▶ According to the Elias Sports Bureau, LaFleur was the **sixth head coach since 1970** to lead their team to the conference championship game in both of his first two seasons as a head coach, joining Jim Harbaugh (2011-12), Rex Ryan (2009-10), Barry Switzer (1994-95), George Seifert (1989-90) and Don McCafferty (1970-71).

▶ LaFleur is just the **second NFL head coach** since the league went to a divisional format in 1967 to win 13-plus games and a division title in both of his first two seasons, joining Seifert (1989-90).

▶ LaFleur guided the Packers to 26 wins in 2019-20 after the Packers won 13 games in 2017-18. That was the **biggest two-season win improvement** by a head coach in franchise history from the two seasons prior to him taking over, eclipsing the previous mark held by Vince Lombardi (15 victories in 1959-60 after the Packers won four games in 1957-58).

2t. 1971 (4) to 1972 (10)	+6
2t. 1988 (4) to 1989 (10)	+6

▶ LaFleur's winning percentage of .917 (11-1) against division opponents is **tied for the second best** by a coach in his first two seasons as head coach, dating back to 1970 (Mike Tomlin, 11-1, .917 in 2007-08 / Steve Mariucci, 15-1, .938 in 1997-98).

▶ LaFleur has not lost back-to-back games as a head coach.

He came to the Packers after serving as the assistant head coach/linebackers for the Los Angeles Rams from 2017-20. OFFSEASON RETENTIONS

Packers General Manager **Brian Gutekunst** and his staff have made numerous moves that have helped Green Bay to a 26-6 record over the last two seasons, back-to-back division titles and appearances in two straight NFC Championship Games. This offseason, Gutekunst and his staff worked to retain that roster, which included bringing back:

▶ RB **Aaron Jones**, who was originally selected by the Packers in the fifth round of the 2017 NFL Draft, has played in 54 games with 42 starts over the past four seasons. He has recorded 3,364 yards and 37 rushing touchdowns on 651 carries (5.2 avg.) and hauled in 131 receptions for 1,057 yards (8.1 avg.) and six TDs. Jones is one of only two players in league history to post 3,000-plus rushing yards and 35-plus rushing TDs with an average of 5.00-plus yards per carry in their first four seasons in the NFL, joining RB Jim Brown (1957-60). Jones is one of three players in the NFL to post 2,000-plus rushing yards and 25-plus rushing TDs over the past two seasons (Derrick Henry, Dalvin Cook) and is the first Packer to hit those marks over a two-season span since FB Jim Taylor (1962-63). Jones has also started all four postseason games he has played in, registering 244 rushing yards and four TDs on 53 carries (4.6 avg.) with 11 receptions for 52 yards (4.7 avg.) and a TD.

▶ CB **Kevin King**, who was originally selected by the Packers in the second round of the 2017 NFL Draft (No. 33 overall), has played in 41 games with 36 starts during his first four seasons. He was tied for No. 1 on the Packers with six interceptions from 2018-20 (Darnell Savage). Last season, he started all 11 games he played in and both postseason contests. King finished the 2020 regular season with 57 tackles (second most of his career) and tied his career high (2019) with 45 solo tackles.

▶ TE **Marcedes Lewis** has spent the last three seasons with the Packers, appearing in 47 regular-season games with 30 starts and registering 28 receptions for 302 yards (10.8 avg.) and four TDs. He also started all four postseason contests for Green Bay over the last two seasons. Lewis is one of only seven tight ends in NFL history to play in 200-plus regular-season games (217) and post 400-plus receptions (403).

▶ The Packers retained exclusive-rights free agents WR **Allen Lazard** and TE **Robert Tonyan**. Lazard has appeared in 26 games with 12 starts over the last two seasons for Green Bay, posting 69 receptions for 935 yards (13.6 avg.) and six TDs, with 47 of his catches picking up first downs. He registered 22 receptions for 408 yards on third down in 2019-20, an average of 18.5 yards per catch that ranks No. 2 in the NFL (min. 20 rec.) over that span. Tonyan tied the single-season franchise record (Paul Coffman, 1984) for the most TD receptions by a tight end with 11 last season, which was also tied with Chiefs TE Travis Kelce for the league lead among TEs. He also posted career highs for receptions (52) and receiving yards (586) in 2020, joining Coffman (54-814-11 in 1983) as the only TEs in team history to register 45-plus receptions, 500-plus receiving yards and nine-plus receiving TDs in a season.

He started at CB in all nine regular-season games as a junior in 2020, earning first-team All-Southeastern Conference honors from *The Associated Press* after finishing tied for No. 2 in the conference and tied for No. 8 in the nation with four interceptions. ▶ In the fourth round (No. 142 overall), the Packers selected T/G **Royce Newman** out of the University of Mississippi. He played in 43 games over four seasons at Mississippi, starting the final 22 games in his last two seasons. Newman started all 10 games at right tackle in 2020 and helped Mississippi reach the Outback Bowl, its first bowl appearance since the 2015 season. In 2019, Newman started all 12 games at left guard and allowed just one sack in 416 pass blocks.

Smith, sixth round, 2011) drafted by Green Bay. He was named a first-team All-American by the Walter Camp Football Foundation, second-team All-American by *Sporting News* and PFF College and third-team All-American by *Phil Steele's College Football* after leading the nation with 17 passes defensed in 2020.

▶ T/G **Cole Van Lanen** was drafted with the first of two picks by the Packers in the sixth round (No. 214 overall). The Green Bay native played in 45 games with 19 starts at left tackle in his four seasons with the Badgers, with 18 of those starts coming over his final two seasons. He earned first-team All-Big Ten honors from the conference's coaches and second-team recognition from the media as a senior in 2020.

▶ The Packers used the second sixth-round pick (No. 220 overall) on LB **Isaiah McDuffie** out of Boston College. A LOOK AT THE SCHEDULE

The Green Bay Packers' 2021 NFL schedule features 17 regular-season games and three preseason games. It is highlighted by five prime-time contests (subject to flexible scheduling) on the original schedule for the eighth straight year (2014-21) and 10 games against 2020 playoff teams.

▶ The Packers will open the season at the New Orleans Saints, marking the third straight year and the seventh time in the last nine seasons that Green Bay has started the season on the road.

▶ Week 2 brings a division opponent at home for the fourth consecutive season, and for the second straight year it will be the Detroit Lions. The game will be on *Monday Night Football* and is the first of three home prime-time games against division opponents.

▶ The Packers go back on the road in Week 3 as they travel to face the San Francisco 49ers on a Sunday night, marking the fourth consecutive season Green Bay has faced the 49ers in a prime-time contest and the third consecutive year on the road.

▶ Over the next two weeks, Green Bay will play the first of two back-to-backs against the AFC North, welcoming the Pittsburgh Steelers to Lambeau Field in Week 4 and traveling to Cincinnati to take on the Bengals in Week 5. The Cincinnati game will be the first of four road contests in five weeks for the Packers.

▶ Week 6 brings a return to division play as Green Bay goes to Chicago and faces off with the Bears.

▶ The Packers then return to Lambeau for a Week 7 contest against the Washington Football Team before back-to-back road trips.

▶ The Packers will visit the Arizona Cardinals on a Thursday night in Week 8 to finish an October slate that will see them play five games for the first time since 2010, and then a trip to Kansas City to play the Chiefs in Week 9.

▶ Green Bay plays six of its final eight regular-season games against the NFC, starting with the Seattle Seahawks in Week 10 at home.

▶ After a trip to play the Minnesota Vikings in Week 11, Green Bay finishes the regular season with four of its last six games at home for the second straight year and the fourth time since 1940 (1969, 1977).

▶ Green Bay hosts the Los Angeles Rams before a Week 13 bye, marking the seventh straight season the Packers will play at home heading into their bye week. It is the latest bye ever for Green Bay, and it is the fourth time since 1990 that the Packers have had a bye in Week 10 or later (Week 11 in 2019, Week 10 in 2012 and 2010). It will be the first time since 2017 that Green Bay plays at home heading into the bye and coming out of the bye.

▶ The matchup versus Chicago on a Sunday night in Week 14 marks the 16th consecutive regular season that the Packers and Bears have squared off in a prime-time game.

▶ In Weeks 15-16, Green Bay will finish off its slate against the AFC North with a trip to face the Baltimore Ravens and then a home game on Christmas Day against the Cleveland Browns. It is just the third time the Packers will play on Christmas, having hosted the Bears in 2005 and 2011.

▶ Green Bay will end the regular season with back-to-back NFC North games for the fourth time in the last six seasons.

▶ The Packers' last regular-season home game is slated for a Sunday night versus the Vikings in Week 17.

▶ For the fourth time in the last six years, Green Bay will end the regular season in Detroit. The game at the Lions is scheduled for Sunday, but the league schedule does not list Saturday games or a Sunday night game in Week 18, and three games with playoff implications will be moved to those time slots no later than six days prior to January 9.

TRAINING-CAMP MEDIA INFORMATION & POLICIES

TRAINING-CAMP PRACTICE ACCESS

▶ All public practices are open in their entirety to a limited number of credentialed media. Photography (video and still) will be limited to certain periods and areas during training camp.

VIDEO/PHOTO POLICY

▶ The team reserves the right to limit photography to certain periods for competitive reasons.

▶ During practice periods in which B-roll and still photography are NOT permitted, the media may not utilize camera phones either. The communications staff will alert the media of the permissible "shooting" periods before and during each practice.

▶ Video of practice and Zoom interviews by an individual or media outlet can be posted on social-media sites in compliance with the NFL online-content policy.

▶ No live-streaming or live broadcast of practice or Zoom interviews is permitted by an individual or media outlet at any time on any platform.

▶ Tripods are not allowed to be used while filming from the sideline.

BLOGGING/TWITTER POLICY

▶ During training camp, "Twitter/blogging" is allowed during practices, but the Packers would ask that members of the media utilizing the technology adhere to a few simple guidelines. Please note that this policy is for training-camp practices only and does change during the regular season.

▶ NO entries about specific schemes, personnel groupings or anything that might be related in any way to game planning. If you have ANY questions about this, please ask a member of the Packers' communications staff before posting.

▶ NO entries regarding "football communications," including specific exchanges between coaches and players that might be overheard. Acknowledgement that the conversation occurred is acceptable, but we ask that the details of the conversation be withheld.

▶ NO detailed speculation as to the potential nature or severity of an injury until Head Coach Matt LaFleur has addressed it following practice. Once again, acknowledging that an injury occurred and providing general details (i.e., 'Right leg...' or 'Left wrist…') is permitted, but anything beyond that would be purely speculative and possibly inaccurate.

▶ The team would like to continue to keep training-camp practices open to those wishing to utilize blogs and/or Twitter, but such a policy is contingent upon media adhering to the guidelines above. If there are ANY questions regarding what is or is not acceptable, please contact a member of the Packers' communications department.

PRIVATE TEAM COMMUNICATION

▶ The Packers ask all media, print and electronic, to refrain from reporting or recording any team communication meant solely for the team.

▶ This includes the post-practice team huddle, in which LaFleur addresses his players. It also includes mid-practice and/or post-practice communication between any coach and his players, especially conversations of a reprimanding, negative nature.

▶ In general, reporting that the conversation took place is acceptable, just not the details of those conversations. Details are not to be relayed to the public either directly (through firsthand hearing), or indirectly (through interviews, even if the subject answers the question).

▶ If media has any question as to whether communication should be kept private, please contact the communications department before writing or airing such conversations.

INJURY-FOOTAGE POLICY

▶ Again this season, the Packers respectfully ask all photographers (video and still) to follow guidelines related to shooting injured players.

▶ Photographers are asked to avoid filming, photographing, printing and/or airing any shots of any injury situation, while the injury occurs, while trainers attend to/treat the injured player, and while the player is leaving the field, either on his own or with aid. This includes minor injuries.

▶ The team will allow shots of players after they've been treated. For instance, cameras are allowed to shoot a player on the sideline with ice on his knee, after trainers have left.

▶ However, cameras are not allowed to film a player on crutches, either on the field or in the locker room.

▶ If outlets choose not to respect this policy — or any other policy — the team will have no choice but to consider limiting access to the field.

INJURY INFORMATION

▶ All injury information will be issued by Head Coach Matt LaFleur. Please do not address injury questions to another coach or staff member.

NFL ONLINE-CONTENT POLICY

▶ Accredited Organizations may supplement its traditional media distribution platform (e.g., newspaper, television, radio) with other new media distribution platforms that it controls (e.g., websites, official social media accounts, applications, podcasts), provided that, with respect to such new media distribution platforms: (i) any use of film or video or digital still images is limited to a reasonable amount or number (as applicable), and used only to illustrate or support news and editorial coverage of the Game or Event (as opposed to use in connection with or on commercial products (e.g., apparel, posters, commemorative programs, or other types of souvenir or other merchandise, or sponsored content) purposes; (ii) any use of film or video or digital still images is not used to create Simulated Video of game action; (iii) no video of game action is used (except that, if the Accredited Organization is a television broadcaster, Game or Event highlights may be shown as part of a single, non-archived, online "simulcast" of any regularly scheduled television news programming the Accredited Organization may broadcast, provided it adheres to the limits on such broadcasts set forth below); and (iv) use of non-game audio and video content obtained as a result of credentialed card access (e.g., press conferences, training camp, practice and/or interviews at NFL venues or events): (1) must be limited to 90 seconds maximum per day (180 seconds maximum -- 90 seconds per Member Club -- in two-Member Club markets), (2) may not be posted or streamed "live" or in real time in any form or medium and may not be archived (i.e., made available for on-demand public access for more than 24 hours after posting, etc.), (3) may appear only in an editorial context (i.e., no sponsorship, merchandising or advertising integrated with or around the content, including digital advertising, etc.), and (4) must be accompanied by links back to NFL.com and to the applicable Member Club's web site.
