- ▶ It was supposed to be the fifth time the Packers played in the Hall of Fame Game and the first time since 2003, but the game was canceled due to poor field conditions. Of the five times Green Bay has been scheduled to play in the Hall of Fame game, three have either been canceled or did not finish due to weather conditions.
- ▶ Green Bay returned home to host the Cleveland Browns at Lambeau Field. It was the first time the Packers and Browns have played during the preseason since they met each year from 2009-12.
- ▶ The Packers stayed at home to play the Oakland Raiders, marking the fourth time the Raiders have played a preseason game in Green Bay (2014, 1998, 1971).
- ▶ The Packers finish the preseason with two road games for the first time since 2009. They traveled to San Francisco for the first time during the preseason since 2008 and then will go to Kansas City to face the Chiefs for the sixth time in the last seven preseasons.
- ▶ This year marked the 67th annual Upper Midwest Shrine Game (34-30-3) and was the sixth time the Packers have faced the Browns (1983, 1987, 2009, 2010, 2012).
- ▶ Green Bay improved to 31-24-1 in Bishop's Charities Games and have recorded wins in seven of the last eight games. It was the first time the Packers played the Raiders in the game.

He spent the previous two seasons in the same position for the Cleveland Browns, where he helped Gary Barnidge lead the team with career highs in receptions (79), receiving yards (1,043) and receiving touchdowns (nine). Angelichio joined the Browns after spending two seasons (2012-13) as the tight ends coach for the Tampa Bay Buccaneers.

MEET THE DRAFT PICKS

Training-camp storylines always hover around new players and just how they figure into the depth chart. The Packers added to an already deep and talented roster with a seven-man draft class.

- ▶ DT **Kenny Clark**, joined teammate DE Datone Jones (No. 26 overall, 2013) as the only UCLA defensive linemen to be selected in the first round of the draft since DT Manu Tuiaosopo in 1979 (No. 18 overall, Seattle). He was a team co-captain in 2015 and recorded career highs in tackles (75), sacks (six) and tackles for a loss (11), which earned him third-team All-America honors from *The Associated Press* and first-team All-Pacific-12 recognition from the coaches and media. Clark played in all 39 games in his three seasons at UCLA with 29 starts, finishing with 164 tackles (96 solo), seven sacks and 20.5 tackles for a loss.

- ▶ The Packers selected T **Jason Spriggs** out of Indiana University in the second round. He joined T Rodger Saffold (St. Louis Rams, 2010, second round) and G Andrew Greene (Miami Dolphins, 1995, second round) as the only Indiana offensive linemen selected in the first two rounds of the draft since 1990. Spriggs was named first-team All-America by the Football Writers Association of America (FWAA) and *Phil Steele's College Football* as a senior. He also received the Hoosiers' Chris Dal Sasso Award (outstanding lineman) and was the first Outland Trophy semifinalist in school history. Spriggs played in 48 games over four seasons with 47 starts at left tackle for the Hoosiers.
- ▶ Green Bay drafted LB **Kyler Fackrell** with its third-round selection, the first Utah State player to be picked by the Packers since DB Ed Berry in 1986 (seventh round). Fackrell was named first-team All-Mountain West as a senior in 2015 after ranking first in the nation with five fumble recoveries and posting a school-record 12 quarterback hurries. He ranked second on the Aggies with 82 tackles last season, including a team-high 15 tackles for a loss, along with four sacks and two forced fumbles. Fackrell became one of just 15 players in school history to earn first-team or second-team all-conference recognition three times during his career (2012-13, '15).
- ▶ With the first of two fourth-round picks, the Packers selected LB **Blake Martinez** out of Stanford. He finished collegiate career with 257 tackles (137 solo), 13.5 tackles for a loss, 6.5 sacks, five interceptions and five forced fumbles in 51 games played. Martinez started all 27 games played in his final two seasons, leading the team in tackles as a junior (102) and senior (141). He led the Pacific-12 and ranked seventh nationally in tackles as a senior, averaging a conference-best 10.1 tackles per game. Martinez's 141 tackles were 84 more than the No. 2 tackler on the team. In 2015, he was named third-team All-America by *The Associated Press*, second-team All-America by *USA Today* and *Phil Steele's College Football*, and first-team All-Pac-12 by *AP* and *Phil Steele's College Football*.
- ▶ Green Bay's second selection of the fourth round was DE **Dean Lowry**, the first defensive end from Northwestern to be picked since DE Corey Wootton was drafted by the Chicago Bears in 2010 (fourth round, No. 109 overall). He earned second-team All-Big Ten honors as a senior in 2015 after posting 46 tackles (27 solo), including 13.5 tackles for a loss (second on the team), three sacks, an interception, a fumble recovery and seven passes defended. Lowry set a school single-game record and tied the sixth-best mark in conference history with six tackles for a loss in Northwestern's win at Nebraska last season.
- ▶ The Packers drafted WR **Trevor Davis** out of California-Berkeley in the fifth round, joining QB Aaron Rodgers (2005), LB Desmond Bishop (2007) and TE Richard Rodgers (2014) as the fourth player from Cal selected by General Manager Ted Thompson. He began his collegiate career at the University of Hawai'i (2011-12) before transferring to Cal (2013-15) where he totaled 2,300 all-purpose yards, registering 1,071 yards receiving and seven touchdown catches on 64 receptions (16.7 avg.), 1,110 yards on 45 kick returns (24.7 avg.) including two for touchdowns, and 115 yards on 14 punt returns (8.2 avg.). - ▶ With its final selection of the 2016 NFL Draft, Green Bay chose T **Kyle Murphy** out of Stanford in the sixth round. He played 54 games with 34 starts in four years and was part of a Stanford class that made a bowl appearance all four years and won three Pacific-12 titles (2012, 2013, 2015). Murphy was named third-team All-America by *Phil Steele's College Football* as a senior after serving as a team captain and starting all 14 games at left tackle. He was a member of an offensive line that finished in the top three among Pac-12 teams in sacks allowed in all four of his seasons.

A LOOK AT THE SCHEDULE

The Green Bay Packers' 96th NFL regular-season schedule is headlined by five prime-time games (subject to flexible scheduling).

- ▶ The Packers kick off their season on the road for the fourth consecutive year, the longest streak in team history, opening with two road games for the first time since 1924. Green Bay will travel to Jacksonville, playing on the road against an AFC team in Week 1 for the first time since facing the New England Patriots in 1985.
- ▶ Green Bay will face division opponents in Weeks 2-3, beginning with a trip to Minnesota to face the Vikings in a prime-time game and returning to Lambeau Field for the home opener against the Detroit Lions.
- ▶ For the second time in four years, the Packers will have their bye in Week 4.
- ▶ Green Bay returns to action with three consecutive home games against NFC teams over a 12-day span. In Week 5, the Packers play on Sunday night against the New York Giants. It will be the Giants' first regular-season game at Lambeau Field since 2010. The following week, Green Bay will play the Dallas Cowboys for the fourth consecutive season (including playoffs) and for the second straight year at home in the regular season. The Packers have won five straight games against the Cowboys during the regular and postseason. Green Bay finishes the homestand playing the Chicago Bears on a Thursday night for the second consecutive season (11th straight year in primetime).
- ▶ Four of the Packers' next five games will be on the road, including three road games in a row for the first time since 2012.
- ▶ After a trip to play the Atlanta Falcons in Week 8, Green Bay will face the Indianapolis Colts at home for the first time since 2008. Five of the last seven matchups between Green Bay and Indianapolis have been decided by seven or fewer points. The Packers make just their third regular-season visit to Tennessee to play the Titans in Week 10. Green Bay is looking for their first victory at the Titans since they moved to Tennessee in 1997.

- ▶ Green Bay will play its first game at home in almost a month when it faces the Houston Texans in Week 13 for just the second time ever at home.
- ▶ Week 14 brings a familiar matchup as the Packers welcome the Seattle Seahawks to Lambeau Field for the second consecutive year. Including the postseason, Green Bay and Seattle will meet for the fifth time in five years.
- ▶ For the first time since 2006, the Packers will finish the regular season with three straight games against NFC North opponents.

- ▶ The league's longest-tenured stadium, Lambeau Field is hosting its 59th season of football in 2015. THE LAMBEAU ADVANTAGE

The crown jewel of the National Football League, Lambeau Field has long been known as one of the tougher venues to play in, particularly during the harsh Wisconsin winter.

- ▶ Re-establishing home-field advantage after a 4-4 mark in 2008 was one of the goals of 2009, and with the Packers finishing 6-2 at home, they accomplished that goal. Green Bay followed that up with a 7-1 mark at Lambeau Field in 2010, a perfect 8-0 record in 2011, the first undefeated home mark since 2002, and a 7-1 mark in 2012. The Packers were one of two teams to finish undefeated at home during the 2014 regular season (Denver).
- ▶ Head Coach **Mike McCarthy** stated consistently upon his arrival in Green Bay that one of the team's goals would be to reclaim the mystique of playing at Lambeau Field. Mission accomplished. The team is 59-20-1 (.744) at home in the regular season since 2006, **No. 2 in the NFL**.
- ▶ Since **Ron Wolf** and **Mike Holmgren** began the revitalization of the franchise in 1992, Green Bay owns the best home record in the NFL. A look at the top regular-season home W-L records since the '92 season:

TRAINING CAMP MEDIA INFORMATION & POLICIES

TRAINING-CAMP PRACTICE ACCESS

- ▶ Practices are open in their entirety to credentialed media. However, photography (video and still) will be limited to certain periods during training camp.

VIDEO/PHOTO POLICY

- ▶ The team reserves the right to limit photography to certain periods for competitive reasons.
- ▶ During practice periods in which B-roll and still photography are NOT permitted, the media may not utilize camera phones either. The P.R. staff will alert the media of the permissible “shooting” periods before and during each practice.
- ▶ Video of practice, press conferences or locker-room interviews by an individual or media outlet may not be posted at any time on social-media sites or live-broadcasting applications (this includes applications such as Facebook, Twitter, Vine, Instagram, Snapchat, Ustream, Periscope and Meerkat, etc).
- ▶ No still photography is permitted in the locker room at any time. Signs, notes and other personal items or information posted in and around the locker room at player lockers are not to be photographed or captured on video.
- ▶ Filming or relaying information on closed-circuit televisions throughout the building, including the locker room, is strictly prohibited.
- ▶ Shots that require members of the media to be in a kneeling position with cameras on the ground are not permitted for safety reasons.
- ▶ No tripods are allowed during practice.

BLOGGING/TWITTER POLICY

- ▶ During training camp, “Twitter/blogging” is allowed during practices, but the Packers would ask that members of the media utilizing the technology adhere to a few simple guidelines moving forward. Please note that this policy is for training-camp practices only and does change during the regular season.
- ▶ NO entries about specific schemes, personnel groupings or anything that might be related in any way to game planning. If you have ANY questions about this, please ask a member of the Packers’ P.R. staff before posting.
- ▶ NO entries regarding “football communications,” including specific exchanges between coaches and players that might be overheard. Acknowledgement that the conversation occurred is acceptable, but we ask that the details of the conversation be withheld.
- ▶ NO detailed speculation as to the potential nature or severity of an injury until Coach McCarthy has addressed it following practice. Once again, acknowledging that an injury occurred and providing general details (i.e., ‘Right leg...’ or ‘Left wrist...’) is permitted, but anything beyond that would be purely speculative and possibly inaccurate.
- ▶ The team would like to continue to keep training-camp practices open to those wishing to utilize blogs and/or Twitter, but such a policy is contingent upon media adhering to the guidelines above. If there are ANY questions regarding what is or is not acceptable, please contact a member of the Packers’ P.R. department.

ONLINE-CONTENT POLICY

- ▶ According to the 2016 NFL non-game online content policy, accredited organizations may distribute online non-game audio and video content, including interviews, press conferences and team practices at NFL venues, acquired as a result of credentialed access (“Game Information”) to games or club/league facilities provided that such distribution: is 90 seconds maximum per day (180 seconds in two-team markets – 90 seconds per team); may not be “archived” (i.e., made available for on-demand public access) for more than 24 hours; appears in an editorial context only (no sponsorship, merchandising or advertising integrated with or around the content); is not posted live; and is accompanied by links back to NFL.com and to the club website.
- ▶ The 90-second limit does not include video/audio material that is composed entirely of a credentialed media employee providing commentary or analysis (“talking head” reporting), including pregame or postgame stand-up material shot on the field or other facility location.
- ▶ While a game is in progress, any forms of accounts of the game must be sufficiently time-delayed and limited in amount (e.g., score updates with detail given only in quarterly game updates, fewer than 10 photographs during the game) so that the accredited organization’s game coverage cannot be used as a substitute for, or otherwise approximate, authorized play-by-play accounts.
- ▶ The Packers have their own social-media and online-content policies for practice reporting, which will be communicated by the P.R. staff for both training camp and the regular season. Members of the media are encouraged to contact the public relations staff with any questions.

INJURY-FOOTAGE POLICY

- ▶ Again this season, the Packers respectfully ask all photographers (video and still) to follow guidelines related to shooting injured players.
- ▶ Photographers are asked to avoid filming, photographing, printing and/or airing any shots of any injury situation, while the injury occurs, while trainers attend to/treat the injured player, and while the player is leaving the field, either on his own or with aid. This includes minor injuries.
- ▶ The team will allow shots of players after they’ve been treated. For instance, cameras are allowed to shoot a player on the sideline with ice on his knee, after trainers have left.
- ▶ However, cameras are not allowed to film a player on crutches, either on the field or in the locker room.
- ▶ If outlets choose not to respect this policy — or any other policy — the team will have no choice but to consider limiting access to the field and/or locker room.

TRAINING CAMP MEDIA INFORMATION & POLICIES

PRIVATE TEAM COMMUNICATION

- ▶ The Packers ask all media, print and electronic, to refrain from reporting or recording any team communication meant solely for the team.
- ▶ This includes the post-practice team huddle, in which McCarthy addresses his players. It also includes mid-practice and/or post-practice communication between any coach and his players, especially conversations of a reprimanding, negative nature.
- ▶ In general, reporting that the conversation took place is acceptable, just not the details of those conversations. Details are not to be relayed to the public either directly (through first-hand hearing), or indirectly (through interviews, even if the subject answers the question).
- ▶ If media has any question as to whether communication should be kept private, please contact the P.R. department before writing or airing such conversations.

PRACTICE CREDENTIAL INFORMATION

- ▶ Admittance will not be granted without a credential. No guests will be permitted to use media credentials, which are subject to revocation if used in that manner.
- ▶ All preseason practice sessions will be open to members of the media who cover the team on a regular basis, unless otherwise stipulated. All other media (news departments, etc.) must secure a practice-field pass from the public relations department and sign the necessary waiver before attending practice. No exceptions can be made.
- ▶ All media members, including visiting media, are asked to contact the Packers' P.R. department to obtain training-camp credentials. Practice-field (season-long photo ID and daily) credentials, required for all practice sessions, are not transferable and will be closely monitored. A liability waiver must be signed before gaining access to Packers' practices.
- ▶ Members of the media are asked to email their requests for practice-field credentials to the public relations department's Sarah Quick (email: quicks@packers.com) at least 24 hours in advance of the day (or days) on which they wish to cover practice.

CELL PHONES

- ▶ The team does not tolerate cell phone distractions at practice. Please set all phones to off or vibrate. Phone conversations are strongly discouraged, but if necessary, should be conducted well away from the field.

MISCELLANEOUS

- ▶ Any member of the media who does not have a credential will be asked to obtain one and sign the necessary waiver at the public relations office during the regular season and at the practice field during training camp before gaining admittance.
- ▶ All items brought to practice (cameras, bags, tripods, equipment, etc.) should be stored against the wall, away from the field, for safety reasons.
- ▶ Food is not allowed during practice. Bottled drinks are allowed, as long as they are stored in a personal bag against the wall, and consumed near the wall.
- ▶ Any equipment not stored should be held at all times; when avoiding oncoming action, it is important that anything in your possession moves as you move.
- ▶ No players or coaches may be actively engaged in conversation or interviewed while practice is in progress.

INJURY INFORMATION

- ▶ All injury information will be issued by Head Coach Mike McCarthy. Please do not address injury questions to another coach or staff member.

NITSCHKE FIELD BOUNDARIES

- ▶ Media will enter the practice facility along Armed Forces Drive, adjacent to the Hutson Center and toward the northwest corner of Nitschke Field. Media must remain behind the cones on the rubberized track in order to maintain their own safety and the safety of the players.

SEASON CREDENTIALS

- ▶ The deadline to apply for 2016 season-long home game credentials was Tuesday, July 5.
- ▶ Anyone who missed the deadline should submit a request ASAP for consideration to receive credentials on a game-by-game basis. Requests should be made to Sarah Quick, via email (quicks@packers.com).
