**WEEK 14 - GREEN BAY PACKERS AT DETROIT LIONS
SUNDAY, DECEMBER 12, 2010 @ 12:00 PM CST - FORD FIELD**

WR Donald Driver's memorable 61-yard catch-and-run for a touchdown in Sunday's win over the San Francisco 49ers was his fourth of the season and 53rd of his career. Driver fought his way through both opponent tacklers and colliding teammates to find the end zone and put the Packers ahead 21-13 early in the third quarter.

WEEK 14

GREEN BAY (8-4) AT DETROIT (2-10)
Sunday, Dec. 12 • Ford Field • Noon CST

GREEN BAY HEADS TO DETROIT FOR NFC NORTH TILT

The Packers travel to Detroit for their final divisional road game of the year against the Lions. It is the first of back-to-back road contests for Green Bay, with the Packers traveling to New England next Sunday.

- ▶ This will be the latest in a season that the Packers have played at Detroit since Ford Field opened in 2002. The last time Green Bay traveled to Detroit this late in a season was a Week 16 matchup at the Pontiac Silverdome on Dec. 15, 1996.
- ▶ No other NFL teams have played every year since 1932, when the Packers and the Lions, then known as the Portsmouth (Ohio) Spartans, began their yearly home-and-home series.
- ▶ The rivalry actually kicked off in 1930 at City Stadium in Green Bay, a 47-13 Packers win. Some two seasons later, the teams began a yearly series. Sunday marks meeting No. 163 in the all-time series.
- ▶ Now rivals in the NFC North, the Packers own a 89-64-7 advantage over the Lions in the regular season and have won both playoff matchups.
- ▶ Green Bay's current 10-game winning streak against the Lions is the longest in the series in over 50 years, dating back to Detroit's 11-game winning streak from 1949-54.
- ▶ The Packers' 10-game winning streak against the Lions is tied for No. 2 among NFL series behind only New England's 14-game winning streak against Buffalo. The Bills also have a 10-game winning streak vs. Cincinnati.
- ▶ Head Coach **Mike McCarthy** is 9-0 against the Lions since taking over coaching duties in 2006. Overall, Green Bay has won 18 of the last 20 games in the series, including seven of the last nine matchups in Detroit.
- ▶ The Packers enter Sunday's game in second place in the NFC North behind Chicago (9-3). Green Bay has won five of its past six games, including a 34-16 win over San Francisco this past Sunday at Lambeau Field.
- ▶ With the win over the 49ers on Sunday, the Packers improved to 13-6 under McCarthy in regular-season games in December/January. That .684 winning percentage ranks No. 4 in the league over that span.
- ▶ Next Sunday, Green Bay travels to New England for the first time since 2003 to take on the Patriots in a 7:20 p.m. nationally televised contest. It is the final regular-season road game for the Packers, with home contests against the N.Y. Giants and Chicago in Weeks 16-17.

WITH THE CALL

FOX Sports, now in its 17th season as an NFL network television partner, will broadcast the game to a regional audience.

- ▶ Play-by-play man **Sam Rosen** and color analyst **Tim Ryan** will have the call from the broadcast booth.
- ▶ Milwaukee's WTMJ (620 AM), airing Green Bay games since 1929, heads up the 53-station Packers Radio Network, with **Wayne Larrivee** (play-by-play) and two-time Packers Pro Bowler **Larry McCarren** (color) calling the action. The duo enters its 12th season of broadcasts together across the Packers Radio Network, which covers 43 markets in five states.
- ▶ For out-of-town listeners, the broadcast is available on Sirius Satellite Radio (channel 121 WTMJ feed) as part of the network's NFL Sunday Drive.
- ▶ DIRECTV subscribers can watch the game in HD on channel 709.

SUCCESS AGAINST FAMILIAR FOES

Ever since **Mike McCarthy** took over as head coach of the Packers in 2006, he has emphasized the importance of winning divisional games.

- ▶ The Packers have a 20-8 (.714) mark against NFC North opponents under McCarthy, which ranks first among NFC North teams over that span. Green Bay's divisional record since '06 is third in the NFL behind only San Diego (21-7, .750) and New England (21-7, .750).
- ▶ Green Bay posted a 4-2 record or better in the division in each of the first four seasons under McCarthy and enters this Sunday's game with a 3-1 mark in NFC North games this year.
- ▶ With a win Sunday at Detroit, the Packers would become the first team in the NFL to register at least four wins in their division each of the past five seasons. New England (3-1 in 2010) is the only other team in the league to post four-plus wins in its division each year from 2006-09 and still has an opportunity to do so this season.
- ▶ The Packers have won five of their last six NFC North games and will be looking to finish with a 2-1 road record in the division for the second consecutive season.

PACKERS TEAM NOTES

DEFENSE DOM-INATING

After finishing No. 2 in the league's final overall rankings and No. 7 in points allowed in 2009, the defense is enjoying an even more productive season when it comes to keeping opponents off the scoreboard.

- ▶ The Packers rank No. 1 in the league in scoring defense, allowing the opposition an average of just 15.2 points per game, an improvement over last season's mark of 18.6 per contest. Green Bay has allowed 17 touchdowns, the fewest in the league.
- ▶ Green Bay currently ranks No. 10 in the NFL in overall defense, allowing an average of 316.4 yards per game through Week 12.
- ▶ The last time Green Bay led the league in scoring defense this late in a season was when it finished No. 1 in the league in that category at the end of the 1996 Super Bowl season (13.1 per game).
- ▶ The defense has limited opposing signal-callers to a passer rating of just 69.6, which ranks No. 1 in the NFL. The 69.6 rating is just a shade above what the defense allowed in 2009 when it finished No. 4 in the league rankings in that category with a 68.8 rating by opposing QBs.
- ▶ The Packers have recorded 16 interceptions, which is tied for No. 4 in the league, and opposing quarterbacks have completed 57.0 percent of their passes (No. 6). Green Bay has given up only 11 TD passes, which ranks No. 3 in the NFL.
- ▶ After leading the NFL in run defense for the first time in 2009 by allowing a franchise-record 83.3 yards per game, the Packers haven't been as stingy against the run thus far this season, ranking No. 18 in the league with 111.3 yards allowed per game.
- ▶ In the past five games though, the Packers have allowed their opponents to rush for 93.0 yards per game, good for No. 7 in the league over that span. Green Bay has given up just five rushing TDs all year, which is tied for No. 3 in the NFL.
- ▶ In the win over Dallas in Week 9, the Packers limited the Cowboys to just 39 rushing yards on 14 carries (2.8 avg.). That was the fewest yards given up by a Green Bay defense since Detroit was limited to 33 yards on the ground on Oct. 17, 2004.
- ▶ At the N.Y. Jets in Week 8, the defense registered the first road shutout by the Packers since 1991 against an offense that entered the game ranked No. 2 in the league in rushing offense at 159.2 yards per game.
- ▶ Facing LaDainian Tomlinson and Shonn Greene, the Packers limited the tandem to just 76 yards on 22 carries (3.5 avg.), their lowest combined effort of the season.
- ▶ Until Vikings RB Adrian Peterson rushed for 131 yards in Week 7, Green Bay's defense hadn't allowed a running back to rush for 100 yards for 19 straight games. Peterson and Falcons RB Michael Turner (Week 12 this season) are the only backs to eclipse 100 yards since Week 3 of 2009.
- ▶ The 19-game streak was the second longest in team history since the 1970 NFL-AFL merger, trailing only a 24-game game stretch from Sept. 20, 1970-Nov. 22, 1971.
- ▶ Under defensive coordinator **Dom Capers**, the Packers thrived in their new 3-4 scheme in 2009, finishing No. 1 against the run and No. 5 against the pass. The previous top ranking in franchise history in run defense came in 1972, when the team finished No. 2.
- ▶ Green Bay allowed an average of 284.4 total yards per game in '09, second behind the N.Y. Jets (252.3) and ahead of No. 3 Baltimore (300.5).
- ▶ A look at some of Green Bay's defensive numbers since Capers took over as coordinator in 2009:

Team	<u>Rushing Yds. Allowed Per Game</u>
1. Pittsburgh	78.0
2. Minnesota	89.2
3. N.Y. Jets	93.9
4. Baltimore	95.2
5. Green Bay	95.3

Team	<u>Rushing TDs Allowed</u>
1. Green Bay	10
2t. Minnesota	11
2t. Pittsburgh	11

Team	<u>Opponent Passer Rating</u>
1. N.Y. Jets	69.0
2. Green Bay	69.2
3. New Orleans	73.6

Team	<u>Interceptions</u>
1. Green Bay	46
2. Philadelphia	45
3t. Carolina, Tampa Bay	35

DOMED AWAY FROM HOME

Sunday's game at Detroit will be the Packers' third in four weeks in a dome, an environment they have had some success in during Head Coach **Mike McCarthy's** tenure.

- ▶ Since McCarthy took over in 2006, the Packers are 10-4 (.714) in regular-season dome games. That winning percentage ranks No. 1 in the league among teams with eight or more road dome games.
- ▶ McCarthy won his first six dome games as a head coach before the Packers fell just short at Minnesota in a 28-27 loss on Nov. 9, 2008.
- ▶ Green Bay's offense has been productive indoors, averaging 378.3 yards of total offense and 30.4 points in the 14 dome games compared to averages of 356.1 yards per game and 24.1 points per game in outdoor contests over that span. In 10 of the 14 dome games, the Packers posted at least 370 yards of total offense.
- ▶ QB **Aaron Rodgers** has a 109.1 passer rating in nine career starts in domes, with 2,599 passing yards, 18 TDs and just four INTs on 198-of-296 passing (66.9 percent).
- ▶ Rodgers has registered four 300-yard games in domes in his nine starts, and has averaged 288.8 passing yards per game.
- ▶ His 109.1 passer rating indoors since 2008 ranks No. 1 in the league among NFL quarterbacks over that span.
- ▶ The Packers' defense has done its part as well, posting 29 takeaways and six touchdowns in dome games since '06, including five contests with at least three takeaways. That has contributed to Green Bay's plus-11 turnover ratio in dome games since 2006.
- ▶ What made the Packers' Week 11 win at Minnesota more impressive was that it came against a Vikings team that entered the game 17-3 (.850) at home over the past three seasons. The Vikings allowed just 268.2 yards per game and 16.8 points per game in those 20 contests, and the Packers posted 374 yards and 31 points. Green Bay gave up just three points in the game, the fewest ever by a Packers team at the Metrodome.

STAT OF THE WEEK

- ▶ After posting 14 receptions for 183 yards (13.0 avg.) and three TDs in the opening five contests, WR **Greg Jennings** leads the NFL with 761 yards on 43 receptions (17.7 avg.) since Week 6.
- ▶ Starting with the game against the Dolphins, Jennings has averaged 108.7 yards per game, **No. 1 in the NFL** over that span. No other wide receiver in the league has averaged 100 yards a game during that time frame.
- ▶ This past Sunday vs. San Francisco, Jennings registered 122 yards on six receptions, including a 57-yard TD catch. It was his third straight 100-yard game, only the second time in his career (Weeks 2-4, 2008) he has accomplished that feat.
- ▶ Jennings also posted two TD catches against the 49ers, giving him five TD receptions in the past three games. That is the most he has ever posted over a three-game span in his career.
- ▶ Jennings enters Sunday's game at Detroit with 11 TD catches on the season, just one shy of his career high (12 in 2007). He ranks No. 3 in the NFL in the category behind only Kansas City's Dwayne Bowe (14) and Detroit's Calvin Johnson (12).
- ▶ With one more TD catch, Jennings would become just the fourth player in team history (Sterling Sharpe, Antonio Freeman, Billy Howton) to catch at least 12 TD passes in a season twice in a Packers uniform.

- ▶ The 19 straight regular-season wins in Wisconsin is tied first among active NFL streaks at one team's home field.

INDIVIDUALLY VS. LIONS

QB Aaron Rodgers has topped 300 yards passing in four of his five career starts against Detroit. Three of those efforts rank in Rodgers' top six for passing yards in a regular-season game. Combined, he is 114-of-162 for 1,523 yards with 14 TDs and three INT vs. the Lions, good for a 121.0 rating...WR Greg Jennings has four TD receptions and three 100-yard efforts in eight career games against the Lions. His 167 yards against Detroit in Week 2 of 2008 is a career high...WR Donald Driver matched his career high with 11 receptions against the Lions on Nov. 10, 2002. His 94 catches for 1,322 yards and nine TDs are his most in each category against any opponent...Three of WR James Jones' 11 career TD catches are against the Lions, including one in each game last year...WR Jordy Nelson caught his first NFL TD pass in the first meeting in 2008...Two of CB Charles Woodson's five two-INT games and three of his 10 career INT returns for TDs have come against Detroit, one in each of the last three years...DE Cullen Jenkins' first career INT came in the first meeting last season.

LAST MEETING, REGULAR SEASON

Oct. 3, 2010, at Lambeau Field; Packers won, 28-26.

- ▶ QB Aaron Rodgers threw three TD passes and CB Charles Woodson ran an INT back for a TD to give the Packers a 28-14 lead early in the third quarter.
- ▶ Green Bay then held off Detroit's second-half charge, which included four Jason Hanson FGs to get within two points, the last coming with 11:51 left. Backup QB Shaun Hill was 34-of-54 for 331 yards, with TE Brandon Pettigrew catching eight passes for 91 yards.
- ▶ After a Rodgers INT, his second of the game and the Packers' fourth turnover, the defense stopped Detroit on a drive that reached Green Bay territory and forced a punt. From there, the offense ran the final 6:32 off the clock, with RB John Kuhn carrying seven times for 34 yards.

LAST MEETING, IN DETROIT

Nov. 26, 2009, at Ford Field; Packers won, 34-12.

- ▶ The Packers overcame an early 7-0 deficit to win easily on Thanksgiving as Rodgers threw for 348 yards and three TDs.
- ▶ TE Donald Lee, WR Donald Driver and WR James Jones all caught TD passes as the Packers scored 27 unanswered points following a turnover on the opening kickoff that set up an early Detroit score.
- ▶ Woodson had two of the Packers' four INTs against Detroit QB Matthew Stafford, returning one 38 yards for a TD for the game's final points.
- ▶ Driver finished with seven receptions for 142 yards, his highest single-game yardage total since the 2007 Thanksgiving contest in Detroit, when he had 147.

PACKERS TEAM NOTES

NOT IN A GIVING MOOD

Last season the Packers set a franchise record with a league-low 16 giveaways, but this year's Green Bay team has accomplished something that even the record-setting one in 2009 could not.

- ▶ Over the past five games, Green Bay has turned the ball over just one time. That came at Atlanta in Week 12 when QB **Aaron Rodgers** fumbled at the goal line in the second quarter.
- ▶ According to the Elias Sports Bureau, it is the **first time in franchise history** that the Packers have turned the ball over just one time over a five-game span in a season.
- ▶ In Sunday's win over San Francisco, Rodgers did not throw an interception for the fifth straight game, his career high. The last Packers QB to not throw an interception in five straight starts in a season was Bart Starr in 1966.
- ▶ With his last interception coming at the end of the first half vs. Minnesota in Week 7, Rodgers has not thrown an INT in his last 177 passing attempts. That moves him into the No. 2 spot ahead of Brett Favre (163) and behind only Starr (294) for the franchise record. It is No. 2 among current NFL streaks behind Patriots QB Tom Brady (228).
- ▶ The performance against the 49ers was the Packers' fifth zero-turnover game this season, and Green Bay is 5-0 in those contests.
- ▶ They still have a lot of work to do if they want to match the 2009 team that registered eight zero-turnover games (6-2).
- ▶ If the Packers don't commit a turnover, they're almost guaranteed to win. They have now won 44 of 48 games (.917) playing turnover-free football since a loss at Dallas, Nov. 18, 1996. Green Bay's only losses in such games during that stretch came three times against Minnesota, twice in Minneapolis (2005, '08) and once at home (2009), and in Week 15 last year at Pittsburgh.
- ▶ Green Bay is 20-3 (.870) under Head Coach **Mike McCarthy** when it doesn't commit a turnover.
- ▶ Including playoffs, the Packers have won 46 of their last 50 games when they don't turn the ball over.

GETTING HOT AT THE RIGHT TIME

Through Week 13, QB **Aaron Rodgers** once again finds himself among the league leaders in several passing categories, but it has been his performance of late that has been especially notable.

- ▶ For the season, Rodgers ranks No. 5 with 3,243 yards, No. 4 with a 100.3 passer rating, tied for No. 5 with 23 TD passes, and No. 3 in passes of 25-plus yards with 32.
- ▶ Rodgers has put together the finest stretch of his career over the past four contests. Starting with the Week 9 game vs. Dallas, Rodgers leads the NFL with a 131.3 passer rating, completing 96-of-130 passes (73.8 percent) for 1,232 yards and 11 touchdowns with no interceptions in four games.
- ▶ He has posted a passer rating of 110-plus in each of the past four games. It is just the third time in franchise history a QB has done so, with Rodgers doing it in 2009 (Sept. 27-Oct. 25) and Bart Starr in 1966 (Sept. 18-Oct. 9). Rodgers is the only NFL QB to accomplish the feat this season.
- ▶ Rodgers is the **only NFL QB since the AFL-NFL merger in 1970** to post four straight games with a 110-plus rating in consecutive seasons.
- ▶ Rodgers' average of 308.0 yards per game since Week 9 ranks second only to Saints QB Drew Brees (325.0), and his 11 TDs rank No. 3 behind only Patriots QB Tom Brady (15) and Chiefs QB Matt Cassel (13). It is important to note that Brady and Cassel posted those numbers in five games to Rodgers' four (bye in Week 10).
- ▶ Rodgers leads all NFL quarterbacks with 15 completions of 25-plus yards over that span, including four in the win over San Francisco this past Sunday.
- ▶ Rodgers' TD passes of 57 yards to **Greg Jennings** and 61 yards to **Donald Driver** gave him two 55-yard TD passes in the same game for the first time in his career.
- ▶ That accomplishment is even more rare considering when it happened. According to Elias, Rodgers became only the second player (Brett Favre, vs. Ten., Dec. 20, 1998) to throw two TD passes of 50-plus yards in a game at Lambeau Field in December. There have been 59 regular-season games at Lambeau during the month of December.

TAKING HIS PLACE AMONG THE GAME'S BEST

With 35 passing attempts at Atlanta in Week 13, **Aaron Rodgers** surpassed the 1,500-attempt plateau for his career, the benchmark to qualify for career passer rating in the NFL.

- ▶ Rodgers has completed 987-of-1,535 passes (64.3 percent) in his career for 12,044 yards and 82 touchdowns with 30 interceptions for a 98.0 passer rating.
- ▶ That rating ranks **No. 1 in NFL history**, ahead of San Diego QB Philip Rivers, who has a 97.0 career rating.
- ▶ Four of the top five rated passers in NFL history are active quarterbacks. Rounding out the top five are Steve Young (96.8), Tony Romo (95.5) and Peyton Manning (94.8).
- ▶ Rodgers also ranks No. 1 in NFL history (min. 1,500 attempts) in interception percentage at 2.0, ahead of Neil O'Donnell (2.1) and Donovan McNabb (2.2).
- ▶ Rodgers threw four TD passes at Minnesota in Week 11, his regular-season career high. His passer rating of 141.3 (22-of-31, 301 yards), was the second-best single game mark in his career behind only his 155.4 rating at Cleveland on Oct. 25, 2009.
- ▶ Rodgers joins Eagles QB Michael Vick (at Washington, Nov. 15) and Patriots QB Tom Brady (at Detroit, Nov. 25, vs. N.Y. Jets, Dec. 6) as the only QBs to post a 140-plus passer rating, 300 yards passing and four passing TDs in a game this season.
- ▶ His performance vs. San Francisco in Week 13 was the ninth game in which he had three-or-more TD passes and no INTs. Only one other player in history have accumulated as many games of that type within three seasons of their first NFL start, Kurt Warner with nine from 1999-2001.
- ▶ Last season, Rodgers threw for 4,434 yards as he became the first QB in NFL history to throw for more than 4,000 yards in each of his first two seasons as a starter.
- ▶ Rodgers joined Steve Young (San Francisco, 1998) as the only quarterbacks in NFL history to throw for 4,000 yards and 30 TDs and rush for 300 yards and five TDs in the same season.

▶ In 44 career starts, Rodgers has eclipsed the century mark in passer rating 24 times and recorded 13 games of 300-plus yards. He posted his 20th career 100-plus passer rating game in just his 36th career start, which ranks third among NFL QBs since 1970 behind only Warner (33) and Romo (34).

- ▶ Rodgers threw 70 TD passes in his first 40 career starts, a Packers franchise record.
- ▶ Rodgers has started 44 straight games, which is tied for No. 5 among active NFL quarterbacks.
- ▶ Here is a look at where Rodgers ranks among NFL quarterbacks since he took over as the starter in 2008:

PACKERS TEAM NOTES

FEWER FLAGS ON THE FIELD

One area of emphasis for the Packers this season was reducing the number of penalties, and that focus has paid dividends.

- ▶ Through Week 13, Green Bay ranks tied for No. 9 in the league with 66 accepted penalties (5.5 per game), a pace that would make for a dramatic improvement from 2009. The Packers check in at No. 6 in penalty yardage with 521 yards, an average of 43.4 yards per game.
- ▶ If the Packers continue the penalty pace they are on, it would be their best mark since 2003, when they finished No. 3 in the NFL with 88 accepted penalties on the season.
- ▶ The Packers were the most-penalized team in the NFL last season with 118 (7.4 per game) while ranking second in penalty yardage with 1,057 (66.1 per game), the third straight year that they finished among the top five most-penalized teams.
- ▶ With just one penalty for 5 yards in Week 11 at Minnesota, it was the sixth game this season, and the fourth straight, that Green Bay had been called for three or fewer penalties in a game, the best single-season mark since six games in 1974.
- ▶ The eight penalties over those four games was the fewest by the Packers over a four-game span since they had eight from Nov. 19-Dec. 9, 1967.
- ▶ The performance at Minnesota was especially notable. The one penalty at the Metrodome was the fewest in 28 games at the stadium, and the last time a team posted just one penalty at Minnesota was San Diego on Nov. 28, 1999. The last time the Packers were only penalized once in a game came at Chicago on Dec. 23, 2007.
- ▶ The six games nearly match the number of combined games with three or fewer penalties in the first four seasons under Head Coach **Mike McCarthy**, and Green Bay didn't do it once last season. The Packers are 6-0 this season when they are penalized three or fewer times in a game.
- ▶ On Sunday against San Francisco, the Packers didn't commit a defensive penalty for the first time in a game this season.
- ▶ Green Bay recorded two games with three or fewer penalties in 2008, two in '07 to end the regular season, and three in '06.
- ▶ Since the Packers were flagged a franchise-record 18 times for 152 yards in the loss at Chicago in Week 3, they've committed just 40 penalties for 305 yards over their last nine games, an average of 4.4 penalties for 33.9 yards per game.
- ▶ The Packers got off to a good start this season with just two penalties at Philadelphia in Week 1, the fewest by Green Bay in an opening-day contest since Sept. 7, 1986, vs. Houston at Lambeau Field, when they were also called for two penalties.

MAKING THEM PAY WITH TAKEAWAYS

After tying for the league lead in points off of takeaways last season, the Packers are once again sitting atop the NFL rankings in 2010.

- ▶ Green Bay leads the NFL with 87 points off of takeaways, a point ahead of No. 2 Dallas. The Packers are tied for No. 6 in the NFL with a plus-8 turnover ratio, and have a plus-9 mark over the past five games. Starting with the second half of the Week 7 Minnesota contest, the Packers have a plus-12 margin over that span.
- ▶ Of the Packers' 22 takeaways this season, 12 of them have been converted into touchdowns. That 54.5 TD percentage ranks No. 2 in the NFL behind only Buffalo (9-16, 56.3), and Green Bay's 12 TDs off of takeaways lead the NFL.
- ▶ Green Bay has averaged 3.95 points off of takeaways this season, good for No. 5 in the league.
- ▶ The Packers are tied with three other teams for the No. 4 spot in interceptions (16), and the Packers are tied with Dallas, Tampa Bay, San

- ▶ Diego and New England for the NFL lead in INTs for TDs (three).
- ▶ With LB **Clay Matthews'** INT for a TD in Week 9 vs. Dallas, the Packers have now posted at least three INTs for TDs in each of the last three seasons. That is the first time in franchise history that Green Bay has accomplished that feat. The Packers have posted at least three INTs for TDs in four of five seasons under Head Coach **Mike McCarthy**.
- ▶ Scoring points off of turnovers has become a trend for the Packers at Lambeau Field. This past Sunday they didn't score a point off a takeaway, snapping a streak of 15 straight games at home with points scored that were set up by a turnover.
- ▶ The Packers have had 10 different players post an interception this season, which is tied with Atlanta for No. 1 in the NFL, and that number is the most by the Packers in a season since 11 in 2002.
- ▶ Green Bay posted 30 INTs and 10 fumble recoveries in 2009, which it turned into 141 points. The 40 takeaways led the NFL, and the 141 points scored off those takeaways tied New Orleans for most in the NFL.
- ▶ The 30 interceptions led the league and was the team's highest single-season total since 1981, when it also had 30.
- ▶ Last season Green Bay surpassed its 2008 total of 124 points off takeaways, which led the NFL. It also eclipsed its '08 total in interceptions (22) and fumble recoveries (six) while at the same time protecting the ball at a better clip. Green Bay's 16 giveaways was the lowest total in the NFL in 2009.
- ▶ During McCarthy's tenure, the Packers have a 35-6 (.854) record when they come out ahead in the game in turnover ratio, and a 6-18 (.250) record when they lose the takeaway battle. Under McCarthy, Green Bay is 19-3 (.864) when its turnover margin is plus-2 or better.
- ▶ The Packers rank tied for No. 2 in the NFL with a plus-43 turnover ratio since 2006 behind only San Diego (plus-44).

PRODUCTION APLENTY INSIDE THE 20

Green Bay has had one of the more efficient red-zone offenses in the league over the past two seasons, finishing in the top 10 in the NFL in 2008 and 2009.

- ▶ Through Week 13, the Packers have had another productive season in that area, scoring touchdowns on 24 of 39 trips inside the opponent's 20. That 61.5 percent touchdown rate ranks No. 5 in the NFL, and the 24 TDs rank No. 8.
- ▶ Green Bay's 192 points in the red zone this season (24 touchdowns, eight field goals) rank No. 10 in the league. Its average of 4.92 points per red-zone trip ranks No. 7 in the NFL.
- ▶ The Packers' production has come in fewer opportunities than 2009, as they rank tied for No. 13 in the league with the 39 red-zone possessions. That is behind their pace from last season, when Green Bay finished No. 6 in the league with 62 red-zone drives.
- ▶ The highest red-zone conversion mark under Head Coach **Mike McCarthy** came in 2008, when the Packers ranked No. 6 in the NFL with a 60.4 percent touchdown rate. The last time Green Bay finished in the top five in the category came in 2003, when the Packers finished No. 2 in the NFL with a 65.4 conversion rate.
- ▶ Some of Green Bay's success in the red zone has to be credited to the play of QB **Aaron Rodgers**, who has been one of the more efficient signal-callers in the league inside the 20 since taking over as the starter in 2008.
- ▶ In Week 7 against Minnesota, Rodgers threw a red-zone interception for the only time in his 44 career starts to date. Since 2008, he has registered a 107.4 rating on 126-of-204 passing (61.8 percent) for 797 yards and 51 touchdowns with one interception in the red zone.
- ▶ According to STATS, Rodgers has connected on 41-of-62 passes (66.1 percent) for 259 yards and 15 TDs with one INT in the red zone in 2010 for a 107.5 passer rating.

PACKERS TEAM NOTES

CLAY FINDS A WAY

Despite sitting out Green Bay's Week 6 matchup vs. Miami due to a hamstring injury, the first time he missed a game in his career, LB **Clay Matthews** ranks No. 2 in the NFL with 11.5 sacks this season behind Miami's Cameron Wake (12.0).

- ▶ Matthews was named to the Midseason All-Pro Teams of *Pro Football Weekly* and *Sports Illustrated*, and was selected by the *Dallas Morning News* as the Midseason Defensive Player of the Year in the NFL.
- ▶ With a sack of QB Jon Kitna in the second quarter in Week 9 against Dallas, Matthews became the first Packer since the stat became official in 1982 to register a double-digit sack total in each of his first two seasons in the NFL.
- ▶ Matthews also posted his first career interception in Week 9, and returned the pick 62 yards for a TD on his way to earning NFC Defensive Player of the Week honors for the third time in his career. It was the second TD of his career, and both of his scores have come in prime-time games. Matthews returned a fumble 42 yards for a TD last season in Week 4 at Minnesota on *Monday Night Football*.
- ▶ According to the Elias Sports Bureau, Matthews is the **first NFL player** since sacks became an official statistic in 1982 to register double-digit sacks and a defensive TD in each of his first two seasons in the NFL.
- ▶ With three sacks against the Buffalo Bills in Week 2, Matthews became the first Packer to post three sacks in back-to-back games since it became an official league statistic in 1982.
- ▶ The performance vs. Buffalo came a week after Matthews registered a career-high three sacks in the Packers' 27-20 season-opening victory at Philadelphia.
- ▶ Matthews was named NFC Defensive Player of the Week for Week 2, and he also won the award last season for his two-sack outing vs. Baltimore in Week 13 on *MNF*.
- ▶ Matthews' six sacks in the first two games of the season were the most ever by a Packer to start a year.
- ▶ His 33 sack yards vs. Buffalo were the most by a Packer since DE Reggie White's 35 on two sacks vs. Minnesota on Oct. 22, 1995. Matthews ranks No. 3 in the league with 68.5 sack yards on the season. Aaron Kampman (108 in 2006) holds the single-season franchise record for sack yardage.
- ▶ Matthews' six sacks over a two-game span rank second in team history behind only Bryce Paup, who recorded 6.5 sacks in Weeks 3-4 in 1991. Paup posted 4.5 sacks vs. Tampa Bay on Sept. 15, and then followed that up with two more the next week at Miami on Sept. 22.
- ▶ In 27 career games played, Matthews has posted two or more sacks in a game five times. All five of those two-sack games came in Matthews' first 18 games in a Packers uniform, breaking White's franchise mark of four in his first 18 games with Green Bay (1993-94).
- ▶ Matthews' 21.5 sacks since 2009 rank tied for No. 2 in the NFL behind only Minnesota DE Jared Allen (23).
- ▶ Matthews' 17 sacks in his first 20 games were the most ever by any NFL player to start a career. It topped the previous mark of 16.5 set by San Diego's Leslie O'Neal (1986, 1988) and the N.Y. Jets' John Abraham (2000-01).
- ▶ In 2009, Matthews set a Packers rookie record with 10 sacks on his way to earning Pro Bowl honors, the first Green Bay rookie to be named to the all-star game since Hall of Fame WR James Lofton in 1978.

UNDER PRESSURE

After recording six sacks in Week 1 at Philadelphia, the most by any NFL team on opening weekend, the Packers have followed that debut up with 29 more sacks in the next 11 games.

- ▶ Green Bay's 35 sacks as a team through Week 13 are tied for No. 3 in the NFL behind only Oakland and Pittsburgh (36 each). The Packers rank No. 5 in sack yardage with 229 and have had 12 different players record a sack this season.
- ▶ The only time Green Bay was shut out in the sack column this season

was in Week 6 against Miami, a game LB **Clay Matthews** missed due to injury. The Packers have failed to register a sack only two times in the past 20 regular-season games.

- ▶ The Packers' 21 sacks in the first five games this year were the most in a five-game span in Head Coach **Mike McCarthy's** five seasons.
- ▶ Green Bay recorded four sacks vs. San Francisco this past Sunday, the Packers' fifth game with four-plus sacks. That is the most by a Green Bay team since the 2006 team posted six four-sack games.
- ▶ Of the team's 35 sacks, 11.5 have come courtesy of Matthews, who ranks No. 2 in the NFL in that category. DE **Cullen Jenkins** ranks second on the team with a career-high seven sacks, including two against the 49ers this past Sunday, but he is not expected to play at Detroit this Sunday due to a calf injury.
- ▶ The Packers are ahead of their sack pace from last season, when Green Bay's 35th sack didn't come until Week 16 vs. Seattle.
- ▶ Green Bay recorded 37 sacks in 2009, which was tied for No. 11 in the league.

- ▶ The Packers' best league ranking in sacks was No. 3, a spot they held on three occasions (1965, 1966, 2001).

FIGHTING THROUGH ADVERSITY

Every team in the league has to battle injuries at some point, but the Packers had to deal with a season's worth of significant ones in just the first half of the season.

- ▶ From the season-opening depth chart, the Packers have lost six starters for the remainder of the season due to injuries, three on each side of the ball.
- ▶ RB **Ryan Grant**, coming off back-to-back 1,200-yard seasons, sustained a season-ending ankle injury in Week 1 at Philadelphia. TE **Jermichael Finley**, whose 301 yards receiving in the first four games was the best start ever to a season by a Green Bay tight end, was lost for the year after suffering a knee injury on the second play from scrimmage at Washington in Week 5. T **Mark Tauscher**, who sustained a shoulder injury in Week 4 vs. Detroit, was placed on injured reserve on Nov. 12.
- ▶ Rookie S **Morgan Burnett**, who became only the second Packers rookie safety to start a season opener since 1988, sustained a season-ending knee injury against Detroit in Week 4. In the same game, LB **Nick Barnett**, the No. 2 tackler in franchise history, suffered a wrist injury that brought an end to his season. LB **Brad Jones** saw his season come to an end after sustaining a shoulder injury in Week 7 vs. Minnesota.
- ▶ The Packers currently have 13 players on injured reserve, and eight of those players started at least one game this season. According to the Elias Sports Bureau, no other team in the league has more players on injured reserve that started a game in 2010.
- ▶ Here is a look at the starters and key reserves that have missed games due to injury and/or have been placed on injured reserve this season:

MIKE McCARTHY TRANSCRIPT

EXCERPTS FROM THE COACH – MONDAY, DEC. 6

OK, I'll start with the injuries. Korey Hall as a knee sprain. Korey will be challenged to be available this week. Cullen Jenkins with the calf strain. It was better than we probably anticipated, but I don't see Cullen being available this week. And Brett Swain had a knee contusion. I think he'll be ready to go this week. With that I'll take your questions.

► **(Are you concerned that Jenkins' injury could be a long-term one?)**

It may be a couple weeks. When you're dealing with a calf strain, just meeting with Dr. McKenzie, he feels better today than he did with the initial diagnosis last night, after going through the testing and so forth. But I don't see Cullen making it this week.

► **(That is a big loss with the way he has been playing after his cast came off?)**

Cullen's been playing very well. He's been fighting through a number of different things, obviously it started with the hand injury there in Philadelphia. He's been playing extremely well. We just have to get him healthy, get him back.

► **(Now that you have looked at the film, what did you think of James Starks' performance?)**

I thought James Starks played well. It was a great opportunity for the young man. Going into the game, really just anticipated probably giving him probably 8-10 carries. But I thought he played well. He graded out very well, not only in the run game, in pass protection. On the kickoff return, he did some good things. Just had the one miscommunication on the one short ball. But for a first time playing in a football game in two years, we're very pleased with his performance.

► **(Was that a byproduct of you being patient with him, and him getting those six weeks of practice time?)**

Definitely. I think it definitely helped him prepare for this first step. Anytime you have a situation like his where you're down for a long period of time from injury, you have to make sure that they're ready to play. It is difficult to put someone in the game you don't have much history with, particularly in a padded environment. I thought he did a very good job. Very pleased with his performance.

► **(Where are Starks and Jackson at on the depth chart now?)**

For the 1,200th time, there really are no depth charts. Brandon Jackson has done an excellent job and will continue to do so. I think I stated this yesterday after the game, I'd really like to get into more of a rotation now that I know I have three halfbacks. Dimitri Nance is someone that really hasn't had the opportunity that James had yesterday, and he's done a lot of positive things since he's been here on the practice field. You have to be careful when you rotate backs like that in the game because I think it was very apparent yesterday when 44 went into the game we were running the ball. That's something we have to obviously plan against as we move forward. I would like to have some type of rotation of all three of those backs, but Brandon is still our main guy. He's done it all year. As I've stated before, I don't think it's in our best interests with as much football as we have in front of us to sit there and run Brandon Jackson 25 times a game.

► **(Was it hard to be patient and wait for Starks?)**

I wouldn't say it was difficult. I think to a man, the players and coaches alike, everybody could see the talent from the day he arrived here back in the spring. He had an unusual hamstring injury that took a long time. The patience was worth the wait, but it's really what he does moving forward. He's a fine young man. Going the PUP route was the right move. We took enough time to get him ready to play in games, and he stepped up and responded. It's just like anything else in this world, when you have the opportunity you have to do something with it, and he got off to a good start.

► **(You were outstanding in short-yardage situations yesterday. Was that just improved play from the offensive line?)**

Clearly. It was clearly the execution. I thought the run-blocking unit played very well. I thought the backs did a good job all the way through. The backs' performance as a group was one of our better performances of the year as far as ball security, the reads in the run game, and I thought we did a real nice job particularly in the short-yardage area.

► **(Do you expect Wilson to get more time with Jenkins out?)**

We'll see. We'll see what the week presents itself, and really the Detroit

Lions will have something to say about that and how we prepare for them. Jarius Wynn has actually done a very good job here in the last month. Jarius and C.J. have been pretty much neck and neck each week to get to the 45.

► **(Have you ever been around a quarterback who has gone five games without being intercepted?)**

Probably not. I'd have to think back, but Aaron's playing at a very high level. He's doing an excellent job with his reads and his decision, ball-placement. I thought the big throw to Greg Jennings, that type of throw, to make that throw with the confidence that he did, I think that's kind of a signature throw in his arsenal right now. Aaron's playing at a very high level.

► **(Do you kind of hold your breath when Rodgers runs the ball or are you OK with his decision-making there?)**

I don't hold my breath. That's part of the way he is trained. That's part of the way he utilizes his athletic ability. I think he has been very smart with his scrambling. The one big third down where they played two-man, he recognized it right away and took off. That's something in that particular situation, they played a lot of two-man and different combinations of it. So he is not out there to run the football, but I think he has been selective and smart with it.

► **(I know you don't want to talk about playoffs, but how happy are you with the way you are playing?)**

We're getting better, and that will really be the message as we get moving forward here to Detroit. We need to make sure that our house is clean and we are improving on the little things that came out of this last game. We had some things there in the first quarter that we need to clean up. We wasted a number of timeouts on offense and things like that, but we're doing a lot of things very consistent. I think it was the first time this year we didn't have a penalty on defense. We have only had one penalty on defense a number of times. There is a lot of statistical evidence supporting the emphasis in the areas of discipline. Tackling was a major emphasis this week. We have been really on them hard about the ball security. Jeff can give you the statistic; I think we broke another record as far as ball security over the last five weeks. You get what you emphasize, and when they are applying it to the Sunday afternoon performance, that is what you are looking for. We still feel we have better football in front of us, and that's what we're striving for.

► **(You talked about Matthews managing his shin injury, but he only has one sack in the past three games. Have you seen him favoring that at all?)**

Not really. I think Clay has really opened up a lot of opportunities for our other individuals on our defense. He is playing winning football, and he played winning football yesterday as far as our grading system. It doesn't help players when they don't practice. I think that's obvious, and it's not the physical as much as the mental. It's a challenge, and he's a young player. I think we tend to forget how young he really is. But I think he is managing it very well and he is still being very productive, and he was productive yesterday.

► **(What do you think of Zombo now that he has settled into a starting role?)**

Frank is improving. I thought he played very well yesterday. He had a very high grade and very consistent. He has done a very nice job. Just the path that he has come and we have talked about that in here before; I can't say enough about these rookie free agents that have made our football team and the opportunity that they have taken advantage of. He is getting better, he is improving. He is a lot more consistent, which is what you would expect at this time of year than he was at the beginning of the year. Frank is doing a heck of a job.

► **(How much more attention is Matthews getting from opposing offenses and is he a guy that is targeted?)**

Absolutely. It's no different than what every offense goes through every week and we'll do the same this week. There will be jerseys of key players on the defense that you need to be aware of. I'm sure when our opponents practice and prepare for our blitzes and our different things that they have a Clay Matthews jersey on somebody. I am sure their protection unit is aware of where he is lined up because we do obviously play him on both sides and he is involved in a number of inside pressures. I am sure they are very aware of where he is at every snap.

PACKERS TEAM NOTES

PROTECTION THE KEY

Green Bay's offensive line didn't allow a single sack of QB **Aaron Rodgers** against Minnesota in Week 7, the third time this year that the sixth-year QB was not sacked in a game.

- ▶ Prior to Rodgers being sacked in the second quarter vs. Detroit in Week 4, the offensive line had not allowed a sack in 11 straight quarters, the longest streak for the team since 2007.
- ▶ Over the past 15 regular-season games, Rodgers has been sacked either once or not at all in eight of those contests, including the Week 12 contest at Atlanta when the line allowed just one sack.
- ▶ In his three years as the starting quarterback, there have been 16 games where the line has given up either one sack or no sacks of Rodgers. The Packers have a 12-4 (.750) mark in those contests.
- ▶ The effect that protection has is evident in Rodgers' numbers in those games, as he has completed 372-of-530 passes (70.2 percent) for 4,390 yards and 32 TDs with just seven INTs for a 109.7 passer rating.
- ▶ The Packers have allowed 25 sacks this season (tied for No. 16 in the NFL), much improved from 2009 when they gave up 50 sacks of Rodgers on the season, 41 in the first nine contests.
- ▶ When Rodgers has been sacked four or more times in a game during his career, the Packers are 5-9 (.357).
- ▶ Injuries and performance issues affected the offensive line in the first half of 2009. Once the line regained some continuity down the stretch, it allowed just 10 sacks of Rodgers over the final seven games.
- ▶ Green Bay has had stability along the line in 2010, with four linemen, LT **Chad Clifton**, LG **Daryn Colledge**, C **Scott Wells**, and RG **Josh Sitton** starting every game, and rookie RT **Bryan Bulaga** opening the last eight at RT with veteran **Mark Tauscher** sidelined due to injury. Tauscher was placed on injured reserve (shoulder) on Nov. 12.

WORKING THEIR WAY BACK UP

Green Bay's offense hasn't enjoyed quite the same level of success as it did last season on third down but has significantly improved its play in that area of late.

- ▶ Entering the Week 9 contest vs. Dallas ranked No. 26 in the league with a 35.1 conversion rate on third down this season, the offense was successful on 10-of-15 third-down opportunities against the Cowboys, including 7-of-8 in the first half.
- ▶ That percentage of 66.7 was the best single-game performance by a Green Bay offense since the Packers were successful on 71.4 percent of their third-down opportunities (10-of-14) vs. Cleveland on Sept. 18, 2005.
- ▶ The Packers followed that up with an 8-of-15 outing (53.3 percent) on third down in Week 11 at Minnesota, the first time this season Green Bay topped the 50-percent conversion mark in two straight games.
- ▶ After a 4-of-12 performance in the Week 12 loss at Atlanta, the Packers bounced back with a 9-of-15 outing (60.0 percent) in the win over San Francisco this past Sunday.
- ▶ The Packers have moved up 20 spots in the league rankings since Week 9, currently checking in at No. 6 with a 42.7 conversion rate. Green Bay is 31-of-56 (55.4 percent) on third down over the past four games.
- ▶ The Packers were one of the best teams in the league on third down in 2009, as they converted at a 47.0 percent clip. That led the NFC and ranked No. 3 in the NFL.
- ▶ QB **Aaron Rodgers'** play on third down in 2009 was a big factor in Green Bay's success as he ranked No. 1 in the NFL in passer rating on third down at 133.5. No other quarterback in the league threw for as many yards (1,710) or touchdowns (14) on third down as Rodgers, and his passer rating was the best in the NFL since Kurt Warner's 137.3 rating in 1999 with St. Louis.

SPREADING IT AROUND

With back-to-back 1,200-yard rusher **Ryan Grant** lost for the season after sustaining an ankle injury in Week 1 at Philadelphia, the Packers have turned to several backs to help carry the load for the offense.

- ▶ **Brandon Jackson**, who excelled in his role as a third-down back in 2009, leads the team with a career-high 527 rushing yards on 136 carries this season (3.9 avg.). He also has posted a career-high 831 yards from scrimmage.
- ▶ Jackson recorded a career-high 115 yards on 10 carries (11.5 avg.) at Washington in Week 5, highlighted by a career-long 71-yard run on his first carry of the game.
- ▶ Jackson registered one of the finest all-around performances of his career vs. Minnesota in Week 7, recording 104 yards from scrimmage (58 rushing, 46 receiving). His 36-yard pickup on a first-quarter screen pass was his career-long reception.

- ▶ Jackson also has 36 receptions for 304 yards (8.4 avg.) this season, career highs in both categories, including a career-best 37-yard pickup on a screen this past Sunday against the 49ers.
- ▶ Jackson is the first Packers RB since Ahman Green in 2006 to register 500 rushing yards and 300 receiving yards in the same season.
- ▶ Against Dallas in Week 9, Jackson posted a rushing TD and a receiving TD, only the second time in his career that he scored on both in a game (vs. Seattle, Dec. 27, 2009).
- ▶ The Packers rushed for 157 yards as a team at Washington in Week 5 on just 17 carries (9.2 avg.). It was the first time in team history that the Packers rushed for 150 yards in a regular-season game on fewer than 20 carries.
- ▶ The Packers' rushing average of 9.2 yards per carry against the Redskins was the best single-game performance (min. 15 attempts) in a regular-season game in team history.
- ▶ **John Kuhn**, primarily at fullback during his first three seasons in Green Bay, has been given more opportunities to carry the ball at RB. Against Detroit in Week 4, Kuhn posted 34 of his 39 rushing yards on the final series, as the Packers ran out the final 6:32 in the 28-26 win. He has 175 rushing yards on 49 carries (3.6 avg.) this season.
- ▶ Kuhn recorded career highs in both carries (13) and rushing yards (50) against the Cowboys, highlighted by a 17-yard run in the second quarter to convert a third down.
- ▶ Rookie RB **Dimitri Nance** saw the most significant action of his career at Minnesota in Week 11, posting 37 yards on 12 carries (3.1 avg.).
- ▶ Fellow rookie RB **James Starks** made his NFL debut this past Sunday, registering 73 yards on 18 carries (4.1 avg.) vs. San Francisco.
- ▶ The Packers have posted 34 runs of 10-plus yards this season, which is tied for No. 15 in the league. Last season Green Bay finished No. 23 in the NFL with 42 runs of 10 yards or more.

PACKERS TEAM NOTES

ON THE ROAD AGAIN

Green Bay finished 5-3 on the road in 2009, the third time in four seasons it had finished above .500 under Head Coach **Mike McCarthy**.

- ▶ The Packers have been able to stay above the .500 mark on the road during McCarthy's tenure, a notable achievement in the National Football League.
- ▶ Green Bay got off to a good start this year with a win at Philadelphia in the season opener. It was the fifth straight season under McCarthy that the Packers have won their first road game of the year. The Packers are 3-3 away from Lambeau Field this season, with their next two contests coming on the road.
- ▶ Since 2006, McCarthy's first season as the head coach in Green Bay, only 12 of 32 NFL teams have regular-season road records over .500.

291 AND COUNTING

Another packed house at Lambeau Field against the 49ers in Week 13 brought the stadium's consecutive sellouts streak to 291 games (275 regular season, 16 playoffs).

- ▶ The Week 7 crowd of 71,107 vs. Minnesota was the third-largest regular-season crowd in Lambeau Field history.
- ▶ The league's longest-tenured stadium, Lambeau Field is hosting its 54th season of football this year. A total of 565,666 fans made their way through the turnstiles in the eight home contests in 2009.
- ▶ Across American professional sports, only Boston's Fenway Park (1912) and Chicago's Wrigley Field (1914) have longer tenures.

THE LAMBEAU ADVANTAGE

The crown jewel of the National Football League, Lambeau Field has long been known as one of the tougher venues to play in, particularly during the harsh Wisconsin winter.

- ▶ Re-establishing home-field advantage after a 4-4 mark in 2008 was one of the goals of 2009, and with the Packers finishing 6-2 at home, they accomplished that goal.
- ▶ Head Coach **Mike McCarthy** stated consistently upon his arrival in Green Bay that one of the team's goals would be to reclaim the mystique of playing at Lambeau Field. Mission accomplished. The team is 24-8 (.750) since 2007, the best regular-season home mark in the NFC over that span.
- ▶ Since **Ron Wolf** and **Mike Holmgren** began the revitalization of the franchise in 1992, Green Bay owns the best home record in the NFL. A look at the top regular-season home W-L records since the '92 season:

HOME COOKING

The Packers' win over Dallas at Lambeau last November was the first step to a 7-1 finish and a playoff berth for Green Bay.

- ▶ Since that Week 10 victory over the Cowboys, the Packers have been one of the best teams in the league at home. Green Bay's lone defeat over that span came to Miami this season in Week 6 when the Packers fell to the Dolphins in overtime.

IN THE FREE-AGENCY ERA

Talk of unrestricted free agency in the early '90s led many to forecast tough times for the small-town Green Bay Packers.

- ▶ However, Green Bay has remained among the most successful teams since the advent of free agency in 1993. The Packers have won 10 or more games 10 times since '93 and captured seven division crowns.
- ▶ A look at the most successful teams in the free-agency era:

PACKERS TEAM NOTES

JENNINGS FLASHES HOT HANDS

- After getting off to a slower start this season, **Greg Jennings** has been one of the most productive receivers in the NFL over the past seven games.
- ▶ Since he posted 14 receptions for 183 yards (13.0 avg.) and three TDs in the opening five contests, Jennings leads the NFL with 761 yards on 43 receptions (17.7 avg.) since Week 6.
 - ▶ Starting with the game against the Dolphins, Jennings has averaged 108.7 yards per game, **No. 1 in the NFL** over that span. No other wide receiver in the league has averaged 100 yards a game during that time frame.
 - ▶ Jennings ranks No. 3 in the NFL with 11 TD receptions, just one shy of his career high (12 in 2007).
 - ▶ Jennings registered a career-high three TD receptions in Green Bay's 31-3 win at Minnesota in Week 11, becoming the first Packer since WR Javon Walker (Sept. 26, 2004) to record three TD catches in a game.
 - ▶ He caught seven passes for 152 yards in the game, with the yardage total the second-best single-game mark of his five-year career behind only a 167-yard outing at Detroit on Sept. 14, 2008. The performance in Week 11 earned him NFC Offensive Player of the Week honors for the first time in his career.
 - ▶ Jennings became just the third Packer in team history to post seven catches/150 yards receiving/three receiving TDs in the same game, joining Walker (Sept. 26, 2004) and WR Antonio Freeman (Dec. 20, 1998).
 - ▶ He is one of only two NFL players this season (Tennessee's Kenny Britt, Oct. 24) to post seven catches/150 receiving yards/three TD catches in a game.
 - ▶ The Minnesota game in Week 11 was Jennings' fifth straight with six or more receptions as he became the first Packer since WR Sterling Sharpe in 1993 to post six or more catches in five straight games.
 - ▶ It is the third time in Jennings' five-year career that he has recorded nine or more TD catches (12 in 2007, nine in 2008) in a season. He joins Freeman, Sharpe and Don Hutson as the only Packers to have three nine-TD catch seasons.
 - ▶ Jennings' 86-yard score against Miami in Week 6 marked a career long for both him and QB **Aaron Rodgers**, and it was the longest reception by a Green Bay player since WR Robert Brooks hauled in a 99-yard TD from QB Brett Favre at Chicago on Sept. 11, 1995, on *Monday Night Football*. WR **Donald Driver** had a 90-yard TD grab in the 2007 NFC Championship Game on Jan. 20, 2008.
 - ▶ Jennings' 86-yard reception is the sixth-longest play from scrimmage in the NFL this season and the longest by a Packer since RB Ahman Green's 90-yard TD run vs. Dallas on Oct. 24, 2004.
 - ▶ It was the fourth 80-yard reception of Jennings' career, moving him into the No. 1 spot in the franchise record books ahead of teammate **Donald Driver** (3). Jennings and Buffalo WR Lee Evans are tied for the NFL lead in 80-yard catches in a career among active NFL players.
 - ▶ Among NFL players with 40-plus receptions this season, Jennings ranks No. 4 in the NFL in receiving average at 16.6 yards per catch.
 - ▶ When it comes to scoring passes, Jennings has an eye-popping average during his career. Of his 39 career touchdown catches, 16 (41.0 percent) have been at least 40 yards in length. He has a staggering average of 32.3 yards per TD catch, which ranks No. 2 among current players with at least 20 career touchdown catches.

TRAMON'S TALENTS

- CB **Tramon Williams** etched his name into the team's record books with a pair of big plays in Week 5 at Washington, and he has delivered impactful performances throughout the season.
- ▶ With a 52-yard punt return in the second quarter and a 64-yard interception return in the fourth quarter, Williams became the first player in franchise history to post a 50-yard punt return and a 60-yard interception return in the same game.
 - ▶ Showing just how rare the feat is, no player in team annals has ever posted both of those returns in the same season.
 - ▶ Williams became just the third NFL player since the AFL-NFL merger in 1970 to accomplish the feat in a game, joining Dallas' Deion Sanders (Sept. 21, 1998) and the late Darrent Williams of the Denver Broncos (Nov. 13, 2005).
 - ▶ Explosive plays are nothing new to the fourth-year CB who went undrafted out of Louisiana Tech in 2006. Williams recorded a 94-yard punt return for a score vs. Carolina on Nov. 18, 2007, as well as a 67-yard kickoff return vs. Chicago that season (Oct. 7). Last season, he posted his career-long INT return with a 67-yarder vs. Chicago (Sept. 13).
 - ▶ Williams is only the third NFL player whose career began since the 1970 merger to post a 90-yard punt return and interception and kickoff returns of 65 yards in a career, joining Adam Jones and Lemar Parrish.
 - ▶ Williams leads the team with four interceptions this season, with all of them coming in the past eight games. He posted a key second-quarter INT of Vikings QB Brett Favre in Week 11 and leads the team with 17 passes defensed.
 - ▶ Williams has now posted four or more interceptions in each of the past three seasons. He is the only undrafted player in the NFL to accomplish that feat each of the last three seasons (2008-10).
 - ▶ At the N.Y. Jets in Week 8, Williams recorded an interception, a forced fumble and a fumble recovery, the first time in his career he posted all three in the same game. It was the second straight season a Green Bay CB had accomplished that feat, with **Charles Woodson** registering all three last season at Detroit in Week 12.
 - ▶ Williams was selected to the Midseason All-Pro team by the *Dallas Morning News'* Rick Gosselin.

PACKERS TEAM NOTES

THE INTERCEPTORS

Leading the way when it comes to takeaways the past few seasons for Green Bay has been the defensive-back tandem of CB **Charles Woodson** and S **Nick Collins**.

- ▶ Woodson ranks No. 2 among all NFL players since 2008 with 18 interceptions behind only Eagles CB Asante Samuel (20), with Collins tied for the No. 4 position with 15 over that span.
- ▶ Collins ranks No. 2 among all NFL players (Baltimore S Ed Reed, 458) with 415 interception return yards since '08, and Woodson inched closer with his 48-yard INT return for a TD vs. Detroit in Week 4. He sits in the No. 3 spot in the league, checking in with 396 INT return yards over the past three seasons.
- ▶ Collins has some work to do if he hopes to keep up with Woodson's pace of return TDs. Woodson leads the league since 2008 with six INT returns for touchdowns, with Collins tied for the No. 3 spot with three scores.
- ▶ The Packers rank tied for No. 4 in the NFL with four other teams with 16 interceptions this season. Green Bay is tied for No. 6 in the league with five INT returns of 20-plus yards.
- ▶ Woodson and Collins have helped put the Packers at the top of the leaderboard in all three interception categories since 2008:

<u>Team</u>	<u>Interceptions</u>
1. Green Bay	68
2. Philadelphia	60
3. Baltimore, Tampa Bay	58

YOUTH IS SERVED

Whenever injuries occur, it is a chance for other players on the roster to show what they are capable of in an expanded role. For Green Bay this season, many of those opportunities have gone to younger players.

- ▶ Six Green Bay rookies have started a game in 2010, which is tied for third most in the league this season behind only Tampa Bay (eight) and Kansas City (seven). The last time the Packers had that many rookies start at least one game in a season came in 2007 (also six).
- ▶ T **Bryan Bulaga**, the team's first-round pick out of Iowa who worked at LT and LG all preseason, has started each of the past eight games at RT in place of injured veteran **Mark Tauscher**, who was placed on IR.
- ▶ LB **Frank Zombo**, a non-drafted free agent from Central Michigan, has played in every game with seven starts. He leads all Green Bay rookies with 61 tackles (42 solo) and a forced fumble. His four sacks rank tied for No. 3 among NFL rookies.
- ▶ TE **Andrew Quarless** started his first career game vs. Detroit in Week 4 and has factored more prominently in the offense with starting TE **Jermichael Finley** (knee) lost for the season. Quarless posted 51 yards receiving at Washington in Week 5 to become the first Packers rookie TE to register a 50-yard game since Bubba Franks in 2000. Quarless scored his first NFL TD on a 9-yard reception in the Week 7 win vs. Minnesota. He has 143 receiving yards on 12 catches this season.
- ▶ DE **C.J. Wilson**, a seventh-round selection from East Carolina, started for the first time in his career in Week 6 vs. Miami in place of an injured **Ryan Pickett**, and posted four tackles. He has seen more significant time over the past seven games, recording 20 tackles (12 solo) on the season. Wilson registered his first career sack in Week 9 against Dallas, bringing down QB Jon Kitna on the final play of the game.

- ▶ S **Morgan Burnett**, a third-round pick out of Georgia Tech, became only the second Packers rookie safety to start on opening day since 1988. He opened the first four games, posting 15 tackles and an interception, before sustaining a season-ending knee injury in Week 4.
- ▶ Burnett was joined in the starting lineup in Week 1 by nickel CB **Sam Shields**, a non-drafted rookie out of Miami. It was the first time since the 1970 merger that the Packers started two rookie DBs on opening day. Shields has 16 tackles, six passes defended and an interception in 10 games played with four starts as the Packers' nickel corner.

STILL GETTING THE JOB DONE

In 2009, CB **Charles Woodson** enjoyed the finest season of his career, his first year in the 3-4 scheme, and has continued his impactful ways in 2010.

- ▶ Woodson ranks tied for second on the team with two interceptions this season and has been productive again in tackles as he ranks No. 3 on the team with 80 stops (63 solo), just one stop shy of his career-high 81 tackles posted in 2009.
- ▶ Woodson leads the Packers with four forced fumbles this season, his second straight season with four. He is the only defensive back in the NFL to register four forced fumbles each of the past two seasons.
- ▶ Woodson is the only Packers defensive back since 1994 to record four forced fumbles in a season, and he has done it twice.
- ▶ Woodson achieved the highest individual honor bestowed upon a defensive player, taking home *The Associated Press* Defensive Player of the Year award last season. He also was named an AP first-team All-Pro.
- ▶ His 48-yard interception return for a touchdown in the third quarter against Detroit this season in Week 4 was his eighth career with the Packers, which set a franchise record. He had been tied with Hall of Fame CB Herb Adderley (seven, 1961-69) for the team mark.
- ▶ It was also Woodson's ninth defensive TD (eight INTs, one fumble return) in a Green Bay uniform, which further extended his franchise record.
- ▶ The touchdown gave Woodson 10 interception returns for touchdowns in his career (two with Oakland), which moved him up in the NFL record books as he became just the third player in league history to post 10 career interception returns for touchdowns. He now trails only Rod Woodson (12) and Darren Sharper (11).
- ▶ Woodson has returned an INT for a touchdown in five straight seasons, all five of his years in Green Bay (2006-10), becoming the first player in NFL history to do so in five consecutive seasons.
- ▶ The score in Week 4 was also the third straight year that Woodson has returned an INT for a TD against Detroit. He is the first player in NFL history to return an interception for a TD in three consecutive seasons against the same team.
- ▶ In 2009, Woodson became the fourth player in NFL history since sacks became an official statistic to record at least nine interceptions and two sacks in a single season. Woodson also led the Packers with four forced fumbles.
- ▶ His four forced fumbles ranked tied for second among NFL defensive backs in 2009, and his six sacks since 2008 rank tied for No. 2 among NFL defensive backs.
- ▶ There's no doubt Woodson's career has undergone a revitalization since coming to Green Bay. He now has 47 career interceptions, which is tied for third among active NFL players. Of his interceptions, 30 have come in 73 games with Green Bay. In 106 games with the Raiders, he had 17.
- ▶ A look at where Woodson ranks among NFL players in interceptions since 2008:

PACKERS TEAM NOTES

BISHOP AND HAWK MAKING PRESENCE FELT

With injuries to MLB **Nick Barnett** and nickel LB **Brandon Chillar**, BLB **A.J. Hawk** and MLB **Desmond Bishop** have stepped into the role of every-down linebackers, and the tandem has taken advantage of the opportunities.

- ▶ Hawk leads the team with 99 tackles (71 solo) through 12 games, including a season-high 16 stops in Week 6 vs. Miami and a team-high 13 tackles in Week 7 against Minnesota.
- ▶ The 29 tackles in those two games rank second in Hawk's career for the most tackles over a two-game span, trailing only a combined 33 tackles during his rookie campaign of 2006 (Nov. 27-Dec. 3).
- ▶ Hawk is also tied for second on the team with two interceptions, which matches his career high set in 2006 and 2009. With the two INTs, Hawk ranks tied for No. 2 among NFL linebackers in that category this season.
- ▶ He is the only linebacker in the league to intercept two passes in each of the past two seasons, and Hawk's four interceptions since Week 13 of 2009 lead all NFL linebackers over that span.
- ▶ Hawk has been one of the most reliable Packers defenders since coming to Green Bay in the 2006 NFL Draft. He hasn't missed a game in his career, playing in all 76 contests with 73 starts. The only non-starts came in both Minnesota games in 2009 and the 2010 opener at Philadelphia when the team opened in nickel.
- ▶ Prior to this season, most of Bishop's playing time came on special teams, a role he excelled in from 2007-09 as he led the team over that span with 49 tackles.
- ▶ Ever since Barnett went down with a season-ending wrist injury in Week 4 vs. Detroit, Bishop has moved into the starting lineup and made his presence felt.
- ▶ In eight starts, Bishop has registered 84 tackles, more than triple his best season total of 27 tackles in 2008. His 85 tackles on the season (57 solo) rank No. 2 on the team, and he leads Green Bay's LBs with a career-best six passes defended. Bishop has also posted a career-high two sacks.
- ▶ In the Week 7 win vs. Minnesota, Bishop made one of the game's key plays when he picked off QB Brett Favre in the third quarter and returned the interception 32 yards for a touchdown. It was the first INT and TD of the fourth-year linebacker's career, and the first INT return for a TD by a Packers LB since Barnett posted a 95-yarder vs. New Orleans on Oct. 9, 2005.
- ▶ With Hawk adding an INT of his own against the Vikings, the duo became the first Packers LB tandem to each post an INT in the same game since Barnett and **Brady Poppinga** posted picks at Miami on Oct. 22, 2006.

SOLID DEBUT FOR STARKS

After not playing in a game in nearly two years due to injuries, rookie RB **James Starks** made the most of his first opportunity this past Sunday vs. San Francisco.

- ▶ Starks carried the ball 18 times for 73 yards (4.1 avg.) in his pro debut, including 35 yards on nine attempts on a fourth-quarter drive that ate up more than eight and a half minutes. The 18 carries matched the single-game high this season for a Packers RB (Brandon Jackson, Week 1).
- ▶ Starks' 73 rushing yards were the most by a rookie Packers RB in his first game since Ralph Earhart posted 78 yards in his debut at Boston on Sept. 17, 1948.
- ▶ The 23-year-old Starks was drafted in the sixth round this past spring out of the University at Buffalo, but he spent the opening nine games of the season on the physically unable to perform list due to a hamstring injury suffered at the start of training camp.
- ▶ Starks also was sidelined for his entire senior season at Buffalo due to a shoulder injury but still ranks No. 1 in school history in career rushing yards (3,140) and rushing TDs (34).
- ▶ Prior to his NFL debut on Sunday, Starks' last game action came vs. Connecticut on Jan. 3, 2009, in the International Bowl in Toronto.

BALANCED PASSING ATTACK FOR PACK

The Packers pride themselves on having one of the deeper wide-receiver corps in the NFL, and that has been on display again this season.

- ▶ With WRs **Donald Driver** and **Jordy Nelson** each posting their respective 35th catches of the season in Sunday's win over San Francisco, the Packers now have four wide receivers (**Greg Jennings** and **James Jones**) with 35-plus catches on the season.
- ▶ It is the **first time in franchise history** that the Packers have boasted four wide receivers with 35 catches each in the same season.
- ▶ Jennings, Jones and Nelson each posted five receptions against the Falcons in Week 12, the first time three Packers WRs each registered five receptions in the same game since Driver, Jones and Jennings did so at Detroit on Nov. 22, 2007.
- ▶ With Jennings (119), Nelson (61), Jones (44) and No. 5 wideout **Brett Swain** (40) all hitting the 40-yard mark at Atlanta, it was the first time since 2004 that the Packers had four 40-yard receivers in a game.

Driver was a part of that foursome, joining Antonio Chatman, Robert Ferguson and Javon Walker in the game against Jacksonville on Dec. 19, 2004.

Jennings leads the team with 57 receptions with Driver checking in at No. 2 with 38 catches. Jones (37) and Nelson (36) aren't far behind, with a fifth player, RB **Brandon Jackson** (36), also hitting the 35-catch mark.

The last time the Packers had five players, regardless of position, with at least 35 catches in one season was 1997 (receivers Antonio Freeman and Robert Brooks, running backs Dorsey Levens and William Henderson, and tight end Mark Chmura).

CLIFFY GETS TO 150

When T **Chad Clifton** lined up as the starting left tackle in Week 7 vs. Minnesota, he became just the 19th player in Packers history to appear in 150 career games in a Green Bay uniform.

- ▶ Clifton is only the sixth offensive lineman in franchise annals to hit the 150-game mark, joining Forrest Gregg (187), Larry McCarren (162), Ron Hallstrom (162), Ken Ruettggers (156) and Frank Winters (156). By appearing in the game at Detroit this Sunday, Clifton will move into a tie with Ruettggers and Winters for the No. 4 spot.
- ▶ Against the division-rival Vikings in Week 7, Clifton posted one of his finer performances in recent memory, limiting Pro Bowl DE Jared Allen to just one tackle and no sacks.
- ▶ In Week 9, Clifton was matched up for much of the evening with Pro Bowl LB DeMarcus Ware, who came into the game tied for No. 2 in the league with eight sacks. Clifton limited him to just two tackles and no sacks as the line allowed just one sack of Rodgers on the night.

COOL UNDER FIRE

QB **Aaron Rodgers** was one of the most effective passers in the league in 2009 against the blitz, and that strong play has continued this season.

- ▶ According to STATS, Rodgers ranks No. 2 in the league this season (min. 100 attempts) with a 106.3 passer rating against the blitz, completing 87-of-129 attempts (67.4 percent) for 1,165 yards and nine touchdowns with four interceptions. That rating is second only to Chiefs QB Matt Cassel (111.7).
- ▶ Last season, Rodgers also ranked No. 2 in the NFL with a 112.7 rating, just a shade below Saints QB Drew Brees' 112.9 mark. Rodgers threw for 1,699 yards and 11 TDs with three INTs on 125-of-180 passing (69.4 percent).
- ▶ Over the past two seasons, Rodgers ranks No. 1 in the league (min. 200 attempts) with a 110.0 passer rating vs. the blitz.
- ▶ That is a marked improvement over Rodgers' numbers as a first-year starter in 2008 when he posted an 85.0 rating against the blitz.

PACKERS TEAM NOTES

TIGHTENING UP

Green Bay's defense has been at its best this season when it has been placed in adverse situations and forced to respond.

- ▶ The Packers have turned the ball over 14 times in the first 12 games, but the defense has shown significant improvement from last season in not allowing those giveaways to be converted into touchdowns.
- ▶ Opponents have scored just 25 points (six field goals, one TD) following the 14 takeaways this season, an average of 1.79 points per giveaway. That average ranks No. 5 in the NFL. The Packers had not given up a touchdown all season until the Falcons got into the end zone following QB **Aaron Rodgers'** fumble in Week 12 at Atlanta.
- ▶ Although the Packers led the league in 2009 with 16 giveaways, a franchise record for fewest in a season, opponents were able to convert those turnovers into 70 points. That average of 4.38 points allowed per giveaway was the highest in the NFL.
- ▶ Another aspect of the defense that the Packers have made strides in this season is limiting opponents when they get inside the 20-yard line, an area of emphasis this offseason after some struggles last season.
- ▶ In 2009, the Packers ranked No. 28 in the league in red-zone defense, allowing opponents to score touchdowns on 60.9 percent of trips inside the 20. Green Bay gave up an average of 4.72 points per red-zone trip by its opponents, which ranked No. 21 in the league.
- ▶ Through Week 13, the Packers rank No. 9 in the NFL in red-zone defense, allowing their opponents to get into the end zone 46.2 percent of the time (12 TDs on 26 opportunities). Green Bay's opponents have come away with a TD or a field goal 84.6 percent of the time, which ranks No. 16 in the NFL. The Packers are giving up an average of 4.38 points per opponent red-zone trip, which ranks No. 9 in the NFL.
- ▶ The best red-zone performance by the defense during Head Coach **Mike McCarthy's** tenure came in 2007, when the Packers ranked No. 8 in the league by allowing opponents to score a TD on 48.8 percent of trips inside the 20.

MAKING PLAYS ANOTHER WAY

While QB **Aaron Rodgers** has continued to rank among the league's top passers again this season, another aspect of his game has been on display this season.

- ▶ Rodgers ranks No. 3 among NFL QBs this season with 284 rushing yards on 53 attempts (5.4 avg.). He is tied for No. 2 among QBs in both rushing TDs (four) and 10-yard runs (13).
- ▶ His 51 rushing yards on 12 carries against the Falcons in Week 12 was just a yard shy of his career high, a 52-yard outing vs. Minnesota last season (Nov. 1, 2009). He is one of only five quarterbacks to post 50 rushing yards in a game this season.
- ▶ Rodgers posted his fourth rushing TD of the season at Atlanta in Week 12, making him just the second QB in franchise annals to record four-plus rushing TDs in three straight seasons (Tobin Rote, 1954-56).
- ▶ Rodgers is the first NFL quarterback to post four-plus rushing TDs in three consecutive seasons since Minnesota's Daunte Culpepper (2000-03) posted that number in four straight seasons.
- ▶ With 16 more rushing yards this season, Rodgers would become the first Packers QB since Rote (1954-56) to post 300 yards rushing in consecutive seasons.
- ▶ Since 2009, Rodgers ranks No. 1 among QBs in rushing yards (600), rushing TDs (nine) and 10-yard runs (27).
- ▶ Of his 111 rushing attempts since 2009, nearly a quarter (27) have been

for 10 or more yards. He has posted a 10-yard run in nine of 12 games this season, and in 20 of his last 28 contests.

- ▶ Rodgers has picked up 100 yards on 14 third-down carries (7.1 avg.), with six of them going for first downs (42.9 percent).
- ▶ In 2009, Rodgers finished second among all NFL quarterbacks (David Garrard, 323) with 316 rushing yards, the most by a Green Bay QB since Don Majkowski posted 358 yards on the ground in 1989.
- ▶ Rodgers also led all NFL signal-callers with five rushing touchdowns in '09, the most by a Packers QB since Majkowski's five in '89.

POINT PRODUCTION

After outscoring their opponents a combined 136-46 over the past five games, the Packers find themselves atop the NFL's scoring differential column.

- ▶ The Packers have outscored their opponents 303-182 this season, and that 121-point differential is the largest in the NFL through Week 13. The N.Y. Jets are No. 2 with a 77-point differential.
- ▶ Green Bay ranks No. 3 in the NFL among teams with six or more wins with an average margin of victory of 16.63.
- ▶ Last season the Packers ranked No. 3 in the league with an average margin of victory of 18.27, their highest mark since a 21.31 mark in their Super Bowl season of 1996.
- ▶ In 2009, Green Bay ranked No. 2 in the league in scoring differential, with a 164-point advantage over its opponents (461-297). That was second in the league to only the Super Bowl champion New Orleans Saints' 169-point differential (510-341).
- ▶ The Packers have been productive in the first half this season. They have outscored their opponents 94-62, and that 32-point margin in the opening half ranks No. 3 in the league.
- ▶ Green Bay has been even more prolific opening the second half as it has outscored its opponents 87-26 in the third quarter. That margin of 61 points ranks No. 1 in the NFL.
- ▶ The Packers rank No. 1 in the league in scoring defense, allowing opponents an average of just 15.2 points per game. The last time Green Bay held its opponents to an average of under 16 points a game in a season came in the '96 campaign when the Packers led the league in scoring defense at 13.1 points per game.
- ▶ Green Bay ranks No. 7 in scoring with an average of 25.3 points per game.
- ▶ The Packers are one of only four teams in the league ranked in the top 10 in both scoring offense and defense (Atlanta, N.Y. Jets, New Orleans).

COACH LOCATIONS

- ▶ **Coaches' Box:** Dom Capers (defensive coordinator), Jerry Fontenot (asst. offensive line), Scott McCurley (defensive quality control), Curtis Fuller (administrator), Joe Philbin (offensive coordinator), John Rushing (offensive quality control), and Joe Whitt Jr. (secondary - cornerbacks).
- ▶ **Sideline:** Edgar Bennett (running backs), James Campen (offensive line), Tom Clements (quarterbacks), Mike Eayrs (research and development), Chad Morton (special teams asst.), Kevin Greene (outside linebackers), Ben McAdoo (tight ends), Winston Moss (inside linebackers/asst. head coach), Darren Perry (secondary - safeties), Jimmy Robinson (wide receivers), Shawn Slocum (special teams coordinator) and Mike Trgovac (defensive line).

WEEK 13 GAME REVIEW - PACKERS 34, 49ERS 16

PACKERS KEEP PACE IN PLAYOFF CHASE

The Packers didn't get a whole lot of help this week from the opponents of the other NFC playoff contenders.

- ▶ The Bears won. The Giants won big. The Eagles won back on Thursday night. The Saints pulled out a win in the final minute. The NFC-leading Falcons also rallied to win, though at least that came at the expense of the Buccaneers, who have stayed in the playoff hunt.
- ▶ But there's nothing the Packers can do about all of that, so they aren't concerning themselves with it. They're only concerned with their own game these days, and they took care of business on Sunday with a 34-16 victory over the San Francisco 49ers in front of 70,575 at Lambeau Field.
- ▶ "Until you get to 10 wins, you're just wasting time, you're wasting conversation," Head Coach **Mike McCarthy** said of the playoff talk and scoreboard watching. "You need to keep your focus on the next game."
- ▶ The Packers showed that focus on Sunday by getting their eighth win, improving to 8-4 and remaining one game behind the Bears in the NFC North. That's the primary competition with the division title still up for grabs.
- ▶ The Falcons are the first team to 10 wins, but the Packers also stayed one game behind the 9-3 Saints and tied with the 8-4 Eagles and Giants while moving one game ahead of the 7-5 Bucs in the battle for what appears to be five NFC playoff spots outside of the eventual NFC West winner.
- ▶ Green Bay started a little slow in this one, trailing 6-0 through a quarter and a half and leading just 14-13 at halftime after allowing San Francisco tight end Vernon Davis to break free for a 66-yard touchdown right before intermission.
- ▶ But the Packers took control in the second half, scoring on four straight possessions. The dominance started with a phenomenal 61-yard catch-and-run for a touchdown by receiver **Donald Driver**, which McCarthy called "the biggest play in the game" and quarterback **Aaron Rodgers** called "one of the most amazing plays I've seen here."
- ▶ After a holding penalty, the Packers faced second-and-16 from their own 39 when Rodgers made an adjustment at the line of scrimmage and found Driver wide open up the right seam. From there, the 35-year-old made an unforgettable run after the catch, dodging three different San Francisco defenders as he made his way up the sideline and then carrying three tacklers into the end zone for his biggest gain of the season.
- ▶ "I didn't know what was going on," said Driver, who after the game admitted he was dying to see the play on the highlights, because everyone had been telling him how amazing it was. "I just started ducking and stepping back and ducking again, and before I knew it, I had three guys, and I saw the end zone. One thing is, if I'm there, it's going to be hard to deny me, and I was able to get in."
- ▶ Driver sidestepped safety Reggie Smith, crashed through a tackle attempt by safety Dashon Goldson as tight end **Andrew Quarless** ran some interference, and then stiff-armed cornerback Nate Clements. Eventually Goldson, Clements and linebacker Ahmad Brooks caught up to him, but Driver got to the pylon for the score despite all the hangers-on.
- ▶ That made it 21-13 and from there the Packers were never really threatened. On the next possession, the defense got its third big stop of the 49ers when they were in scoring range, limiting them to a third field goal, and the offense added a touchdown and two field goals on its next three drives.
- ▶ Rodgers maintained his own run of impressively efficient play, completing 21-of-30 for 298 yards with three TDs and no interceptions for a 135.1 rating. It was his fourth straight game with a rating above 110 and his fifth straight without an interception.
- ▶ "We've been doing some good things offensively," said Rodgers, who surpassed 3,000 yards passing on the season and ran his interception-free streak to a career-best 177 passes, second all-time in franchise history. "Personally, I've just been trying to take care of the football,

- limit my turnovers. I've been pretty efficient throwing the ball, but I think that's a direct correlation between the way the offensive line is playing for the most part and getting Greg involved."
- ▶ Greg of course is **Greg Jennings**, who turned in another stellar game with six catches for 122 yards and two TDs. Jennings erased the early 6-0 deficit with a 57-yard touchdown grab on a free play, as the 49ers jumped offsides on third-and-1 and Rodgers took a shot deep. Jennings hauled it in against one-on-one coverage and gave the Packers their first lead.
- ▶ "You've got to have some big plays in the game," Jennings said. "That's what happened. We had some big plays. We got them on my touchdown and 'Drive' got them on his. Game-changing plays. You get the defense back on their toes now and you've got them where you want them."
- ▶ Jennings and the offense weren't done. In the third quarter, he added a 48-yard catch to set up his own 1-yard TD when he got his man to whiff on the jam at the line of scrimmage. He was so wide open in the end zone that Rodgers "couldn't get the ball out of my hand quick enough."
- ▶ That score made it 28-16 as Jennings pushed his season total to 11 touchdowns, one shy of his career high set in 2007. He's also closing in on his third straight 1,000-yard season, with 944 yards thus far, and he's continuing a dynamic stretch in which he has caught 43 passes for 761 yards with eight TDs over the last seven games. That's an average of six catches for 109 yards and a score every contest.
- ▶ "I'm just trying to take advantage of the opportunities," said Jennings, who has three straight 100-yard games for the second time in his career. "Like I said, the opportunities have increased, and we've been able to get into a rhythm. The game starts to slow down a lot more, and when the quarterback is depending on you to make a play, have to make a play, and that's what I'm trying to do."
- ▶ The Packers were also trying to control the clock and find a late-season running game, and they made some strides in that area. Rookie running back **James Starks** made his NFL debut and carried 18 times for 73 yards, including nine times for 35 yards on a time-consuming, 17-play drive for a field goal that provided the final points.
- ▶ Leading 31-16 after a 43-yard Crosby field goal early in the fourth quarter, the Packers then killed 8 minutes, 35 seconds with the long, 74-yard march that ended in a 24-yard field goal and a three-score lead.
- ▶ "That's exactly what you want to do," McCarthy said. "That was a big backbreaker I am sure for the 49ers."
- ▶ But give credit to the Green Bay defense as well, which was put in some difficult spots field-position wise and also faced two goal-to-go situations that it stopped. Davis had four catches for 126 yards for San Francisco, but otherwise the 49ers didn't have much going for them, as quarterback Troy Smith completed only 40 percent of his passes, was sacked four times and posted just a 64.4 rating (10-of-25, 194 yards, 1 TD, 1 INT).
- ▶ San Francisco managed just 95 yards of offense in the second half as the Packers pulled away.
- ▶ "Other than (Davis' long TD), we did a good job of eliminating those big plays, held them to field goals when they got down there in our red zone," cornerback **Charles Woodson** said. "That's the kind of thing you've got to do. You're going to take some shots, but you take it and move on, and we did that today."
- ▶ Now it's time to move on to the next game, which for the Packers is in Detroit, where the Lions took the Bears to the wire on Sunday in a 24-20 decision. The Packers will watch plenty of that film this week, to be sure, but just like Sunday, they'll put more energy into their own game heading into these final four weeks with so much at stake.
- ▶ "This is December football," McCarthy said. "We're playing good football right now. But good isn't good enough, as we know. We want to be playing our best football. That will be our challenge, that will be our emphasis and that will be the way we approach Detroit."

A LOOK AT THE SCHEDULE

The Green Bay Packers' 90th NFL regular-season schedule – headlined by six nationally televised games – was released in late April.

- ▶ Green Bay opened the 2010 slate on the road at Philadelphia before kicking off the home schedule with the Buffalo Bills in Week 2.
- ▶ Its first prime-time appearance – against the rival Bears in Chicago on *Monday Night Football* – came in Week 3. The NFL's oldest rivalry was on display in prime time for a fifth straight season, with this first meeting of the year marking game No. 180 in the all-time series.
- ▶ 2010 marks the 18th consecutive season the Packers have appeared on *Monday Night Football*, the NFC's longest streak.
- ▶ Three games are slated for Sunday night on NBC, including home games in Week 7 against the Minnesota Vikings and a Week 9 contest vs. the Dallas Cowboys. It was the first time in team history that the Packers played back-to-back Sunday night games at home. In Week 15, the Packers will take on the Patriots on Sunday night in Foxborough.
- ▶ The Packers got their first look at the new stadium in New Jersey in Week 8 against the Jets, where they experienced some cool fall temperatures. While games at Lambeau Field later in the season always provide a home-field advantage for the Packers, the 2010 schedule is nearly void of cold-weather road games. Green Bay is in the midst of three road contests that will be played in domes (Minnesota, Atlanta, Detroit).
- ▶ That's good news for a Green Bay offense that seems to thrive in domes. Including playoffs, the Packers played in a dome five times in 2009, exceeding 400 total net yards in four of those games.
- ▶ A number of games on the Packers' 2010 schedule – namely those on national TV – are beginning to have a familiar feel. In addition to taking on the Bears for a fifth consecutive year in prime time, Green Bay took on Minnesota in prime time for a third straight season. The Packers and Cowboys met on national TV for the fourth straight season.
- ▶ The schedule concludes with two home games for the first time since 2005. One of the NFL's best teams in regular-season games played in December and January, Green Bay may need to call upon that previous success for what could prove to be two very important contests surrounding the Christmas and New Year's holidays. Games against the Giants (Week 16) and Bears (Week 17) could determine not only the NFC North Division crown but conference playoff seeding.

2010 SCHEDULE NUGGETS

Green Bay's bye week came in Week 10, the latest possible week for NFL teams. It marked the latest time in which the Packers have had a bye in franchise history, besting the Week 9 bye in 2004. The Packers played nine games before the bye and will have seven after the open date.

- ▶ Three of four games before the bye came at Lambeau Field, while four of five games after the bye are road contests.
- ▶ Immediately following the bye came an important division game in Week 11 at Minnesota, the first of three straight road games played in domes. Under McCarthy, the team has now won four of five games immediately after the bye week and 11 of its last 15 after the bye dating back further.
- ▶ Green Bay has always been a successful team after the bye and 2009 was no different, as the team compiled a 9-3 (.750) mark after the bye week. Since 2000, the team is 64-37 (.634) overall after the bye.
- ▶ Fifteen games are slated for Sunday, the most since 1993 (also 15).
- ▶ Seven of the final eight games are against NFC opponents.
- ▶ The Packers have six games on the schedule against 2009 playoff teams, including Week 1 at Philadelphia. Beginning in Week 7 vs. Minnesota, Green Bay played a stretch of four straight games against playoff teams from a year ago. The team traveled east to take on the Jets in Week 8 and hosted the Cowboys in Week 9 before the bye. The stretch concluded in Week 11 at Minnesota.
- ▶ The NFL's oldest rivalry will see a first in 2010. For the first time in series history, Green Bay will host Chicago in the regular-season finale, set to be game No. 181 between the Packers and Bears.

- ▶ Is the all-time leading receiver at Lambeau Field, with 4,516 career receiving yards at the stadium.
- ▶ Also is Lambeau Field's all-time leader in receptions with 325.
- ▶ With a TD catch vs. Detroit in Week 4, moved into sole possession of No. 2 spot with 22 TD catches at Lambeau Field. Antonio Freeman (36) ranks first in the stadium's history
- ▶ Has 22 career 100-yard receiving games, No. 4 in team history. Needs two more games to equal No. 3 Don Hutson (24) on the all-time list.
- ▶ With 53 career TD receptions, joins Hutson (99), Sharpe (65), Freeman (57) and Max McGee (50) as the only Packers with 50 career TD catches.

50 A.J. HAWK

85 GREG JENNINGS

- ▶ With 11 TD receptions this season, joins Sterling Sharpe, Antonio Freeman and Don Hutson as the only Packers to post nine-plus TD catches in three seasons.
- ▶ Led the team in receiving yards (1,113) in 2009 for the second straight season.

A key reserve at LB and perennial special teams standout in previous seasons, promoted to the starting lineup after Nick Barnett's wrist injury and immediately became one of the linchpins of a stout defense...Has forged a reputation for aggressive hitting, sure tackling and filling holes against the run, and has also been a consistent performer in pass defense...Has opened the last eight games and posted a combined 85 tackles – already a career-high total for a season – two sacks and an INT with a TD return...Has nine starts in his career, and in six games has recorded double-digit tackle totals, including 12 in 2008 in his first career start, along with over 10 in his first four starts of 2010...Recorded 51 special teams stops since 2007, including a team-high 22 in 2009...Was a regular in various sub packages over the previous two seasons, including the five-LB 'Psycho' personnel group used effectively by defensive coordinator Dom Capers.

▶**vs. Miami (10/17):** Started at Mack LB...Recorded a career-high 16 stops (seven solo), a QB hit and a pass defended...In the second quarter, snuffed a screen pass to RB Ricky Williams for a 1-yard loss at the Miami 27 on second down, then combined with LB Brady Poppinga on the next play to tackle WR Davone Bess after a 7-yard gain to force a punt...With 1:34 remaining in the third quarter, was part of the defensive swarm that helped push back RB Ronnie Brown on fourth-and-1 at the Green Bay 27...In the fourth quarter, lunged to break up a pass to Bess on third-and-2 at the Green Bay 43, forcing a punt in what appeared to be one of the biggest defensive plays of the game. But an illegal formation penalty on the punt return gave the Dolphins a first down, and the Dolphins would score a TD four plays later.

▶**vs. Minnesota (10/24):** Started at Mack LB and posted 11 tackles (six solo)

and an INT with a 32-yard return for a TD, the first of his career...The INT came in the third quarter, catching a pass that was thrown into his chest by QB Brett Favre and taking it to the end zone to give Green Bay a 28-17 lead. DE C.J. Wilson drilled Favre as he stepped up to throw to WR Randy Moss. INT for a TD was the reward after staying with Moss, his coverage assignment, despite Favre's pump fake...The INT came two snaps after an Aaron Rodgers to WR Greg Jennings TD pass that was set up by an INT by LB A.J. Hawk...Bishop also put a hit on Moss on the final play of the game to help break up the pass, a high heave by Favre with the Packers holding onto a 28-24 lead.

►**at New York Jets (10/31):** Had a team-high 13 tackles (12 solo) and a pair of passes defended...One of the leaders in the unit's rugged efforts against the run, as the defense allowed only 119 yards on 29 carries, with 37 combined yards coming on a scramble by the QB and a 17-yard run off a fake punt. Top RB duo of LaDainian Tomlinson and Shonn Greene combined for 76 yards on 22 carries, with a long of 8...Ended the contest with an exclamation point, putting a huge hit near the sidelines on WR Jerricho Cotchery on the second-to-last play.

►**vs. Dallas (11/7):** Had four tackles, a sack, a QB hit and a forced fumble...Put a big hit on Felix Jones in the second quarter on a quick draw out of the shotgun, dropping the RB for a 2-yard loss...Sacked QB Jon Kitna for a 9-yard loss in the third quarter, causing a fumble that was recovered by Jones. An incompletion on the next play forced a punt, and the Packers would march 80 yards for a FG on the ensuing drive.

►**at Minnesota (11/21):** Part of a defensive effort that only surrendered a field goal, giving the Packers' defense a combined 10 points allowed over the last three games...Posted eight tackles (seven solo), a QB hit and a pass defended...Tackle total tied for the team lead...Also played special teams after injuries to Atari Bigby and Anthony Smith...Put a loud hit on Adrian Peterson in the first quarter, stopping the RB on a draw after a 1-yard gain up the middle.
