up reps to youngsters **Daniel Muir**, **Alfred Malone** and **Conrad Bolston**.
- ▶ Pro Bowler **Aaron Kampman** saw limited reps at end on the left

side, while fourth-year pro **Michael Montgomery** started at right end. Special teams ace **Jason Hunter** saw increased reps at end and recorded the team's only sack on the night. Rookie **Jeremy Thompson** also was active in his debut, recording three tackles and playing a number of roles on special teams.

- ▶ The linebacker trio of **A.J. Hawk**, **Nick Barnett** and **Brady Poppinga** resumed their starting roles, but the defensive unit did throw in a wrinkle with a new 2-4-5 formation.
- ▶ Ends **Kampman** and **Montgomery** were the lone down lineman, while **Brandon Chillar** came on as a fourth linebacker.
- ▶ "I welcome the opportunity and I would like to say we'll see more of it," Chillar said. "I think it will depend on how successful it is. There is a little confusion (from the offense) and hopefully we can get the line to make a wrong check. Basically when we are going around like that, it's hard for them to know what we are in."

▶ Backup middle linebacker **Abdul Hodge** may have been the defensive star of the night, as the third-year Iowa product was seen all over the field making plays. He led the defense with six tackles.

▶ It has been a long road back for Hodge, who missed all of 2007 with tendinitis in both knees.

▶ "I had to show off the new wheels," Hodge said, referring to his surgically repaired knees. "Our D-line did a great job and our D-coordinator (Bob Sanders) did a great job of calling out a lot of different fronts that allowed me to be free to just run around. It's been a long time. The last two years haven't been fun for me. Now that I've got my health and I can just run around and do what I do and have fun, I'm just enjoying it right now."

- ▶ Starting cornerbacks **Al Harris** and **Charles Woodson** both sat, which gave ample time to backups **Tramon Williams**, **Jarrett Bush**, **Will Blackmon** and **Pat Lee**.
- ▶ Starting safeties **Atari Bigby** and **Nick Collins** played most of the first half Monday, with Collins even lining up at corner. Backup safety **Aaron Rouse** just continues to make plays, recording the team's lone interception. He also picked off a pass in the 'Family Night' scrimmage.

INJURY REPORT

The lone injury during the Bengals game was wideout **Ruvell Martin**, who took a blow to the head in the second quarter. McCarthy said he left the game for precautionary reasons.

- ▶ Green Bay may get a number of starters back for Saturday night in San Francisco, primarily running back **Ryan Grant**, wide receiver **Greg Jennings**, and cornerbacks **Al Harris** and **Charles Woodson**. None are considered to have serious injuries.
- ▶ Both lines could use a clean bill of health to help get starters ready for Week 1. There isn't much time to heal this week, however, so those decisions will be made later in the week.

ROSTER MOVES

With the trade of Brett Favre to the New York Jets on Aug. 6, the Packers signed cornerback **Scorpio Babers** to fill out the 80-man roster.

- ▶ A rookie from Sam Houston State, Babers did see action on defense and special teams Monday night. He wears No. 41.

THE PACKERS-49ERS SERIES

These familiar rivals meet for their first preseason contest in 33 years.

- ▶ Originally dating back to 1950, the Packers-49ers series featured two games per season from 1953-66 with the teams trading dominant stretches. San Francisco won 13 times in a span of 15 games between 1950-58, while the Packers won 10 of 11 games between 1959-64.
- ▶ In more recent times, the series has been noted for its postseason clashes, including several defining moments in Packers history. Green Bay's 27-17 victory in the 1995 NFC Divisional Playoff was considered the breakthrough victory that established the Packers as an elite team for the next several years.
- ▶ The Packers also won the next two postseason meetings, a 35-14 home victory in the 1996 NFC Divisional Playoff on the road to the Super Bowl XXXI title, and a 23-10 win in San Francisco in the 1997 NFC Championship Game. The two teams met in the playoffs for a fourth straight season in 1998, with the 49ers winning 30-27 on Steve Young's last-second touchdown pass to Terrell Owens, marking San Francisco's only win in these teams' last 12 contests.
- ▶ A fifth postseason clash took place in the 2001 NFC Wild Card Game, a 25-15 Green Bay victory at Lambeau Field.

O'Sullivan was a backup briefly for the Packers in 2004...49ers reserve offensive lineman Joe Toledo has spent time on Green Bay's practice squad...Packers LB A.J. Hawk and 49ers TE Vernon Davis were selected with consecutive picks, the fifth and sixth overall, in the first round of the 2006 draft.

Hawk had one of his three career interceptions, on a pass intended for Vernon Davis, S Nick Collins had one of his four career INTs, and WR Ruvell Martin caught his first NFL TD pass.

LAST MEETING, REGULAR SEASON

Dec. 10, 2006, at Monster Park, Packers won, 30-19.

- ▶ In the victory that started Green Bay's four-game winning streak to close the 2006 campaign, Donald Driver caught nine passes for 160 yards, including a 68-yard touchdown late in the third quarter, to lead an offense that put up 420 total yards.
- ▶ Ruvell Martin got the Packers on the board in the first quarter, slipping wide open behind the 49ers defense for a 36-yard TD, his first NFL TD catch.
- ▶ Frank Gore had a 72-yard run on his second carry to set up an early field goal, and Gore finished with 19 carries for 130 yards and a TD.
- ▶ Nick Collins and A.J. Hawk both had interceptions in the second half to thwart potential 49ers scoring drives.

LAST MEETING, PRESEASON

Sept. 13, 1975, at Lambeau Field; 49ers won, 24-3.

- ▶ The 49ers added two more rushing touchdowns, one each in the third and fourth quarter, for the final result.

PACKERS TEAM NOTES

FAVRE, PACKERS PART AFTER 16 SEASONS

Once thought to be impossible, the Green Bay Packers and first-ballot Hall of Famer Brett Favre parted ways last week after 16 memorable seasons.

- ▶ The Packers traded Favre to the New York Jets for a conditional 2009 draft selection, the final result of a tumultuous month for the club, its fan base and Favre.
- ▶ President/CEO **Mark Murphy** and General Manager **Ted Thompson** issued a joint statement: "We respect Brett's decision that he could no longer remain here as a Packer. But there were certain things we were not willing to do because they were not in the best interest of the team. We were not going to release him nor trade him to a team within the division. When Brett ultimately decided that he still wanted to play football, but not in Green Bay, we told him that we would work to find the best solution for all parties involved."
- ▶ All Favre did while with the Green and Gold was establish every major passing record, including touchdowns (442), yards (61,655), completions (5,377) and attempts (8,758). His 253-game starting streak, an NFL record for the position, remains intact.
- ▶ Michael Jordan laced them up for the Washington Wizards, and Willie Mays finished his career in the outfield for the New York Mets. Star players ending their careers with different clubs isn't so foreign to the NFL:

camp healthy and ready to go."

▶ McCarthy has always stressed that he is not a believer in false confidence. Coming off the offseason, it seems he has real confidence in the 2008 Packers. "As far as our roster, the talent level on our depth chart board, it's the best that it has looked since I've been here, especially at this time of year. The amount of work that we were able to get done from March until today has been the most productive that we've been able to get done in my three years. We're trying to win every single football game, and this team has the ability to be something special and we felt that way coming off our offseason last year. We felt good about the direction we were going. I think our challenges are going to be a lot different this year. The obstacles that we're going to have to get over are going to be a lot different."

ABOUT THE OFFSEASON

McCarthy let everyone know at the annual Packers Shareholders meeting on July 24 just how he felt about the team's progress through the offseason conditioning program, mini-camps and OTAs.

- ▶ "I'm not trying to throw out some positive BS, but we had a great off-season," McCarthy said at the meeting.
- ▶ The team did slightly alter its offseason structure, holding the mandatory mini-camp at the end of the offseason in mid-June as opposed to sandwiching it between voluntary OTAs as it had in prior offseasons.
- ▶ "I think it's the best offseason that we've had to date (with) the individual time that the players spent with the coaches, the commitment to the off-season program and the strength and conditioning all the way through the OTAs," McCarthy said after the final mini-camp June 19.
- ▶ "I really like the way our offseason came to a conclusion here with the mini-camp at the end. It's an exciting time for us. We felt like we had the opportunity to improve through this learning process because that's really what this time of year is. I liked the way the rookies jumped in there and picked things up. It puts us in a very good position to start off

PACKERS TEAM NOTES

POSITION BATTLES HEATING UP

With nearly every player back from a year ago, and a talented bunch of newcomers added to the mix, Packers training camp 2008 appears to be the most competitive in recent memory.

- ▶ General Manager **Ted Thompson** knows all about training camp battles. Signed as a non-drafted free agent linebacker by the Houston Oilers, Thompson annually held off younger competition brought in by Bum Phillips during his 10-year career.
- ▶ Nothing attracts attention and headlines during training camp like the fight for playing time.
- ▶ McCarthy acknowledged after the game just how deep the '08 roster is: "There's competition throughout our whole football team. We'll make sure every position is ready to go with more depth than we've ever had here as a football team."
- ▶ Here are the other positional battles that have been drawing the most interest through the first weeks of camp:

LEFT GUARD

- ▶ Third-year pro **Daryn Colledge** has taken more reps with the No. 1 offense, but he must hold off a strong charge from second-year player **Allen Barbre**, who received some reps with the first-team offense against the Bengals. A Division II Missouri Southern State product, Barbre saw action in seven games as a rookie last season, and his uncanny athletic ability for an offensive lineman (he played gunner on his college punt coverage team) makes him an ideal fit for the zone-blocking scheme. Colledge, with 28 career starts, has the edge in experience. Center **Scott Wells'** injury has forced **Jason Spitz** to center with rookie guard **Josh Sitton** gaining valuable experience on the right side. It is feasible, upon Wells' return, for Spitz to slide to the left should Sitton prove his worth on the right side.

ALONG THE OUTSIDE

- ▶ Few players on the football field can match the intensity of outside linebacker **Brady Poppinga**, who started at SAM linebacker for Green Bay the past two seasons. A defensive end at BYU, he has natural pass-rush instincts and has taken some occasional reps at defensive end during the first week of camp. However, the team did sign **Brandon Chillar** from St. Louis, who comes in advertised as a top cover man.

Look for defensive coordinator **Bob Sanders** to try out some experiments - such as Poppinga as a situational defensive end or the 2-4-5 formation - during the preseason. Will one linebacker win the job, or will the two platoon throughout the year? Either way, count on both playing key roles on special teams. Poppinga and Chillar were two staples of the special teams unit Monday night against Cincinnati.

- ▶ An equally intense battle has emerged among the backup linebackers. The Packers kept five last year, but **Desmond Bishop** and **Abdul Hodge** have both looked excellent in the middle, while **Tracy White** on the outside is a valuable special teams performer. It will be worth watching how many linebackers Green Bay decides to keep with cuts looming at the end of the month.

NICKEL BACK

- ▶ The third cornerback on an NFL team gets enough reps to be considered a "12th" defensive starter. **Jarrett Bush** held that job at the beginning of '07 before **Tramon Williams** came on strong at the end of the season. While Williams was forced out of some early training camp practices with a hip injury, he recovered to have a nice showing in the 'Family Night' scrimmage and against the Bengals and appears to have the inside track on the job. **Will Blackmon** proved to be an impact player on special teams, but coaches are monitoring his reps in the hopes that he will be injury-free this coming season. Where does second-round pick **Pat Lee** fit in? With solid performances in his first live action this past week, he certainly can't be counted out of the nickel competition just yet. With a bevy of talent at wide receiver, this group has been tested early and often in practice.

IMPORTANT DATES REMAINING

- ▶ Friday, Aug. 22 - Third preseason game, at Denver Broncos, 8 p.m., state television

- ▶ Thursday, Aug. 28 - Final preseason game, vs. Tennessee Titans, 6 p.m., Lambeau Field on state television
- ▶ Saturday, Aug. 30 - NFL-mandated roster reduction, to 53 players, by 5 p.m. CDT

PACKERS TEAM NOTES

2008 SCHEDULE AT A GLANCE

The Green Bay Packers' 2008 campaign is highlighted by four prime-time contests, including a nationally-televised home-opening tilt against the NFC North division rival Minnesota Vikings on ESPN's *Monday Night Football*. The Packers' 88th regular season includes two additional Monday night games and a Sunday night game on NBC.

- ▶ In addition to the *MINF* home-opener, the Packers host Dallas Sept. 21 (NBC) and will travel for the final two prime-time contests – at New Orleans Nov. 24 (ESPN) and at Chicago Dec. 22 (ESPN).
- ▶ The Week 1 prime-time matchup marks the fourth time the club will open the season on Monday night. The Packers own a 3-0 record in previous Monday night opening games.
- ▶ The Packers own the NFC's longest active streak for seasons with a *MINF* appearance, with the '08 campaign marking the 16th straight season.
- ▶ The Week 3 Sunday night matchup with Dallas marks the Packers' third consecutive season for a prime-time slot on NBC and is the second-straight season the team will meet the Cowboys in prime time.
- ▶ For the first time in club history, the first two games contested at Lambeau Field will be in prime time.
- ▶ The 2008 slate includes six playoff teams from a year ago (Dallas, Seattle, Tampa Bay, Indianapolis, Jacksonville and Tennessee).
- ▶ The Packers play five of the six postseason teams from a year ago in the first eight games, with only one postseason team from '07 scheduled in the second half of the season.
- ▶ An Oct. 12 tilt at Seattle pits the Packers against former coach Mike Holmgren and marks a rematch of the NFC Divisional Playoff matchup in January when the Packers topped the Seahawks, 42-20, in Green Bay.
- ▶ The Packers will see the Tennessee Titans twice during the '08 campaign – a preseason contest at Lambeau Field for the Midwest Shrine Game (Aug. 28) and a Week 9 trip to Nashville, the first regular-season trip to Tennessee for the Packers since the '01 season.
- ▶ Green Bay will travel to New Orleans for the third of four prime-time games in Week 12. The Packers last traveled to the Superdome in 2002. The Nov. 24 *MINF* game will be head coach Mike McCarthy's first return to the Superdome since serving as the Saints' offensive coordinator from 2000-04.
- ▶ The Houston Texans will make that franchise's first trip to Lambeau Field for a Dec. 7 matchup.
- ▶ For the fifth consecutive season, the Packers will celebrate Christmas with NFC North foes – a trip to Chicago (Dec. 22) and a home tilt against Detroit (Dec. 28) mark the final regular-season matchups.
- ▶ *Monday Night Football* and the Packers roll into Chicago for Green Bay's third Monday night game against the Bears in Week 16. No two NFL teams have met on the gridiron more than the Packers and Bears. The 2008 edition of the series marks the 177th overall meeting.
- ▶ The last time the Packers had four prime-time games on the schedule was in 2005. That year also marks the last time that the Packers hosted a *Monday Night Football* contest, also against the Vikings.
- ▶ The Packers have 10 games with noon start times. Five of the noon start times beginning with Week 11 are subject to change due to NFL flexible scheduling. The '07 season saw 13 games with noon kickoffs.

COACHING INTERNS

The Packers annually welcome coaching interns as part of the NFL's Minority Coaching Program. This year's group includes:

- ▶ **Ricky Brumfield**, wide receivers coach at Fairmont State. This is his third year in the NFL's program, and he will assist the offense.
- ▶ **John Rushing**, cornerbacks coach at Utah State. He coached current Packers cornerback Jarrett Bush, and will assist the defense.

- ▶ **Curtis Fuller**, who played four seasons (2001-04) in the NFL, including two seasons (2003-04) in Green Bay. He will assist the defense.
- ▶ All three will remain with the team through the first preseason game.

TRAINING CAMP PRACTICE SCHEDULE

- ▶ Any practices moved inside to the Don Hutson Center due to inclement weather, poor field conditions or for any other reason will be closed to the public due to space limitations. All other practices listed are expected to be open unless listed otherwise. All outdoor practices are expected to be held on Clarke Hinkle Field (adjacent to Oneida Street).
