## PACKERS RETURN HOME TO PLAY THE EAGLES

The Green Bay Packers will take on the Philadelphia Eagles on Saturday at Lambeau Field in their preseason home opener.

- ▶ This will be the 15th time Green Bay and Philadelphia have met during the preseason. The Eagles lead the preseason series, 8-6.
- ▶ The last time the two teams met was during the 2014 regular season, a 53-20 Packers victory at Lambeau Field that gave Green Bay a 25-14 lead in the regular-season series.
- ▶ The Packers and Eagles last played each other during the preseason in 2002, a 20-13 home victory by Philadelphia. It is the Eagles' first trip to Lambeau Field during the preseason since 1983.
- ▶ Green Bay will play its final two preseason games at home for the second consecutive year and the fourth time since 2000 (2002, 2003).
- ▶ The Packers' final preseason contest comes on Thursday, Sept. 3, at 6 p.m. CDT, when they host the New Orleans Saints at Lambeau Field in the 55th annual Bishop's Charities Game.

## MIDWEST SHRINE GAME

One of the NFL's longest team traditions, the Upper Midwest Shrine Game kicks off its 66th installment Saturday night. It marks the fourth time the Packers have hosted the Eagles in the charity game (1951, 1956 and 1957). Green Bay is 33-29-3 all-time in the series.

- ▶ Each season, the Packers donate a percentage of the gate to the Shriners' Hospitals for Children. The Shriners' facilities provide specialized medical services, helping children with birth defects and other injuries, at absolutely no cost. To date, the series has raised more than \$3.5 million for the Midwest Shrine's burn centers and hospitals for crippled children.
- ▶ The series has called three separate stadiums home: Milwaukee's State Fair Park (1950-51), Milwaukee County Stadium (1952-82, 1984-94) and Lambeau Field (1983, 1995-present).
- ▶ In his first season leading the Packers, Vince Lombardi made an agreement with George Halas to play in the Shrine game annually. Green Bay and Chicago played each preseason at County Stadium from 1959-73.
- ▶ The Packers annually designate the Shrine game as the first 'Gold package' game for season-ticket holders primarily from the Milwaukee area. The team created the three-game package after moving all of its home games to Green Bay in 1995. Also in the 'Gold package' this season are the contests against Kansas City (Sept. 28) and Detroit (Nov. 15).

### A LOOK AT THE SCHEDULE

The Green Bay Packers' 95th NFL regular-season schedule is headlined by five prime-time games (subject to flexible scheduling), including a Thanksgiving night game at Lambeau Field against the Chicago Bears, the first home Thanksgiving game since 1923.

- The Packers will honor two of its all-time greats – Brett Favre and Ron Wolf – in halftime ceremonies during the 2015 season, with Favre's name and retired No. 4 to be unveiled on Lambeau Field's north façade Nov. 26 and Wolf's name to be unveiled next to fellow Pro Football Hall of Famers on the stadium's east side Nov. 15.
- Green Bay's schedule includes seven games against 2014 playoff teams. Three of those games (Dallas, Detroit, Seattle) will be at Lambeau Field, while four (Arizona, Carolina, Denver, Detroit) will come on the road.
- For the third year in a row and just the fourth time in 10 seasons under Head Coach **Mike McCarthy** (2010), the Packers will open the season on the road, traveling to Chicago to play the Bears in Week 1 for the first time since 1981 and on the road against a division opponent for the first time since playing at Detroit in 2005.
- Dating back to 2001, the Packers have always played against an NFC team in Week 1. The last AFC team Green Bay faced in Week 1 was the New York Jets in 2000.
- Green Bay will spend the following two weeks at home, playing a Sunday night game against the Seattle Seahawks in Week 2 and facing the Kansas City Chiefs on *Monday Night Football* in Week 3. It is the first time since 2008 that the Packers will play their first two home games in primetime. It is the 23rd consecutive season (1993-2015) that the Packers are appearing on *MNF*. Green Bay is 14-8-1 at home on *MNF*, including 4-1 under McCarthy.
- After a trip to take on San Francisco in Week 4, the fifth time the Packers and 49ers will meet in the regular or postseason since 2012, Green Bay returns home for two games before its Week 7 bye.
- The St. Louis Rams visit Lambeau for the first time since 2011 in Week 5, and in Week 6 the Packers host the San Diego Chargers for the first time since 2007 and only the fifth time overall. Green Bay is 7-2 against

the Rams at Lambeau Field (dating back to 1990) and has won nine of the 10 all-time meetings versus the Chargers.

- Following Green Bay's first Week 7 bye since 2007, the Packers travel to play the Broncos in Denver for the first time on a Sunday night. It will be Green Bay's seventh visit to the Mile High City during the regular season and first since a 19-13 overtime victory in 2007. It is a matchup of two of three NFL teams (New England) that have won their division each of the last four years. Under McCarthy, Green Bay is 8-1 (.889) in the game after the bye. It will be the first of a three-game stretch the Packers will play against 2014 playoff teams.
- The Packers stay on the road for a Week 9 game at Carolina, facing the Panthers in back-to-back seasons for the first time since 2007-08. Green Bay is 8-4 against the Panthers during the regular season, including 5-2 at Carolina. The Packers have scored 30-plus points in all four games against the Panthers under McCarthy.
- The second half of the regular season will see Green Bay face division opponents in four consecutive weeks. The Packers will face the Lions at home in Week 10, travel to play Minnesota in Week 11, come home to play the Bears on Thanksgiving in Week 12 and play at Detroit in another Thursday night game in Week 13. It will be the first time Green Bay has played division opponents in four consecutive weeks since 2000 (Weeks 14-17) and the first time the Packers have played on consecutive Thursdays since 2007 (Weeks 12-13).
- The Packers' final four regular-season games will be bookended by two home contests, starting with Dallas returning to Green Bay in Week 14. Including the postseason, the Packers have won four consecutive games against the Cowboys. Green Bay is 10-4 against Dallas at home during the regular and postseason.
- In Weeks 15-16, Green Bay travels west to play the Oakland Raiders and Arizona Cardinals. The Packers have won six consecutive games against the Raiders, including two on the road. In those six games, Green Bay has outscored the Raiders, 210-70. The Packers have won seven of the last eight regular-season matchups against the Cardinals, including each of the past three.
- Green Bay will host the Vikings at Lambeau to close out the regular season, marking the sixth time the two have met in the regular-season finale and first at Lambeau since 1996. Including playoffs, Green Bay has a 8-1-1 mark (.833) against the Vikings at Lambeau Field under McCarthy.

**PACKERS VS. EAGLES - PRESEASON WEEK 3**

**ON THE ROAD AGAIN**

Green Bay went 7-1 away from Lambeau Field in 2011, with the seven road wins setting a single-season franchise record.

- ▶ The Packers have been able to stay above the .500 mark on the road during Head Coach **Mike McCarthy's** tenure, a notable achievement in the National Football League.
- ▶ Since 2006, McCarthy's first season as the head coach in Green Bay, only 10 of 32 NFL teams have regular-season road records above .500.

| Team                 | W-L Record     | Pct.        |

**309 AND COUNTING**

Another packed house at Lambeau Field against the Lions in Week 17 last season brought the stadium's consecutive-sellouts streak to 309 regular-season games (not including replacement games).

- ▶ The league's longest-tenured stadium, Lambeau Field hosted its 58th season of football in 2014. Including the playoffs, a total of 704,818 fans made their way through the turnstiles for the nine games this season. For the victory over Dallas in the Divisional round, Packers fans set a new Lambeau Field paid attendance record (79,704).
- ▶ Across American professional sports, only Boston's Fenway Park (1912) and Chicago's Wrigley Field (1914) have longer tenures.

**THE LAMBEAU ADVANTAGE**

The crown jewel of the National Football League, Lambeau Field has long been known as one of the tougher venues to play in, particularly during the harsh Wisconsin winter.

- ▶ Re-establishing home-field advantage after a 4-4 mark in 2008 was one of the goals of 2009, and with the Packers finishing 6-2 at home, they accomplished that goal. Green Bay followed that up with a 7-1 mark at Lambeau Field in 2010, a perfect 8-0 record in 2011, the first undefeated home mark since 2002, and a 7-1 mark in 2012. Last season the Packers were one of two teams to finish undefeated at home during the regular season (Denver).
- ▶ Head Coach **Mike McCarthy** stated consistently upon his arrival in Green Bay that one of the team's goals would be to reclaim the mystique of playing at Lambeau Field. Mission accomplished. The team is 54-17-1 (.757) at home in the regular-season since 2006.
- ▶ Since **Ron Wolf** and **Mike Holmgren** began the revitalization of the franchise in 1992, Green Bay owns the best home record in the NFL. A look at the top regular-season home W-L records since the '92 season:

| Team                | W-L Record      | Pct.        |

## TRAINING CAMP MEDIA INFORMATION & POLICIES

### TED THOMPSON AVAILABILITY

- ▶ During training camp, General Manager **Ted Thompson** will be available for group interviews in the Media Auditorium approximately once per week. One-on-one interviews with Thompson should be arranged through Jason Wahlers (wahlersj@packers.com).
- ▶ Thompson is scheduled to be available in the Media Auditorium on the following dates (subject to change): Wednesday, Aug. 26 - 10:45 a.m.; Wednesday, Sept. 2 - 9:15 a.m.

### MIKE MCCARTHY PRESS CONFERENCES

- ▶ During training camp, Head Coach **Mike McCarthy** is scheduled to be available in the Media Auditorium sometime before practice. The exact times will be released each week.
- ▶ One-on-one interviews with McCarthy should be arranged through Jason Wahlers (wahlersj@packers.com).

### PLAYER INTERVIEWS

- ▶ The team's locker room will open once per day for 30 minutes when there is practice. The team will send out weekly advisories throughout training camp with a more detailed availability schedule.
- ▶ At the conclusion of all games the locker room will be opened following the NFL's standard "cooling off" period.
- ▶ Any requests to interview players other than at the aforementioned times should be directed to a member of the Packers' P.R. department.

### ASSISTANT COACH INTERVIEWS

*All by request, through the P.R. department*

- ▶ Assistant coaches will be available – for both print and electronic media, upon request – in-person, on the following dates and times (subject to change):

| DAY/DATE     | SPECIAL TEAMS | OFFENSE/DEFENSE |
|--------------|---------------|-----------------|
| Wed./Aug. 26 | 4:45 p.m.     | 5 p.m.          |
| Mon./Aug. 31 | 4:45 p.m.     | 5 p.m.          |

- ▶ During training camp, all assistants generally will be available **upon request** once a week on a specific day.
- ▶ During the regular season, assistants generally will be available in person upon request on Thursdays in the media auditorium (defense and special teams) and media interview room (offense). On Mondays, the associate head coach/offense and coordinators will be available.
- ▶ Following games, Head Coach Mike McCarthy will be the only coach available to the media.
- ▶ Tom Clements (associate head coach/offense), and coordinators – Edgar Bennett (offense), Dom Capers (defense) and Ron Zook (special teams) – will continue to serve as primary spokesmen in their respective areas.
- ▶ However, position coaches are available for questions on specific players and the position group only. Broader interview topics need to be directed to the respective coordinators.
- ▶ Assistant coaches also are available for interviews on more personal subjects, such as Winston Moss on his NFL playing career.
- ▶ No assistant coach should be contacted directly by telephone (at his desk, home or on his cell phone), or by email. All interviews must be arranged through the P.R. department.
- ▶ Sarah Quick (quicks@packers.com) serves as the primary contact for assistant coaches. In her absence, feel free to contact another member of the P.R. staff.

### TRAINING-CAMP PRACTICE ACCESS

- ▶ Practices are open in their entirety to credentialed media. However, photography (video and still) will be limited to certain periods during training camp.

### VIDEO/PHOTO POLICY

- ▶ During practice periods in which B-roll and still photography are NOT permitted, the media may not utilize camera phones either. Camera phones are allowed to take only still photos during permissible "shooting" periods, any social-media video (Vine, Instagram, etc.) and live-broadcasting (Periscope, Meerkat, etc.) applications are not allowed at any time on the practice fields, during press conferences or in the locker room.
- ▶ No still photography is permitted in the locker room at any time.

### BLOGGING/TWITTER POLICY

- ▶ During training camp, "Twitter/blogging" is allowed during practices, but the Packers would ask that members of the media utilizing the technology adhere to a few simple guidelines moving forward. Please note that this policy is for training-camp practices only and does change during the regular season.
- ▶ NO entries about specific schemes, personnel groupings or anything that might be related in any way to game planning. If you have ANY questions about this, please ask a member of the Packers' P.R. staff before posting.
- ▶ NO entries regarding "football communications," including specific exchanges between coaches and players that might be overheard. Acknowledgement that the conversation occurred is acceptable, but we ask that the details of the conversation be withheld.
- ▶ NO detailed speculation as to the potential nature or severity of an injury until Coach McCarthy has addressed it following practice. Once again, acknowledging that an injury occurred and providing general details (i.e. 'Right leg...' or 'Left wrist...') is permitted, but anything beyond that would be purely speculative and possibly inaccurate.
- ▶ The team would like to continue to keep training camp practices open to those wishing to utilize blogging and/or Twitter, but such a policy is contingent upon media adhering to the guidelines above. If there are ANY questions regarding what is or is not acceptable, please contact a member of the Packers' P.R. department.

### ONLINE-CONTENT POLICY

- ▶ According to the 2015 NFL non-game online content policy, accredited organizations may distribute online non-game audio and video content, including interviews, press conferences and team practices at NFL venues, acquired as a result of credentialed access ("Game Information") to games or club/league facilities provided that such distribution: is 90 seconds maximum per day (180 seconds in two-team markets – 90 seconds per team); may not be "archived" (i.e., made available for on-demand public access) for more than 24 hours; appears in an editorial context only (no sponsorship, merchandising or advertising integrated with or around the content); is not posted live; and is accompanied by links back to NFL.com and to the club website.
- ▶ The 90-second limit does not include video/audio material that is composed entirely of a credentialed media employee providing commentary or analysis ("talking head" reporting), including pregame or postgame stand-up material shot on the field or other facility location.
- ▶ While a game is in progress, any forms of accounts of the game must be sufficiently time-delayed and limited in amount (e.g., score updates with detail given only in quarterly game updates, fewer than 10 photographs during the game) so that the accredited organization's game coverage cannot be used as a substitute for, or otherwise approximate, authorized play-by-play accounts.
- ▶ The Packers have their own social-media and online-content policies for practice reporting, which will be communicated by the P.R. staff for both training camp and the regular season. Members of the media are encouraged to contact the public relations staff with any questions.

## TRAINING CAMP MEDIA INFORMATION & POLICIES

### INJURY-FOOTAGE POLICY

- ▶ Again this season, the Packers respectfully ask all photographers (video and still) to follow guidelines related to shooting injured players.
- ▶ Photographers are asked to avoid filming, photographing, printing and/or airing any shots of any injury situation, while the injury occurs, while trainers attend to/treat the injured player, and while the player is leaving the field, either on his own or with aid. This includes minor injuries.
- ▶ The team will allow shots of players after they've been treated. For instance, cameras are allowed to shoot a player on the sideline with ice on his knee, after trainers have left.
- ▶ However, cameras are not allowed to film a player on crutches, either on the field or in the locker room.
- ▶ If outlets choose not to respect this policy — or any other policy — the team will have no choice but to consider limiting access to the field and/or locker room.

### ADDITIONAL PHOTO/VIDEO GUIDELINES

- ▶ Filming or relaying information on closed-circuit televisions throughout the building, including the locker room, is strictly prohibited.
- ▶ Shots that require members of the media to be in a kneeling position with cameras on the ground are not permitted for safety reasons.
- ▶ No tripods are allowed during practice.
- ▶ No still photography is permitted in the locker room at any time.

### PRIVATE TEAM COMMUNICATION

- ▶ The Packers ask all media, print and electronic, to refrain from reporting or recording any team communication meant solely for the team.
- ▶ This includes the post-practice team huddle, in which McCarthy addresses his players. It also includes mid-practice and/or post-practice communication between any coach and his players, especially conversations of a reprimanding, negative nature.
- ▶ In general, reporting that the conversation took place is acceptable, just not the details of those conversations. Details are not to be relayed to the public either directly (through first-hand hearing), or indirectly (through interviews, even if the subject answers the question).
- ▶ If media has any question as to whether communication should be kept private, please contact the P.R. department before writing or airing such conversations.

### PRACTICE CREDENTIAL INFORMATION

- ▶ Admittance will not be granted without a credential. No guests will be permitted to use media credentials, which are subject to revocation if used in that manner.
- ▶ All preseason practice sessions will be open to members of the media who cover the team on a regular basis, unless otherwise stipulated. All other media (news departments, etc.) must secure a practice-field pass from the public relations department and sign the necessary waiver before attending practice. No exceptions can be made.
- ▶ All media members, including visiting media, are asked to contact the Packers' P.R. department to obtain training camp credentials. Practice-field (season-long photo ID and daily) credentials, required for all practice sessions, are not transferable and will be closely monitored. A liability waiver must be signed before gaining access to Packers' practices.

- ▶ Members of the media are asked to email their requests for practice-field credentials to the public relations department's Sarah Quick (email: quicks@packers.com) at least 24 hours in advance of the day (or days) on which they wish to cover practice.

### CELL PHONES

- ▶ The team does not tolerate cell phone distractions at practice. Please set all phones to off or vibrate. Phone conversations are strongly discouraged, but if necessary, should be conducted well away from the field.

### MISCELLANEOUS

- ▶ Any member of the media who does not have a credential will be asked to obtain one and sign the necessary waiver at the public relations office during the regular season and at the practice field during training camp before gaining admittance.
- ▶ All items brought to practice (cameras, bags, tripods, equipment, etc.) should be stored against the wall, away from the field, for safety reasons.
- ▶ Food is not allowed during practice. Bottled drinks are allowed, as long as they are stored in a personal bag against the wall, and consumed near the wall.
- ▶ Any equipment not stored should be held at all times; when avoiding oncoming action, it is important that anything in your possession moves as you move.
- ▶ No players or coaches may be actively engaged in conversation or interviewed while practice is in progress.

### INJURY INFORMATION

- ▶ All injury information will be issued by Head Coach Mike McCarthy. Please do not address injury questions to another coach or staff member.

### NITSCHKE FIELD BOUNDARIES

- ▶ Media will enter the practice facility along Armed Forces Drive, adjacent to the Hutson Center and toward the northwest corner of Nitschke Field. Media must remain behind the cones on the rubberized track in order to maintain their own safety and the safety of the players.

### SEASON CREDENTIALS

- ▶ The deadline to apply for 2015 season-long home game credentials was Friday, June 26.
- ▶ Anyone who missed the deadline should submit a request ASAP for consideration to receive credentials on a game-by-game basis. Requests should be made to Sarah Quick, via email (quicks@packers.com).

### PUBLIC RELATIONS INTERNS

- ▶ Season-long P.R. intern **Chase Altieri** earned his degree from Winthrop University (S.C.) in 2014. The Lake Wylie, S.C., native previously interned in the public relations department for the Carolina Panthers in 2014-15. Altieri also worked at the U.S. Men's Clay Court Championship in Houston, Texas for the ATP Tour in April 2015.
- ▶ Summer P.R. intern **Paige Papineau**, a Green Bay, Wis., native, graduated from Lakeland College in 2015. As a senior, she interned in marketing at Jiffy Ice Augers. Papineau also interned in the events department at Cellcom in 2014.
